- Dollar & Nature

About dollar

- US dollar

Our currency

US dollar

We know dollar
US dollar

We:

use it
collect it
save it

- US dollar

Yes
We know dollar

Material

Our dollar:

- US dollar

Man made
US dollar

We know dollar

Article is about
Dollar

- US dollar

Title =

Dollar & Nature

Since dollar
Is

- Man made

Man made
US dollar

Then not
Part of
Nature

No

Nature is like
The elements

earth
water
fire
air
ether

- The elements

Dollar is
Man made

Man made
US dollar

Then not
Part of
Nature

Dollar no

Dollar is
Man made

About

- US dollar

Well then:

- Relationship

Title =

Dollar & Nature

Relationship
Between

Dollar & Nature

We know both
Dollar & Nature

So relationship

Two

Relationship:

- Us

Between two
Dollar & Nature

Us and
Nature itself

- Us

Two
Relationship

Since we
Use dollar

And we
Live in nature

Then relationship

There is
Relationship

- Us and nature

Us and dollar
Relationship

So these two
Through us

Also have
Relationship

Title =

Dollar & Nature

Relationship
Two

Nature

We all:

- Know nature

What nature is

Yes us
We know it

We see
Nature around us

All the time

- Nature

We see
Birds and bees

We see
Air and trees

All the time

Mountains
Rivers and
Streams too

- We see it

Nature around us

All the time

Sometimes
We refer to it
As

The great
Outdoors

- Nature

It is home
Of our world

The world we
Live in

Planet Earth

Part of nature
Yes

Remember

Said =

- Nature

And in this
Nature

We see
Elements

- Five elements

There is

Earth
Water
Fire
Air
and Ether

- Nature

Made of the
Five elements

When we
Walk around

When we
See the view

Even when
We sleep in
Bed

We are always
in Nature

Probably
Everybody
Likes nature

Yay

Mom

Nature and:

- Us

We here
Yes us

- Nature

The great
Outdoors

Nature

It is home
Of our world

The world we
Live in

Planet Earth

Also:

Nature and
The Creation

Oooh yes

See point =

Nature is where
The Creation is

We say
Our world earth

Is a part of
The Creation

Like the Universe
Universe is big

Also it is
Part of the
Creation

So in the
Universe

- Earth exists

Earth is a
Part of the
Creation

Nature exists
There too

- The creation

We think that
We are in
Nature
All the time

Even human
Nature

- In nature

Nature is a
Part of the
Creation

- Like us

Made

Said =

Nature is a
Part of the
Creation

And the Creation
Made by
The Creator

Probably
The Creator
Made the
Creation

Remember:

- Title =

Dollar & Nature

Relationship
These two

Dollar & Nature

Dollar = us
Nature is creation

Dollar is
Man made

Nature made
By creator

Relationship

- These two

We see
Nature

Us and
Planet Earth
Are in the
Creation

These two

Us and
Planet Earth
Are in the
Creation

Creation made
By Creator

So the Creation
Has been made

More

Us:

- We do see

These things

We see that

Nature and
Planet Earth
Are in the
Creation

Creation made
By Creator

We see nature
Is home of
Our world

The world we
Live in
Planet Earth

So we see
The Creation is
Big

Since these things
Are big

Nature and
Planet Earth

Also the Creation
Big

Then we can’t
Really
Harness these

Whoa no

These things
Big things

Seem to have
A way of
Their own

They are big

Point

Us here:

- Yes

And we know
Our Constitution

Constitution says
That

The Creator has
Made all Beings

And this is
In the Creation

Whoa yes

So us
With this

Hey
We all know
Man and Nature

Oooh yes

USA

Here =

- USA

In USA
Here
We know
Dollar

Our Currency
US dollar

- Dollar

USA likes
Competition

It makes
Competition

Competition
with aggression
USA

Said =

We all know
Man and Nature

With it’s
Competition

Competition
with Aggression

USA makes
Man against
Nature

Instead of:

Man and nature

USA uses
Competition

Competition
with aggression

And makes
Man against
Nature

- We see it

Think engineers

Oooh

In USA:

Engineers
Deny nature

Engineers and
Others
Deny nature

Me
I never could
Figure out why

- But here

In USA

Engineers and
Others
Deny nature

So USA

Like this
USA

With such an
Outlook

USA has chosen
Dollar as
Powerful

Remember we
Said

We all know
Man and Nature

Most of us
Like nature

Yes

Religion

Article is:

- About

Dollar and
Nature

Relationship
Nature itself

In USA
We see
Church around

Whoa
Mucho church

In USA
With
Church around

Church in USA
Closest thing we
See

Towards God
God the Father

Church usually
Christian
Like with Jesus

If we look at
This
Church

Well there really
Seems to be
No God with it

No god with
Christian

Apparently

To me it seems
Rather boring

meh

To me it seems
Also

There is no
Jesus either

In USA
We see
Church around

Hardly more
No

Policy

So:

- Title =

Dollar & Nature

- Mentioned

Remember
Relationship

Dollar & Nature
Relationship

We are seeing
Examples

Dollar & Nature
Relationship

- USA we know

USA dabbles
In abstraction

Think policy

USA policy
Continuing policy

Never really
Make sense

- Like vague

USA seems to
Use

Female things
Or female
Methods

Most things

Example:

preference
Or indulgence

Female stuff

Things like
wishy washy

demographics

Use of
imagination

Slim

Heck:

Sometimes we
Even see
damnation

Female things
Or methods

These things
Female things

Seem questionable
Like vague

It is hard
To figure out
Policy

- USA policy

Not much of a
Picture

No

Dollar

USA policy:

- Proceeding

Going along

It may seem
Questionable
Like vague

Policy

It is hard
To figure out

Policy omg
Huh

Remember all of
The Wars

Whoa yes

We never knew
Why

The Wars

I don’t see
Any sense in it

And again
We don’t see no
Idea of God neither

Boo

So this
At best it is
Christian

meh

- Then why

Why to say
This

Reason =

USA seems to
Have chosen

The Dollar
As powerful

If true

USA seems to
Have chosen

The Dollar
As powerful

Then what reach

How far can it
Reach

We don’t see no
Idea of God in it
Dollar

And it appears

USA seems to
Have chosen

The Dollar
As powerful

Huh

Us

We know:

- That

We know
Man and Nature

- Known

Plus us
We know

The dollar is
A dominant
Factor in our
Day

So we
Must see
The dollar

It seems to
Be there

- Dollar

Us and dollar

Dollar for us
Is

a need
a must

It is even
Demanded

The dollar is
A dominant
Factor in our
Day

Everybody wants
Us to
Pay the dollar

Jeez
That’s true

Us
We need the
Dollar for
Almost everything

Dollar for us
Is

a need
a must

It is even
Demanded

Dollar is
Demanded of us

Maybe required
Like

assigned
even brutally

Maybe even with
No choice

Oh sad

Everybody wants
Us to
Pay the dollar

When we think
About us
Dollar and us

Everybody wants
Us to
Pay the dollar

Yep

Point

So:

- Point

Dollar is so
Demanded of
Us that

We get to
Main point

By this:

USA choosing
Dollar as powerful

And here
Demanding dollar
So strong

Demanding us
Yes

- Then point

Point =

USA has made
Perhaps by
Aggression

- The dollar

As a part of
Nature

The dollar

Maybe by
Assignment

Maybe by
Demand

We see

USA has made
The Dollar
As a part of
Nature

And said =

It seems that
USA has no
God

Impact

So:

- Dollar and

Us

Everybody wants
Us to
Pay the dollar

The Dollar is
Demanded of us

It is like
Assigned
Even brutally

Seems with no
Choice

Us
Pg 21

So us
Here
Without dollar
We die

Is this evident
Whoa

Here

- We are here

Humans us
Yes

Here in a
Country

USA country

Don’t forget
Dollar is only

- A symbol

Only a symbol

Think
Faith object

Dollar just this

Ponder this:

Us
We remember

Dow Jones
Stock market

Dow Jones
Counter

Stock market
Like on TV

- There

On TV
Counter showed

Current value of
The Dollar
Counter showed

And whoa
Did you see
The counter

Lol

The counter
It went

Up & down

Again
Up & down

Like every
Minute
Up & down

Whoa
The Counter

Showing current
Dollar value

Up & down
Then
Up & down

Lol

Counter was
Extremely variable

So much
Up & down

Showing current
Dollar value

- Counter

Another

This is:

- Interesting

Still more

So us
Shown this

We are given
This

The variable
Nature of dollar

If it looks
Variable

Looks even
Wobbly
Then

What are we
To make of it

We are given
This

The variable
Nature of dollar

What does it
Mean

The variable
Nature of dollar

Dollar is assigned
Dollar nature is
Variable

Everybody wants
Us to
Pay the dollar

What are we
To make of it

The variable
Nature of dollar

Asking

Here:

- We wonder

Seeing this

Does USA
Have a leg
To stand on

Look at facts:

The variable
Nature of dollar
Maybe wobbly

So many
Government
Employees

Whoa

The
USA Wars

The
Foreign investments
Foreign offices

Whoa
What are we
To make of it

We wonder

Does USA
Have a leg
To stand on

Reviewing

So:

- Here

Like
So much
Whoa

Us
We know
USA likes dollar

Article =

Dollar & Nature

USA is in
Nature

USA has chosen
Dollar as powerful

USA has made
Dollar as a part
Of nature

Huh

And dollar
For us is

a need
a must
or demanded

So we see
Two famous
Lines

Line
Who’s on first

Line
Which way did
They go george

Whoa yes

USA has chosen
Dollar as powerful

USA has made
Dollar as a part
Of nature

So let’s ask:

Does USA
Have a leg
To stand on

Oooh this

Counting

Remember:

Abraham Lincoln

- USA president

Lincoln made
The dollar

Dollar used to
Be more solemn

Solemn or quiet

Counting facts:

Seems dollar was
Used bad
Poorly

Bad things have
Resulted from that

Probably Lincoln
Could not
Read or write

- Likely

That’s illiterate

Us
We went to
School

A lot
Whoa yes

So counting:

USA has made
Dollar as a part
Of nature

Also USA
Fronts Christian
With no God

Boo

Seen this
So

What are we
To make of it

USA with no
God

USA in the
Creation
And in Nature

Us
Do we have to
Live with this

Seems intolerable
Like so much

Probably Lincoln
Could not
Read or write

- Counting

Needs

- We are human

Us
As human
Need

- We Need

food to eat

We Need
to prepare it

We Need
water to drink
a place to sleep

Us
We all have
Human body

A body
Shackled to
Gravity

- Tied yes

Gravity yes

Daily
We must
Walk the plain

Here & there
We have to
Make it

Day to day life
Us yes

Need
We have no
Choice

We have to
Make it

Poor

These things:

- Here

Look

Wtf
Corporate landlord

Boo

Government says

We have to
Pay the dollar

To walk the
Plain

Day to day life
Us yes
Whoa

Title =

Dollar & Nature

Relationship
Us yes

Dollar & Nature

We all have
Human body

A body
Shackled to
Gravity

- We Need

food to eat
and
to prepare it
Pg 30

we need
water to drink
a place to sleep

Whoa us
Yes us

And bad =

Corporate landlord
Owning the land

Boo

Where did they
Come from

Huh

Us
Do we know
Them

Corporate landlord
Are they
Our celebrities

Boo

I don’t think so
No

Do they
Corporate landlord
Own the land

Own the land
To the center
Of the Earth

Goll

ENDING

We all need:

- Nature

And funny =

Nature does not
Know the dollar

So then
There really is
No relationship

Dollar & Nature
No relationship

Article is:

Dollar & Nature

We see

There really is
No relationship

Dollar & Nature

Nature does not
Know the dollar

The Creator has
Made the Creation

Us we here

I think

There really is
No relationship

Dollar & Nature
