Author: Thomas Lloyd
TheEvenMind

This is ***Our Story*** Called:

- ***The Christian Yoyo***

It is About ***The Christian:***

- ***A Guy Who Followed and Believed in***
- ***The Ways and Methods of Christian***

Many People can Understand This Guy, The Christian Guy, because:

- ***It Seems That Many People were Followers of The Christian Way***
- ***Like The Christian Guy***

Our Story is Called: The ***Christian Yoyo*** because:

- ***The Method That We Describe Here***
- ***For The Christian Guy***
- ***is with The Use of A Yoyo***

So, ***The Christian Guy*** with ***A Yoyo*** would ***Describe*** Our ***Guy:***

- ***The Christian Guy***

Describing A Yoyo

In Case Someone did Not ***Understand*** The Word ***Yoyo***, We Wish To ***Explain***

A Yoyo is ***A Toy*** that ***Kids Play with***

It is A ***Ball***, like A ***Wheel***, that has A ***String*** Wrapped Around Inside it

The Boy Who Uses it:

- **Holds The String Tied to His One Finger**
- **and He Lets The Yoyo Ball Down**
- **All of The Way to The Ground**
- **where The Yoyo Almost Touches The Ground**

The **Yoyo** would **Hang** from **The String, Held** by **The Boy** on His **Finger**

The Yoyo, like A Wheel:

- **Would Spin Around at The End of The String**
- **Hanging Down to Near the Ground**

As The **Yoyo Spins**, at The **End** of The **String:**

- **The Boy is in Control of The Yoyo**

After A **Short Time**, like Five Seconds, The **Boy** would:

- **Pull Up on The String**
- **that is Tied to His Finger**
- **and The Yoyo Wheel would Come Back Up to Him**
- **Gathering The String on it's Return Up**

That Would Be The **Description:**

- **Of The Boy and His Yoyo**

The **Boy** does This **Yoyo Game**, with The **Yoyo Toy:**

- **For Diversion, To Have Fun**

How Long To Use The Yoyo

Well, when The **Boy Uses The Yoyo, Playing** with it and

Making it **Work:**

- **It usually Lasts About Thirty Minutes**

Thirty Minutes of **Playing** with The **Yoyo:**

- **Can Be A Lot of Fun**

When We **Grew Up**, Many People would **Play** with The **Yoyo**

To **Play** with The **Yoyo** Can Be **A Lot of Fun**

The Main Point of Our Story

So, We Have **Described**:

- *The Boy and The Yoyo*

Also, **Our Story** is Called: **The Christian Yoyo**

Many **Christian Boys** would Also **Play** with **A Yoyo**

Our Story is Called: **The Christian Yoyo** because:

- *When The Christian Plays with The Yoyo*
- *There is A Special Thing to Note*
- *About Him and The Yoyo*
- *and What Happens Then*

You **See**, What We **Mean** Here is:

- *That The Christians Yoyo Never Comes Back*
- *omg*

About The Christian

We **See The Christian** Around:

- *Everywhere*

In The **USA**, there are **A Lot** of **Christians**

We **See The Christian** Around, like **Everywhere**

- *the church*
- *the government*

- *conservatives*
- *evangelicals*
- *they teach it in the schools*
- *sometimes posing with a bible*

In **USA**, We Can **Say** that:

- *Christians are The Decision Makers*

Again, This would **Point** to **Government**

So Many of ***Them***:

- ***Pose As Christian***

And, Again, ***They*** Are ***The Decision Makers***:

The Decisions are ***Not Always Good***

Christian Track Record

When We ***Look*** at ***USA***, and ***Government***, like ***The Decision Makers***:

- ***Whoa, What A Lot of Mess***

The Track Record of Government is like:

- ***Omg, like Total Loss***

We could Make More Good Simple Jokes than, Government Good Decisions

The Track Record of USA Government is like:

- ***Whoa, Total Loss***

It Never Ever Comes Out Right with USA Government:

- ***The Decisions are Not Always Good***

Christian Boasting

Hey, These Guys ***Boast*** like ***Dogs*** - omg

Have You Ever ***Seen*** Anyone:

- ***Miss So Much***

Not A Sure Shot - Oh No

It ***Looks*** More like ***Total Failure***

We ***See*** The ***Boasting Christian Extend Himself***, like with A ***Yoyo***:

- *to persuade people*
- *to con*
- *to cut deals*
- *to pledge faith*
- *to father*

They **Use** it for Things like:

- *to make money*

The **Boasting Christian Extends His Yoyo**, but:

- *We Never See it Come Back*

What Do **We** Get for **Stuff Like This**

Probably **Nothing**

The Ruin From The Christian Yoyo

The Christian has Extended His Yoyo So Many Times

And There is **No Positive Result** from The **Christian Yoyo Being Extended**

Yet We Do **See**:

- ***The Ruin From The Christian Yoyo***

For example, **The USA Congress**

- *Congress **issues** All Courts inferior to The Supreme Court*
- *Congress **issues** Militia to Guard The Courts*
- *Congress Draws **Funds** from **The Treasury** to **Fund** These Things*

Congress **Knows** About:

- *the mental health system*
- *the mental health system is not law*
- *there is no law making mental health system*
- *but they know about it*
- *90% USA people are in mental health system*

Congress **Knows** About it, They must **Fund** it

Also, George Bush **Endorsed** it:

- *He Had The Surgeon General **Stamp it with Verification***

Also, George Bush:

- *Made Iraq War*
- *He killed Saddam Hussein, A World Leader*
- *This is Murder*

Donald Trump:

- *Killed Iran Nobleman Solemeini in Iran with Rockets in The Night at His House*
- *Trump burned the Amazon in South America*
- *He burned The Planets Oil Supply for Four Days All Over The World by Fire*

USA Ruined **Germany** in World War 2:

- *Germany Never Did Anything Against USA*
- *They Are Strictly European*
- *They were Never Colonialists*

These Are **Extensions of Christian Yoyo** by **USA Government** with **No Result**

The Christian Yoyo **Never Comes Back**

More Ruin By Christian Yoyo

USA Nuked **Japan** in World War 2:

- *USA Nuked Japan Two Times in Two Days*
- *Island People*

The **Christian Yoyo Extended** by **USA Government**

These Are **Extensions of Christian Yoyo** by **USA Government** with **No Result**

The Christian Yoyo Never Comes Back

The Christian Yoyo On Vietnam

USA Ruined Vietnam, An Old Proper Asian Country

USA Used **Agent Orange** chemical bomb to defoliate the jungles:

- *agent orange*
- *the forests are still barren*
- *nothing grows*
- *no crops*
- *the water is still bad*
- *agent orange*
- *by USA Government*
- *by Design*

Vietnam, An Old Proper Asian Country, innocent

USA Crimes Against Vietnam People, Simple People

There was No Act against USA by Vietnam:

- *Yet USA Yoyo on Vietnam with **Agent Orange** chemical bomb*
- *Ruined Their Lands*

This was USA Doing **Brutal Bullying** on innocent People:

- *An Egregious Act*

The Christian Yoyo Extended by USA Government

These Are Extensions of Christian Yoyo by USA Government with No Result

The Christian Yoyo Never Comes Back

The Ruin of The Planet by Christian Yoyo

And *Now*, The **Planet is Dead**

- *no oil*
- *water is ruined*
- *resources are gone*

- *ships*
- *planes*
- *automobiles*
- *computers*
- *kitchen appliances*
- *furniture*
- *plastics*

All of This is **Waste**, from **Christian Yoyo**, Huge **Waste**:

- *And Now, The **Planet is Dead***

There is:

- *all littering on the planet*
- *everywhere*

The Ruin of The Planet by Christian Yoyo Has Litter from Manufacturing Everywhere

The Littler Will Never Be Absorbed by The Planet:

- *The Ruin of The Planet by Christian Yoyo*

What About *Us*

The People in USA Have Lived Their Lives Here:

- *What About Us*

The Creator Has Made All Beings

Congress Did Not Make Me – No

USA Government, As Christians, Putting Their Yoyo Out on The Planet

Yet, There is **No Return:**

- *The Yoyo of USA Government Never Comes Back*

We See Them:

- *boasting*
- *war*
- *commanding manufacturing*
- *experimenting*
- *ruining lives*

Actions that They **Take**, and **Make, Deliberately:**

- *usually in The Name of Christian*
- *Never Pan Out*

So, Total Waste

We **Went To School:**

- *like 1000 Years*
- *just to See*
- *A Planet of Eat Shit*

This is Bad

The Christian Yoyo Never Comes Back

All of These Actions Never Come Back

The Incomplete Christian

These Government Christians Are **Supported** by People that Support Police

Police Are **Militia** Issued by Congress:

- *They Are Never Responsible*

Hey, it is like:

- *They Are Hiding*

Where Are They, The **Good Decision Makers**

They Have Extended Christian Yoyo, Yet it Does Not Return

So, They Are **The Incomplete Christian**

Military Mind

USA is **Military** Since The Beginning

It Always Did **Extend Christian Yoyo**:

- *Like with American Indians*

And It is **Always Losing**

This is Bad

The Christian Yoyo Never Comes Back

All of These Actions Never Come Back

Then It **Never Happened, USA**

So, **USA** is **Not There**

Go and See

This is Bad

The Christian Yoyo Never Comes Back

All of These Actions Never Come Back

The Christian Yoyo

The Christian Yoyo Never Comes Back

All of These **Actions** by **USA Government**, Since The **Beginning**,
Are All **Dead**

They Are **Made** From:

- **Abstract Mind, like Christian Mind**
- **if That is Any Mind At All**

Descriptions of **USA Government Decisions** and **Actions** Are:

- *Not responsible, like full of*
- *sandbags*
- *hinderances*
- *unfinished situations*
- *dangling particibles*
- *unfinished sentences*
- *broken shit*
- *into*
- *not knowing*

They Seem to Be Made From **ignorance**, which is **Not knowing**

So, There **Never Could Be** Any **Good Results** at All from

USA Government Actions

They Have Put Their Yoyo Out, but it Never Comes Back

There is **No Return** on These **Actions** and **Decisions** from

USA Government

Symptoms of USA Bad Actions

The USA Government Actions, Since The Beginning, are Based on **Christian**

Maybe They Don't Even Have **Belief**

So We Would **See**:

- *loss of interest*
- *and even*
- *fear of knowing*

It Looks like:

- *They Don't Want to **Know** What They Have **Done***

Do Any of Them Ever Come Up and Say What They Did

No

They Have Put Their Yoyo Out, but it Never Comes Back

There is **No Return** on These **Actions** and **Decisions** from
USA Government

The Christian Yoyo After Time

Hey, You Can Only Make **Error** for So Long

There Comes A Time when Things Are Obviously **Stagnant**

This Means that They **Cannot Fix it**

So, it would Be Time to Get Out of The Way

When The Christian Actions Are Finished, by Not Being Able
to Continue, then That is Finished

When These Actions Are Obviously **Done**, by **Timing Out**, but
No Good Result, then:

- *That is **Dud***

The Christian Yoyo, After Time, Having **Never Come Back**, is **Dud**

Why Did The Yoyo Never Come Back

Since The Christian Yoyo Did **Never Come Back**, Well:

- *We Might Wonder **Where it is***

Hey, maybe it **ran off**

Maybe, like Ruth:

- *it **ran off**, like to the other side of the hill*

So, **what good** is this **Christian Yoyo**

For The Christian, After **Yoyo Failure**, They Might Look like:

- **what good is anything**

Hey, didn't we tell the kids about this

Like, **don't think that way**

Christian Yoyo Shiney Objects

The **Christian Yoyo** is **Put Out** by The **Christian**

We **See** This A Lot by **Decision Makers**, like **USA Government**

We Definitely See **Celebrities**

Omg, **Everybody** in USA Wants to Be A **Celebrity**, A **Shiney Object**

The Shops are All Filled with The Shiney Objects of Christian Yoyo

These **Objects**, like The Yoyo, are **Extended onto Us**, by **Decision Makers**

They Have Put Their Yoyo Out, but it Never Comes Back

There is **No Return** on These **Actions** and **Decisions** from

USA Government

We Don't Know **Why** They Do This, **Extend The Christian Yoyo** onto **Us**

They Have Their **Christian Yoyo Hanging Out**, but it **Doesn't Come Back**

There is **No Reason** for This, like **Abandonment**

That is **Un-Kind**

The Shiney Objects That We Cannot Have

What About The shiney objects that **we never get**

What About The shiney objects that **we cannot have**

This is like:

- **Carrot on the donkey**

People are **Told** to **Chase The shiney objects**, The Christian Yoyo, but

They are **never attaining it**

The Middle Class is Gone

We were **Raised on That**

The **Christian Yoyo objects**:

- *from whom*
- *for whom*

These **Yoyo objects** are **shiney objects** that **we never get**

Shiney Objects Issued from Congress

Congress issues **shiney objects**

Examples would be like:

- **Every Court Less than Supreme Court are Issued by Congress**

These Courts, as Forts, are **Issued** by Congress

And Congress issues **Militia** to Guard Them

Everybody Sees Police and Military Everywhere

And Congress is Drawing funds from the Treasury to pay for it

All of This, **The Christian Yoyo Extended, Never Comes Back**

When Something Goes Away, it Never Comes Back

They Have Put Their Yoyo Out, but it Never Comes Back

There is **No Return** on These **Actions** and **Decisions** from

USA Government

We Don't Know **Why** They Do This, **Extend The Christian Yoyo** onto **Us**

They Have Their Christian Yoyo **Hanging Out**, but it **Doesn't Come Back**

There is **No Reason** for This, like **Abandonment**

That is **Un-Kind**

So, They are ***Always*** Walking Around:

- *With Their Yoyo Hanging Out*

Final Thoughts About Christian Yoyo

Since ***The Christian Yoyo Never Came Back***, then ***What Do We Do***

Since it Did Not Come Back, at Least ***Still***:

- *We Could Have A Conversation*

Like:

- *Hey, Congress, what did you do*
- *Let's have A Conversation*

We ***Need A Conversation*** About:

- *Con-Sequence*

USA Continuing is ***Not A Bad Idea***

There Would Be ***A Sequence*** for ***This***

Hence, ***The Conversation***

Like:

- *What to Do About All of The Yoyos Sitting Around*

Conversation is ***What is USA***
