

A Spin On Christian Lunge

Author: Thomas Lloyd

This is Our **Article**:

- **A Spin On Christian Lunge**

It is **About**:

- **Christian Lunge**
- A **Method** of **Approach**
- **Used By**
- Apparent **Christians**

To **Present** it:

- When We **Go** on The **Streets**
- These **Days**
- Many People **Use** This **Method**

What We **Mean** is:

- People Whom We Might **Encounter**
- Like Even Total **Strangers** Sometimes
- Just **Lunge** At **Us**
- And Shout **Rude** Things

*Most of The **Time**:*

*The **Things** That They **Shout**
Are **Unseemly**
Or Even
Totally **Unrelated** To Us*

*So, it **Seems** That:*

*This **Approach**
That People **Use**
is The **Christian Lunge***

What is Christian Lunge

The **Definition** That We **Offer** For Christian **Lunge** is:

- For **Conclusion**
- Too **Soon**
- Before The **End**

It is **Best** To **Show** This:

- in A Common **Example**

*We Might Be
Standing on The **Street**
or in A **Conversation** with Someone*

*Then
Like **Suddenly**
Out of Nowhere
Somebody **Jumps** in
Unrelated To What is **Going On***

*Then
This **Person**
Tries To
Sum Up The Whole **Thing**
like A **Conclusion**
As if It is
Totally **Over**
or **Finished***

*When This **Happens**:*

*it Doesn't **Fit In**
and **Seems** Unrelated*

Yet:

*They **Expect**
To **Walk** with A **Victory***

I Think Most People Can **Understand** This
And it Probably **Seems** Familiar Too

This is Our **Example** of:

- The Common Christian **Lunge**
- And We Do **See it** On The **Street**

About Too Soon

We Have **Said** that:

Christian **Lunge** is

- For **Conclusion**
- **Too Soon**
- Before The **End**

So, What About:

- The **Too Soon**

We Wonder **Why** People **Do** This

*By **Too Soon**, Before The **End**:*

*We Might **Wonder** About*

*before the **end***

or

*before **correct***

*before **connect***

*before a **queue***

or

*before correct **time***

*or right **time***

We Wonder **Why** People **Do** This:

*Christian **Lunge***

*For **Conclusion***

Too Soon

*Before The **End***

*The **One Thing** that We Always **Notice** is:*

*it Does Seem **Hasty***

*And A **Hasty Lunge**:*

*Would Always **Seem***

Aggressive

Also:

- **Hey, We Do** See This **Around**

Why Do They Do It

This Best **Question** That We Can **Think of** About **This** is:

- Well
- **Why Do They Do It**

Why Do They **Do** The Christian **Lunge**

*Well, for **One**:*

*What About
The **Odds**
omg*

If You **See** This:

- Christian **Lunge**
- They Never **Seem**
- To **Hit**

*I **Mean**:*

*Go **Figure**
Since it is
Too **Soon**, Before The **End**
then
They Never **Connect***

*This Would **Mean**:*

*A **Miss***

*Nobody **Wants To**:*

*Be **Assaulted**
and **Lose***

*Everybody **Cherishes**:*

*Their **Integrity**
Their **Substance**
and **Wholesomeness***

*And We **See** that:*

*Christian **Lunge**
usually **Misses***

So, We Come **Back** To:

- The **Idea** of
- **Why**

Why Do They **Do** The Christian **Lunge**

An Idea

We Have **Said** That:

- We **Think** That
- This **Method**
- Christian **Lunge**
- is **Used** by **Christians**

So, if We **Wonder**:

- **Why** Do They **Do** It
- Maybe There is
- A **Reason**

If They:

- **Miss** So Much
- like Not **Connect**
- or **Hit**
- then
- Maybe it is
- **Desperate**

*Two ideas We Can **Think** of Are:*

*Let's **get out** of Here*

like

***Exit** asap (as soon as possible)*

or

*Let's get this thing **Over***

If:

*The **Guy***

Lunges** from **Desperate

like

*Let's **get out** of Here*

or

***Exit** asap (as soon as possible)*

or
*Let's get this thing **Over***
then
*Maybe He **Knows***
*that it **Doesn't Work***

As We Have **Said**:

- Usually it is A **Miss**

So, Maybe He **Knows** This

Another Idea

So:

- We **See** The **Guy**
- on The **Street**
- Commonly **Performing**
- This **Method**
- Christian **Lunge**

And Nobody **Wants** To **See** it:

- Hey
- We **Might** Have
- Something **Better** To **Do**

*I **Mean**:*

Hey
*is He **Looking** for **Something***

***Why** Do They **Do** It:*

*and **Why** for **Conclusion***

*If We **Find Out** Why, then:*

Maybe We Could
Talk** To **Him

The Looking For Conclusion

So, We Have **Seen**:

The Christian **Lunge**
and The **Looking** For **Conclusion**

Hey:

This Goes **with** The **Lunge**
The **Looking** For **Conclusion**

*To Be **Frank**:*

*If They **Are**
Christian
and They **Lunge**
then
Get The **Point***

I Mean:

*whoa
There is No **Jesus***

So:

*wtf
Christian
or
The **Looking** For **Conclusion***

Really:

- With All of The **Variety**
- then
- What A Christian **is**
- is Anybody's **Guess**

And:

*If There **is**
Such Wide **Variety** on **Christian**
then The **Variety** on **Lunge**
is **So Many** Too*

And, As We Have Seen:

- Terribly **Rude**
- **Inaccurate**
- and A **Miss**

One Quick Note

Since:

- The Christian **Lunge**
- usually **Misses**
- and
- They **Do** it A **Lot**
- then
- At **Whose Expense**
- Would This **Be**

I Mean:

- We Can't Just
- **Waste Our Time** Forever
- and **Miss A Lot** Too

Somebody **Pays For Everything**

*Nobody Would **Pay A Men:***

*To **Miss**
All of The **Time***

*Go Figure
We **Think No***

A Christian Math Joke

*How many
Guess notes
Does it **take**
To **make**
A **Christian***

*We Don't **Know**
But
We **bet you**
He Doesn't **Get There***

The Idea Of To Find

So:

- If The Christian **Lunges**
- then What About
- **To Find**

I Mean:

- What is
- **To Find**

Well:

- **Where** and **When**
- Do We **Look**

*To **Look** and **Find**:*

*Are **Known** Things
We **Know** This*

So:

- If The Christian **Lunges**
- then
- What About
- **To Find**

If He:

***Lunges**
like
Abstractly
Which Seems
Hasty or **Unseemly**
then
What **Chance**
Would He **Have***

*How **Could** He:*

***Find** Something
in Such **Abstraction***

When We:

- **Look** and **Find**
- it usually
- **Makes Sense** To Us

But:

*If The Christian **Lunges**
then
What Can He
Find There*

As We **Said:**

- It **Looks**
- Very Much
- like **Guess Work**

And, **Also:**

- That He usually **Misses**
- whoa

More On To Find

Well:

- If The Christian **Lunges**
- then
- There Must **Be**
- A **Reason**

It Cannot **Feel Good:**

- To **Miss** Often
- No

So:

- What About
- **To Find**

Just To **Lunge:**

- For No **Reason**
- Would Be **Mad**
- or Malarchy

I Mean:

Hey
What if
*There is **Nothing There***

Also:

- The **Lunge** Man
- Might
- **Interrupt** People

This is **Not Good**

With:

*Just **Lunge**
We **Know** That
Death is **Possible** Too*

About To Ask

If:

- The Christian **Lunges**
- like
- **To Find**
- then
- Does He
- **Ask** Himself

- **To Find** or **Not**

As We **Said:**

- The **Chances** on **This**
- Are **Not Good**
- He usually **Misses**

So:

***To Find** or **Not**
To Ask
To Find or **Not***

Like:

***What Are The Chances**
To Find or **Not***

Can He:

***Weigh** it
The Chances on **This***

Finding A Reason

So:

- About
- **To Find**

What About:

- **To Find**
- As
- A Reason
- for **To Lunge**

I Mean:

*If He
Finds A Reason
for To Lunge
then
Maybe Our Guy
Would Be Happier*

This Does Make Sense

What About:

*Chances
like
To Arrive
or
To Achieve*

If:

*He Lunges
then
is There A Reason*

*Is The Thing
Ready*

If:

- He Lunges
- then
- **is There A Reason**

Checking In On Christian Spin

So:

- Our **Article** is Called
- **A Spin On Christian Lunge**

We Are:

- **Discussing** This **Idea**
- or **Method**
- That We **See**
- So **Often**

An Idea

What About:

- A **Unique Moment**

This is:

- An **Idea**
- A **Unique Moment**

Like, by **Definition**:

- is it **OK**

If:

- A **Unique Moment**
- then
- What **kind** do you **want**

Or:

- What About
- **Relationship**

Are We:

***Finding A Moment
Unique Enough
for Relationship***

Connecting is:

- A **Positive** Thing
- like
- **Chances**
- of
- **To Arrive**
- or
- **To Achieve**

*If The Christian **Lunges**
then
There Must **Be**
A **Reason***

On Relationship

An Old Saying:

- No man
- is an island

**We All Need
Friends**

So:

- **Without** Relationship
- then
- Not **Too Many** Friends

*If The Christian **Lunges**
then
There Must **Be**
A **Reason***

*If The Christian
Has **Relationship**
then
Maybe
No **Need**
For **Lunge***

So:

- A **Reason**
- For **Relationship**

Why Use Military Mind

When:

- The Christian **Lunges**
- For **Conclusion**
- Too **Soon**
- Before The **End**
- then
- **This** is
- **Military Mind**

A **Terrible** Way To **Go**

An **Old Saying**:

- You Catch More Flies
- with **Honey**
- Than **Vinegar**

Military Mind:

- is Only **Vinegar**

*Like **This**:*

Military Mind

*How could you **have***

*A **Chance***

like

*For **Relationship***

Not Possible

with

military mind

Military Mind:

- **First move**
- **Defensive**

So:

- No **Chance**
- Slim **Odds**

This is:

*Tipping The Hand
duh*

So:

*Military Mind
How could you have
A Chance
like
For Relationship*

Then A Comparison

Let's Compare:

- The **Path**
- of
- **Christian Lunge**
- and
- The **Path**
- of
- The **Railroad Train**

*Christian Lunge
Compared To
The Railroad Train*

whoa

Look At:

- The **Railroad Train**

The Railroad Line:

*with
The Ties
Laying Flat
and
The Rails
Running Over Them*

*All in A Straight Line
whoa*

*The Ties
Piece by piece*

The Artwork
is
Super

The Railroad Track
ooh
So Fine

So:

- **Comparing** These
- **Christian Lunge**
- **Compared To**
- The **Railroad Train**

Does:

- Christian
- **Expect**
- **The World**
- to **Line Up** for **Him**
- like
- The **Railroad Track**

This is:

- Not So **Common**
- then
- **Doubtful**

Christian
Can't Expect
The World
to Line Up for Him
like
The Railroad Track

That Would Be
Linear

The Nuances
in The World
are
Amazing

And There Are A Lot:

- **Out There**

All of:

- The **People**
- The **Situations**
- The **Settings**

What would they **think of** next

It Doesn't:

Line Up

like

The Railroad Track

The Nuances

in The World

are

Amazing

We never know

*what they are **thinking***

Out There

All of:

*The **People***

*The **Situations***

*The **Settings***

Can we live

like

The Railroad Line

Tie by tie

knowable

then

predictable

No

- The **People**
- The **Situations**
- The **Settings**

*They would **disagree***

for

*the **Spirit** of it*

yep

Christian World View

This is:

- **A Fact**

Many **Christians:**

- **View the world**
- as
- **hopeless**

This **Means:**

- They **See**
- Each **moment**
- or
- **Experience**
- is
- An **isolated instance**

Frozen

*Not **related to***
anything else

or

*One **only***

Stand alone

So:

- There would **never be**
- a **chance**
- like
- for
- The **Continuing**

A Lunge:

- Won't **Help This**
- **No**

I Mean:

- What **chance** would you **have**

Man:

You can't just
lunge a lot
and **then**
go **home**
and **wait**
for **grace** to go **on you**
No

There **isn't** any
Piece of cake
No

It's Not Easy

That is like
going down
in
a funnel

slim chance
to **return**

And:

What would people **think**
like
seeing this
not good

The Point

So:

- **It Seems**
- **Christian Lunge**
- **is**
- **A Futile Method**

If A Method at All

If:

This Sounds
hopeless
Well
then

Knowing
is **Better** than
Not Knowing

omg

Look at These **Descriptions**:

- It **sounds**
- **futile**
- this **method**

Better would **Be**:

- **Relationship**

To Ponder

These guys
The Christian Lunge

Where is their
obligation
like
The male and society
or
The male in society

It Seems:

Slack
it would seem
