The Cold War:

President Harry Truman:

Made

The Main Reason:

For Declaring
The Cold War
Was
To Prevent
The Spread of
Communism

In Order:

- To **Prevent**
- The **Spread** of
- **Communism**
- USA
- Had **Foreign Policy Plan**
- Called

The Point:

- **That We Make Here**
- **is**
- **McCarthyism Practiced**
- **Declaring A Person**
- **As Communist**

We **Suggest** That:

- **This Same Method**

- Was Used
- To **Develop**
- **USA Mental Health System**

In:

McCarthyism
A Person
Could Be
Fingered
And Then
Dropped
Like
As A Communist

There Was:

- Very Little
- **Court Access**
- For
- **The Victim**

In:

McCarthyism
A Person
Could Be
Fingered
And Then
Dropped
Like
As A Communist

This Was:

- **Described As**
- **Primary Method**
- **Used**
- **During McCarthyism**

During McCarthy's Time

We Have Said that:

- In **1950**
- **Senator Joseph McCarthy**

- He **Had**
- **A List**

- Of USA **Government Employees**
- **Leaning Towards**
- **Communism**

In **1950:**

- The USA **President**
- Was
- **Dwight D. Eisenhower**

President Eisenhower:

So:

- With **These Two**
- We **Suggest**
- That
- **The Start Of USA Mental Health System**
- Was
- Just The **Continuing of**
- **McCarthyism**

In:

**McCarthyism
A Person
Could Be
Fingered
And Then
Dropped
Like
As A Communist**

The USA Mental Health System:

- **Is Really**
- **The Same Way**

In:

- **USA Mental Health System**
- **A Person**
- **Could Be**
- **Fingered**
- **And Then**
- **Dropped**
- **Like**
- **As A Client**

A Client:

- **Is A Mental Health Person**

ENDING

So:

- **After Showing**
- **These Two**

- **USA Mental Health System**
- **And**
- **Definition of McCarthyism**

- **We Suggest**
- **That**
- **The Start Of USA Mental Health System**
- **Was**
- **Just The Continuing of**
- **McCarthyism**

In:

- **USA Mental Health System**
- **A Person**
- **Could Be**
- **Fingered**
- **And Then**
- **Dropped**
- **Like**
- **As A Client**

There Are:

- **Many People**
- **in**
- **USA Mental Health System**
- **And**
- **We Suggest**
- **That**
- **The Start Of USA Mental Health System**
- **Was**
