This is Our **Article**:

- **The Void Court**

It is **About**:

- **The Court**
- in **USA**

I Am from **USA**:

- and I **Know** that
- We **Have A Court**

This Would Be:

- The **Judicial System**
- in **Government USA**

So, Our Article:

- **The Void Court**
- Tells About **The Fact**
- That **The Court is Void**
- or **Absent**

Another **Word** for **This** is:

- **Limited**
- **Only Limited**

My Story

I Have many **lawsuits**:

- Sitting **with The Court**

In Fact:

***I Have 27 Lawsuits
Sitting with The Court***

This is Over:

- **A Period of Four Years (4)**

Now:

***For These Four (4) Years
The Court is Absent***

This Means that:

***During These Four (4) Years
The Court Has Not
Spoken To Me At All***

Then, This is:

- **The Court is Void**
- like
- **Non Existent**

***During These Four (4) Years
The Court Has Not
Spoken To Me At All***

About The Court Being Void

So:

- **After These Four (4) Years**
- **of Absence**
- **No Relationship**
- then
- **The Court is**
- **in Default**

The Court is Void Means:

***That The Court
Does Not Exist***

***During These Four (4) Years
The Court Has Not
Spoken To Me At All***

This is:

***27 lawsuits
in Four (4) Years
So,
The Court is
in Default***

Then, **The Court Loses:**

- Entirely **Absent**
- **No Engagement**
- **None whatsoever**
- So,
- **in Default**

The Point

If:

- I Have **A Problem with this**
- **The Court Has Not**
- **Spoken To Me At All**
- then
- **What Do I Do**

If:

*I Am
Trying to Continue
To Find Resolve
like
Try to
Get An Audience
with The Court
then
What Do I Do*

I Would Have To:

- **Go To The Court**
- **About it**

For:

*Addressing My Grievances
Wrongs Done
to Me
and
To Country
then
I Write A Lawsuit*

I Write A Lawsuit:

- **Describing**
- **The Court is Void**

*During These Four (4) Years
The Court Has Not
Spoken To Me At All*

Yet:

- If
- **I Write This Lawsuit**
- then
- **Where Do I Take it**

- **whoa**
- **To The Court**
- **omg**

So:

*If
The Court is Bad
and
if I Write it Up
that
The Court is Bad
then
Where Do I Take it*

- **whoa**
- **To The Court**

This Sounds **Terrible**

The Difficulty With This

Well:

- **By Logic**
- if
- **I Write This Lawsuit**
- that
- **The Court is Bad**
- And
- **Take It To The Court**
- Probably
- **They Would Do Nothing**

So:

Since
The Court is Bad
and
The Highest Thing that There is
is The Court
then
The Court
Cannot Go Higher
than
The Court
Itself

Therefore:

- This **Means**
- that
- **The Court is Limited**
- and
- Therefore
- **The Court Has No God**

As:

So Limited
like
Only Itself
then
The Court is
Finite
Not Unlimited

So:

***Not Glorious
and So
Worthless***

***The Court is Void
The Court is Non Existent***
