

Christian Not Knowing

Author: Thomas Lloyd
TheEvenMind

This is My **Article**:

- **Christian Not Knowing**

It is **About**:

- **Christian**

Christian:

*Was The **Guy**
Who was **Based On Jesus***

Since:

*Jesus Does **Not Exist**
Then
Christian Never Did
Amount To Nothing*

So:

- This **Article** is **Called:**
- **Christian Not Knowing**

If:

*Jesus Did **Not Exist**
Then
Christian Never Did
Know Anything*

Hence:

Christian Not Knowing

Definition Christian

For:

- **Definition Christian**
- I Will Use
- **Description**

We Have:

- **Seen Christian Around**
- **All of Our Lives**

There Are A **Lot** of **Christians Around**

Definition Christian:

- By **Description**
- Is Best **Presented**
- By **Other Definition**
- **Christian Lunge**

Christian Lunge:

*Is Method Commonly Used
By Christian*

Christian Lunge By Description

When:

- We **See**
- A **Lot** of **Christians Around**
- Then
- We Have **Seen**
- **Christian Lunge**

Christian Lunge is:

- To **Lunge**
- For **Conclusion**
- **Too Soon**
- **Before The End**

We Have **Seen** This A **Lot**

Heck:

*Some of Us
May Use it
Christian Lunge*

Christian Lunge is:

- **To Lunge**
- **For Conclusion**
- **Too Soon**
- **Before The End**

This is:

- **Christian Lunge By Description**

The Christians That I Have Known

As We **Know**:

- There Are
- **A Lot of Christians Around**

I Have **Known Some** Too

For example:

*In School
There Were
A Lot of Christians Around*

Well:

*It Has Been
A Long Time
Since I Went To School*

Still:

*If I See
A Christian That I Knew Before
They Remind Me of it*

I Don't Like That

After:

- Like 50 Years

- Don't They **Know**
- That **People Change**

I Think That:

People Develop Over Time

This is Like:

Maturing

People Change

We All:

- **Grew Up**

From:

Youth To Old Age
People Change

I Think That:

People Develop Over Time

Then:

- **My Friends**
- That I **Knew Before**
- Part of **All Christians**
- Do They **Know This**

From:

Youth To Old Age
People Change
People Develop Over Time

This is Like:

Maturing

And, My **Friends:**

From
Like 50 Years Ago
Don't They **Know**
That **People Change**

I **Think** That:

- My **Friends**
- **Stay The Same**

Whoa:

*This is **Not Changing***

*Don't They **Develop***

We All:

- **Develop**
- Like
- Skills
- Traits
- **Qualities**
- Virtues

I **Think** That:

- People **Develop Over Time**

My **Friends:**

- From
- Like 50 Years Ago
- Don't They **Know**
- That **People Change**

They Are:

Christian

Do They Just

Stay The Same

*They **Remind Me:***

Every Time

*About The **School Days***

*I Don't **Like** That*

About Spirit

Spirit is:

- **Something** That We **Know**

For example:

Family Gatherings
Birthday Parties
or New Year's **Celebration**
Spirit is
Something That We Know

Well:

- We **Talk Here** About
- **Christian Not Knowing**

I **Think** That:

- **Christian Not Knowing**
- **Includes Spirit**

Like:

They **Have None**

Go and See

I **Think** That:

- They Have **Never Seen it**

Christian:

Seems To Spend
All Time in Darkness

Christian:

Embraces
Only **Losing**

darkness
obscure
tragic
and
losing

I Have **Spoke About:**

- **Christian Lunge**

Christian:

Is Hasty
Lunging
Anxious

And:

For Conclusion

This:

- **Misses** Most of The **Time**
- **It Comes Up Short**
- or **Abrupt**

So:

Christian
Embraces
Only Losing

We Can't Lose Forever
Whoa

About Not Losing

Day To Day:

- **We Live Our Lives**

We Cannot:

Do Emptiness
Nothing

In Our **Efforts:**

- We Must **Get Something**
- We **Need A Product**

Failure Will Never Do

Coming Up Short:

- Is **Failure**
- Like
- To **Make it**

This is **Agreed On**

In School:

*Everybody Had To **Make it***

And:

*In The **Continuing**
Spirit is Not A Given*

In Our **Efforts:**

- We Must **Get Something**
- We **Need A Product**

*We Have **Seen:***

*People **Lose it***

Sometimes it is:

***In The News**
Like
He Had Spirit Before*

So:

- Since **Christian**
- **Embraces**
- Only **Losing**
- Then He Has
- **No Spirit**

We **See This** Around:

Like in **Christian Lunge**

*hasty
abrupt
tragic
panic
hopeless*

*Since **Christian**
Embraces
Only **Losing**
Then He Has
No Spirit*

Why Christian Loses

I Have Said:

- For **Definition Christian**
- I Will Use
- **Description**

By *Description*:

*Christian is
Christian Lunge*

We See This Around:

Christian Lunge

Christian Lunge is:

- To **Lunge**
- For **Conclusion**
- **Too Soon**
- **Before The End**

So:

- In **Christian Lunge**
- There is **Always Miss**

Christian:

*Is Never With it
Never **Timely**
or **Accurate***

This is **like**:

- Only **Vinegar**

So:

- **Christian Comes Up Short**

The Point is:

- Since
- **Christian Comes Up Short**
- **Every Time**

- Then
- Christian **Never Got To**
- **One**

The **Number:**

- **One**

*An Un-Complete Man
Is Short of A Man*

So:

- There is **Nothing There**

Go and See

Since:

*Not Full
Not Complete
Then
Never Arrived
is
Never Was Made*

*tragic
panic
hopeless
anxious*

We Cannot Construct From These

This is:

Christian Not Knowing

ENDING

This is **About:**

- **Christian Not Knowing**

As **We:**

- **Grow Up**
- like
- **So Much School**
- etc

- Then
- We **Develop**

Like:

Skills

Traits

Qualities

Virtues

As For **Christian:**

- He **Seems To Spend**
- **All Time** in **Darkness**

Oh, The Weight On Christian

Christian:

- **Embraces**
- Only **Losing**

darkness

obscure

tragic

and

losing

He **Thinks:**

- **Anxious**
- Like
- The **end is coming**

This is **Why:**

- My **Article** is **Called**
- **Christian Not Knowing**

I Think That:

People Develop Over Time
