Author: Thomas Lloyd
TheEvenMind

This is Our **Article**:

- **The Dollar and Nature**

It is **About**:

- The **Dollar** (Our Currency)
- and **Nature** itself

Since:

- We **Use The Dollar**
- and **Live in Nature**
- then There is **A Relationship**
- The **Dollar and Nature**

So, Our Article is About:

- The **Dollar**
- and it's **Relationship** with **Nature**

About Nature

We probably All **Know** What **Nature** is

We **See**:

- **Nature Around Us**
- **All of The Time**

We **See**:

- The Birds and The Bees
- The Air and Trees
- and The Mountains, Rivers and Streams

All Around Us, All of The Time:

- We **See Nature**

Sometimes We **Refer** to it **As**:

- The **Great Outdoors**

Nature is:

- The **Home** of Our **World**
- The **World** that We **Live in**
- Our **Planet Earth**

And **in** it, We **See**:

- The **Five Elements**

These **Five Elements** Are:

- Earth
- Water
- Fire
- Air
- and Ether

Nature is **Made** of:

- The **Five Elements**

When We:

- **Walk** Around
- **See** The View
- or Even **Sleep** in The **Bed**
- We Are Always **in Nature**

We Think that **Everybody Likes Nature**

Nature And The Creation

Just To **Add** One More **Point** About **Nature**:

- **Nature** is **Where**
- **The Creation** is

We **Say** That:

- Our **World Earth**
- is A **Part** of **The Creation**

This is Like:

- **The Universe**

The Universe is Big, and:

- We Think that
- it is **Part of The Creation**

So, in The Universe:

- Our **Planet Earth Exists**
- As A **Part of The Creation**
- and **Nature Exists There Too**

We Said That:

- We Think That
- We Are **in Nature**
- **All of The Time**

Nature is Part of The Creation

The Creation Has Been Made

Just To **Finish** This, that:

- **Nature is Part of The Creation**
- We Think That
- **The Creation Is**
- **Made By The Creator**

We Think That:

- **The Creator Has**
- **Made The Creation**

So:

- **Nature**
- and Our **Planet Earth**
- Are **in The Creation**
- **Made By The Creator**

So, The Creation Has Been Made

Continuing Our Article

So, We Do See These **Things**, That:

- **Nature**
- and Our **Planet Earth**
- Are **in The Creation**
- **Made By The Creator**

And:

- **Nature** is
- The **Home** of **Our World**
- The **World** that **We Live in**
- Our **Planet Earth**

This **Means** That:

- **The Creation** is **Big**

Since **These Things** Are **Big**:

- **Nature**
- Our **Planet Earth**
- and **The Creation**
- then
- We Can't Really
- **Harness These**

All of **These Things**, These **Big Things**:

- Seem To **Have**
- A **Way** of **Their Own**

We Know **Our Constitution** Says:

- **The Creator** Has **Made**
- **All Beings**

And, **This** is:

-
- in **The Creation**

whoa

So, **with** This:

- We All **Know**
- **Man** and **Nature**

About USA

In USA:

- We **Know**
- **The Dollar** (Our Currency)

USA Makes:

- Competition

It **Makes**:

- Competition
- with Aggression

We **Said** That:

- We All **Know**
- **Man** and **Nature**

With it's:

- Competition
- with Aggression
- **USA Makes**
- **Man Against Nature**

Instead of:

- **Man and Nature**
- **USA Uses**
- Competition
- with Aggression
- and **Makes**
- **Man Against Nature**

We **See** This:

- in **Things** Like
- **Engineers**

In USA:

- **Engineers**
- and **Others**
- **Deny Nature**

I Never Could **Figure Out Why**, But:

- In **USA**
- **Engineers**
- and **Others**
- **Deny Nature**

So, Like **This**, with Such **An Outlook**:

- **USA Has Chosen**
- **The Dollar** (Our Currency)
- as **Powerful**

And We **Said** That:

- We All **Know**
- **Man** and **Nature**

USA And God

Our **Article** is **About**:

- **The Dollar** (Our Currency)
- and **Nature** itself

In **USA**:

- We **See**
- The **Church** Around

This is The **Closest Thing** that We **See**:

- **Towards God** (The Father)

This **Church** would **Be**:

- **Christian**
- like with **Jesus**

If We **Look** at it, then:

- There Really **Seems to Be**
- **No God** with **Christian**

To me, it **Seems**:

- Rather **Boring**
- meh

Actually:

- it **Seems** that
- There is
- **No Jesus Either**

USA Dabbles in:

- Abstraction

The **Continuing Policies**:

- Never Really **Make Sense**

USA Seems To Use:

- **Female** Things
- or Methods

This would **Be** Like:

- preference
- indulgence
- wishy washy
- demographics
- imagination
- even
- damnation

Omg, **Look** at:

- All of **The Wars**

We Never **Knew Why**

We Don't **See Any Sense in This**

And We **Don't See No idea** of **God Either**

So, At Best, it is **Christian**

Therefore, The **Reason** to **Say This** is:

- **USA Seems To Have**
- **Chosen The Dollar**
- as **Powerful**

*We Don't See No idea of God in it
and USA Seems To Have
Chosen The Dollar
as Powerful*

The Dollar And Us

Since We All **Know**:

- **Man and Nature**
- **and**
- **The Dollar** (Our Currency)
- **Enters as A Dominant Factor**
- **then We Must**
- **See The Dollar**

The Dollar, for Us:

- is a **need**
- a **must**
- **or**
- **demanded**

Everybody Wants Us To:

- **Pay The Dollar**

We Need The Dollar:

- **For Almost Everything**

The Dollar, for Us:

- is a **need**
- a **must**
- **or**
- **demanded**

And, The Dollar:

- is **Demanded** of Us
- **like**
- as **assigned**
- even **brutally**
- **like**
- with **No Choice**

Everybody Wants Us To:

- **Pay The Dollar**

*When We **Think About:**
The Dollar And Us
Everybody Wants Us To
Pay The Dollar*

The Point

So, The Dollar is:

- So **Demanded** of Us
- that We **Get To The Main Point**

By:

- **USA Choosing**
- **The Dollar** as **Powerful**
- and
- **Demanding it So Strong** on Us

Then **USA:**

- Has **Made**
- perhaps By Aggression
- **The Dollar**
- As A **Part of Nature**

***USA Has Made The Dollar**
As A Part of Nature*

*And We **Think That**
They Have No God*

The Impact Of The Dollar Demand

*Well:
Everybody Wants Us To
Pay The Dollar*

***The Dollar**
is Demanded of Us*

***The Dollar is**
like
as assigned*

Assigned
even **brutally**
like
with **No Choice**

So
Without The Dollar
We Die

This is Evident
whoa

Us

We Are:

- **Humans (Us)**
- **in A Country**
- **USA**

Please Remember:

- **The Dollar** (Our Currency:
- is
- **A Symbol**
- **Only A Symbol**

This is Like:

- **A Faith Object**

Some of Us Remember:

- The Dow Jones **Counter**
- at The **Stock Market**
- like On **TV**

This Counter Showed:

- The **Current Value**
- of **The Dollar**

And, **whoa:**

- Did You **See The Counter**

The Counter
Went
Up & Down
Every Minute
whoa

The Counter, Showing Current Dollar Value
Was Extremely Variable
Like
Up and Down

Another Point

So, Given This:

- The **Variable Nature** of
- **The Dollar**
- even **wobbly**
- then
- **What Are We To Make of it**

What Does it **Mean:**

- **The Dollar** is **Assigned**
- The **Variable Nature** of **The Dollar**
- **Everybody Wants Us To**
- **Pay The Dollar**
- **What Are We To Make of it**

Let's Ask:

- Does **The USA**
- **Have A Leg To Stand On**

With:

- The **Variable Nature** of
- **The Dollar**
- even **wobbly**

And So **Many:**

- **Government Employees**
- **USA Wars**
- **Foreign Investments and Offices**
- **What Are We To Make of it**

*Let's Ask
Does The USA
Have A Leg To Stand On*

Reviewing The Dollar And Us

We **Know** That:

- **USA Likes The Dollar** (Our Currency)

We **Remember**:

- Our **Article** is
- **The Dollar and Nature**
- **USA is in Nature**

- **USA Has Chosen**
- **The Dollar** (Our Currency)
- as **Powerful**

*USA Has Made The Dollar
As A Part of Nature*

*The Dollar, for Us
is a need
a must
or
demanded*

Then We **Think** of:

- **The Famous Lines**
- Like
- **Who's on First**
- or
- **Which Way did They Go George**

*USA Has Chosen
The Dollar (Our Currency)
as Powerful*

*USA Has Made The Dollar
As A Part of Nature*

*So Let's Ask
Does The USA
Have A Leg To Stand On*

Some Facts

Abraham Lincoln:

- **Made The Dollar**

The Dollar Used To Be:

- More **Solemn**
- or **Quiet**

*It Was Used Bad (Poorly)
and Bad Things
Have Resulted From That*

We **Think** That:

- Lincoln Could Not
- **Read or Write**

That's **Illiterate**

We Went To **School**:

- **A Lot**
- whoa

So:

- **USA Has Made The Dollar**
- **As A Part of Nature**
- and
- **USA Fronts**
- **Christian with No God**
- Then **What Are We To Make of it**

*With No God
and in The Creation
and in Nature
Do We Have To
Live with This*

We **Think** That:

- Lincoln Could Not
- **Read or Write**

More Facts

We, As **Humans**:

- **Need**

We **Need**:

- food to eat
- and
- to prepare it

- we need
- water to drink
- a place to sleep

We All **Have**, as **Humans**:

- **A Body**
- **Shackled To Gravity**

So:

- We Have To
- **Walk The Plain**

- We Have To
- **Make it**
- Day To Day Life
- We Have **No Choice**

*We Have To
Make it*

Then:

- What is
- **Corporate Landlords**

The **Government Says**:

- We Have To **Pay**
- **The Dollar**
- **To Walk The Plain**
- Day To Day Life

*We All **Have**, as **Humans**
A Body
Shackled To Gravity*

*We **Need**
food to eat
and
to prepare it*

*we need
water to drink
a place to sleep*

whoa

And:

- **Corporate Landlords**
- **Owning The Land**

Where Did They Come From

Do We Know Them

Are They:

- **Our Celebrities**

I Don't **Think** So

*Do The **Corporate Landlords**
Own The Land
To The **Center of The Earth***

ENDING

We All Need Nature

And Nature:

- Does Not **Know**
- **The Dollar**

So, There Really is:

- **No Relationship**
- **The Dollar and Nature**

Our **Article** is:

- **The Dollar and Nature**

And There Really is:

- **No Relationship**
- **The Dollar and Nature**

*Nature Does Not Know
The Dollar*

*The Creator Has Made
The Creation*
