

Common Arrest Method And Outlook

Author: Thomas Lloyd
TheEvenMind

This is Our **Article**:

- **Common Arrest Method**
- **And Outlook**

It is **About**:

- **Police**
- and
- The **People**

It Refers To:

Here
in Our Society
USA
Our World

Here:

- We Have
- The **People**
- and
- We Have
- The **Police**

We Know:

- The **Police**
- The **Police**
- **Patrol The Street**

This is Their **Job**

About The Police

People **Describe**:

- The **Police**
- As
- The **Police**
- **Patrol The Street**

They **Describe** This As:

- **The Protection**

Even Still:

*Many People Say
There is **No Protection***

Btw:

- What is **Society**
- if
- There is **No Protection**
- whoa

On The Street

So:

- The **Police**
- **On The Street**

If:

*They **See Something**
that
They **Do Not Prefer***

Then:

*They
As **Patrol The Street**
Can
Make An Arrest*

On **The Street**
If The **Police**
See Something

That They **Do Not Prefer**
Then
They Can **Make An Arrest**

The Arrest

When:

The **Police**
Make An Arrest
They
Apprehend The Man

Then They
Put Him
in **The Back Seat**
of **The Car**

Sometimes:

*In **The Back Seat**
of **The Car**
He is **Handcuffed***

The Point

When We **See This:**

- This is
- **Common Arrest Method**

Our **Article** is **Called:**

- **Common Arrest Method**
- **And Outlook**

We Can Call This:

Police Technique

*With This **Method** or **Technique:***

*When **Arrested**
The **Police Decide***

*Is **The Man**
Criminal*

or
Not Criminal

Criminal is Easy

If **Criminal**, then:

- To **Jail**

So:

- if
- **Not Criminal**

if:

Not Criminal
then
What Do They Do

If The Arrested Man
is Not Criminal
then
What Do The Police Do

Police From Personal Experience

We **Know** That:

- if
- **Arrested**
- then
- **Put Him in The Car**

*What We **Have Seen** is:*

*if **Arrested***
then
Put Him in The Car
and
Take Him To
The Mental Health Crisis Clinic

Every Time

Take Him To
The Mental Health Crisis Clinic

The Process Of Drop Off

When The **Police:**

- **Take Him There**
- **Arrested Man**
- They
- **Take Him To**
- **The Inside**

When Inside:

They
Give Him To
Staff There

After That:

They Leave

The **Process Of Drop Off:**

- **Then They Leave**

That's It

We Can Call This:

Police Technique

Review Of Police Technique

Our **Article** is Called:

- **Common Arrest Method**
- **And Outlook**

In:

Review Of Police Technique
We See

Take Arrested Man
Not Criminal
To
The Mental Health Crisis Clinic

**Take Him To
The Inside
Then
Give Him To
Staff There**

After That:

They Leave

The Process Of Drop Off:

- **Then They Leave**

In:

**Review Of Police Technique
We See
Common Arrest Method
And Outlook**

Our Article is Called:

**Common Arrest Method
And Outlook**

At The Mental Health Crisis Clinic

This is Not:

- **Really Important**
- **But We Say**
- **At The Mental Health Crisis Clinic**

Inside:

**The Mental Health Crisis Clinic
Staff
Manages it**

These Are:

Mental Health Staff

Usually:

- **They Take Arrested Man**
- **To A Holding Facility**

It Includes:

Citation 5150

3 day hold

if:

3 days is

not enough

then

Citation 5250

14 day hold

So:

- **We See**
- **Police Technique**

Take Arrested Man

Not Criminal

To

The Mental Health Crisis Clinic

Take Him To

The Inside

Then

Give Him To

Staff There

That's it:

- **Then They Leave**

Police Technique

Our **Article** is Called:

- **Common Arrest Method**
- **And Outlook**

Now The Outlook

In:

- **Common Arrest Method**
- **And Outlook**
- **Then**
- **Now The Outlook**

We Have **Seen** That:

- When
- Police **Arrest The Man**
- **The Him**
- They
- **Determine**

- **Criminal**
- or
- **Not Criminal**

If
Not Criminal
then
Take Him To
The Mental Health Crisis Clinic

We Have **Seen** This

So:

- We **Look at** Here
- **To**
- The **Mental Health Crisis Clinic**

Whoa:

Is That All That There Is

In Truth:

- **Criminal** or **Not Criminal**
- **Both** of These **Are Bad**

We **See This** Here

About Police Accuracy

So:

- The **Police**
- **Here**

- Are **Seen As**
- **Correct Each Time**
- whoa

These would **Be**, like:

Super Odds

Correct Each Time

whoa

The **Point Here** is:

- if **The Man**
- is
- **Not Criminal**
- then

- **What About**
- **A Middle**

What About:

Something

Between

Criminal

or

Not Criminal

What About

A Middle

In A Middle:

Something

Between

Criminal

or

Not Criminal

Less Worry

About Police Accuracy

Ideas On The Arrested Man

if:

- The **Arrested Man**
- is
- **Not Criminal**
- then
- He
- **The Guy**

- **The Him**
- **Arrested One**
- Could Have
- **A Million Different Possibilities**

Ideas On The Arrested Man:

Maybe He
Thinking of his Mom
 or
His Homework
 or
Current Trends

Maybe Even
Preferred Weather
 or
Preferred Location

Whoa:

- **Even A Dreamer**
- **Could Be**
- **Arrested As Bad**

So:

- **What About**
- **A Middle**

A Place:

Not Criminal
and
Not Mental Health Crisis Clinic

What About
A Middle

This is, **Probably:**

- **Most of The World**
- duh

So:

- **What About**
- **A Middle**

We **Think** That:

This is
Something To
Think About

A Middle
like **For**
The Arrested One
The Him

A Common Quote

After World War 2:

There Was
in USA
The Cold War

What **This Was** is:

A Fear of Communism

That is **The Definition** of:

The Cold War

The Cold War Was:

- 1947 To 1991

It Was:

- **Mostly Focused On**
- During
- The 1950s
- and
- 1960s

There Was:

A Lot of Concern
At That Time
About
A Fear of Communism

So:

- It Could Still
- **Be Around Today**

The Signs of:

The Cold War

Were

Fear of

or

Concern About

Possible Qualities

or

Characteristics

of A Person

So, then:

- Remembering **This**
- We **Speak About**
- **Common Arrest Method**
- or
- **Police Technique**

About The Common Quote

We Have **Mentioned:**

- **A Common Quote**

The Common Quote

is From

The Cold War Times

Remember That:

There Was

A Lot of Concern

*At **That Time***

About

*A **Fear of Communism***

So:

- Remembering This
- We Can **See**
- **The Common Quote**

The Common Quote:

*The Cold War
Drove A Wedge
Between
USA Government
And
Society*

This is:

- **The Common Quote**
- From
- **The Cold War Times**

Looking At The Quote

Hey:

- if We
- **See This Quote**
- And We **Remember**
- **Common Arrest Method**
- or
- **Police Technique**

We **Remember** That:

- The **Police Decide**
- Is **The Man**
- **Criminal**
- or
- **Not Criminal**

If:

*Not Criminal
then
Take Him To
The Mental Health Crisis Clinic*

In **This:**

- **Common Arrest Method**
- or
- **Police Technique**

- **We See**
- **No Middle**

No **Other Choice** than:

Jail
or
The Mental Health Crisis Clinic

Even if:

A Man is
Not Criminal
then
Still
He Could Be Placed
in The Mental Health Crisis Clinic

We See
No Middle

Even if:

- **A Man is**
- **Not Criminal**
- then
- **Still**
- He Could Be **Attached**

The Value Of A Middle

If There Was:

A Middle
like
Other Choices than
The Mental Health Crisis Clinic
then
Maybe We Would Not See

A Wedge
Driven Between
USA Government
And Society

Remember **The Common Quote:**

*The Cold War
Drove A Wedge
Between
USA Government
And
Society*

And:

- If This is **True**
- **The Cold War**
- **Drove A Wedge**
- Between
- USA Government
- And
- Society
- then
- **The Wedge**
- **Driven** Between
- USA Government
- and Society
- Would Be
- **Police**

Points To Consider

We Have **Never Seen:**

- Any **Conversation About This**

*The **Police**
Arrest Someone
When They **Want To***

*The **Court**
Does **Know About This***

Common Arrest Method

or

Police Technique

***Common Arrest Method**
is
ad hoc
*carte blanche indulgence**

Common Arrest Method

is
ad hoc
heckler's veto

This is Like:

- There Are
- **No Rules at All**
- Out There

So:

It Seems That
Government Appears
Only One Sided

This Would **Be**:

- Only **Pro Government**
- Only **Selfish**

So:

Government
As
Only One Sided
like
Only Pro Government
Only Selfish
then
That is Egoity

That is:

- An **Individual**

A **Selfish** Group:

- Big shots
- Who only get
- **Things** their way

The People Might **Cry**

The People Might **Feel Neglected**

ENDING

So:

- If We **Hear**
- The People Might **Cry**
- like
- **What About Me**

Then:

- Let's **Avoid**
- **Police Arrest**

If We:

*Wonder How
To **Avoid**
Police Arrest*

Then I Guess:

Act Right
