

Legal Interpretation Article

Author: Thomas Lloyd
TheEvenMind

This is My **Article**:

- **Legal Interpretation**

It is **About**:

- **The Declaration of Independence**
- **Preamble**

In The **Preamble**:

- **Declaration of Independence**
- It is **Stated**
- The People Have
- **Certain Unalienable Rights**

These Certain Unalienable Rights:

*Are Written in
The Preamble
Declaration of Independence*

The **Main Three Rights** Are:

- **Life**
- **Liberty**
- And The **Pursuit of Happiness**

So:

- In This **Article**
- Called: **Legal Interpretation**
- I Wish To **Interpret** These **Three Rights**

- **Life**
- **Liberty**
- And The **Pursuit of Happiness**

The Preamble: Declaration of Independence

Briefly, I Want To Include Here:

- The **Text** From
- The **Preamble**
- **Declaration of Independence**

*It is Like **One Quote**:*

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness

This is The **Quote** That I **Wish To Interpret**:

- **Certain Unalienable Rights**
- **Life**
- **Liberty**
- And The **Pursuit of Happiness**

About The Three Rights

We Have **Read** This **Text Quote** Before

*Ever Since We Are **Kids**:*

*They Have **Shown This Text** To Us*

*So We **Know This Quote***

The **Three Rights**:

- **Certain Unalienable Rights**
- **Life**
- **Liberty**
- And The **Pursuit of Happiness**

Growing Up Here

Here, in **USA**:

- We Are **Raised As Kids**

- Starting at Age 5
- We Start **School**

- We Grew Up with **This**
- And It Was **Everywhere**

*This Was **Life***

We Did it:

*Go To **School***

We Did it:

*As it Was
Presented To Us*

There Was:

- **GOP High School Mandate**

So:

*From Age 5 To Age 18
We Went To **School***

*5 Days A Week
From Beginning To End
Each Weekday
Every Week
For
13 Years*

*Absolutely **Everywhere**
USA*

So:

- We **Finished** That
- In Our **Youth**

*13 Years in The **Classroom**
Each and Every **Day**
Until **High School Graduation***

Then:

- At Age **18**
- We Started **Life**

Us After High School

After **High School Graduation:**

- It Was Probably **Called**
- **Adult Life**

Having **Completed High School:**

- 13 Years of **Constant Work**
- It Was Probably **Called**
- **Adult Life**

We Completed:

*Study Assigned Under
GOP High School Mandate*

*Certified Schools
Certified Teachers
Assigned Curriculum
Completed*

We Got:

No Pay

Our Youth:

*13 Years
Age 5 To Age 18
Finished
Completed
Spent
Under Government Assignment*

So:

- After **High School Graduation**
- It Was Probably **Called**
- **Adult Life**

The Three Rights

*After High School Graduation
In Adult Life
We Would Consider
The Three Rights*

- **Life**
- **Liberty**
- **And The Pursuit of Happiness**

Then:

Looking At The Three Rights

Life

Liberty

And The Pursuit of Happiness

I Would Wish To Interpret Them

About Life

The First of The Three Rights:

- **Life**

As I See it:

Life is:

A Place To Live

Food

Water

A Bed

Friends and Acquaintances

Relationships

And Community

So:

- **Given A Definition Here**
- **Life is Up To Us**

We All Must:

- **Provide For Ourselves**

Life is Up To Us

Making A Life

As I See it:

- **We Must Make A Life**

If:

- We **Make A Life**
- And **Sustain it**
- like
- **Keep it Up**
- With **No Complaints**
- Then
- We **Get Liberty**

Liberty:

Is The Second Right

Life

Liberty

And The Pursuit of Happiness

Since:

- **Life is Up To Us**
- If We
- **Provide For Ourselves**
- We **Get Liberty**

About Liberty

I Define Liberty:

- **If**
- We **Make A Life**
- And **Sustain it**
- If We
- **Provide For Ourselves**
- We **Get Liberty**

This is:

- By **Providing For Ourselves**
- We **Graduate To**
- The **Managers Job**

If We:

Provide For Ourselves

We Go To

The Managers Job

We Manage Our Own Life:

Keep Up The Life
With No Complaints
The Managers Job

Each and Every One
USA

More About Life

In The Life:

- We All Must
- **Provide For Ourselves**

*There is A **Famous Quote:***

There is No Such Thing
*As A **Free Lunch***

*This **Means That:***

Somebody Pays
For Everything

There is No Such Thing
*As A **Free Lunch***

We All Must:

- **Provide For Ourselves**

*So **Life** is:*

A Place To Live
Food
Water
A Bed
Friends and Acquaintances
Relationships
And Community

For Each One of Us
Everybody USA
*This is **Life***

If We:

- **Cover Our Action**
- Which is
- **Provide For Ourselves**
- Then
- We **Have A Life**

If:

- We **Maintain Our Life**
- like
- **Provide For Ourselves**
- On and On and On
- With **No Complaints**
- Then
- We **Manage Our Life**

If:

We Manage Our Life Successfully

Then

*We Are **The Manager***

Of Our Life

The **idea** of:

- **Manager of Our Life**
- Has **Liberty in it**

So:

*The **Liberty** That We **Earn***

*By **Managing Our Life Successfully***

*Is **Liberty***

Earned By Us

*This is **Our Liberty***

It Comes With:

*The **Managers Job***

Done Successfully

About Our Liberty

So:

- We Can **Have Liberty**

If **Liberty is There:**

- We Can
- **Spend it**
- or
- **Not Spend it**

If:

We Have Liberty

Earned Liberty

Then

We Can Spend it

If We Want To

*It is **Our Liberty***

The Highest Liberty

In This **Article:**

- I Interpret
- The **Preamble**
- **Declaration of Independence**

If We **Have Liberty:**

- The **Highest Liberty**
- is
- The **Pursuit of Happiness**

*The **Three Rights:***

Certain Unalienable Rights

Life

Liberty

The Pursuit of Happiness

Right Three is:

- The **Pursuit of Happiness**

So:

If We

Pursue Happiness

With No Complaint

That is Us

Spending Our Liberty

*The **Highest Liberty***
is
*The **Pursuit of Happiness***

There is **A Quote:**

- Everybody Wants
- Friends
- That Pay Their Own Way

So:

*If We **Spend Our Liberty***
We Hope That
*It is **Well Spent***

*This is **Life On Earth***

ENDING

So:

- I Have **Interpreted**
- The **Preamble**
- **Declaration of Independence**

The **Three Rights** Are:

- **Certain Unalienable Rights**
- **Life**
- **Liberty**
- **The Pursuit of Happiness**

*If We **Have A Life***
*If We **Maintain Our Life***
*Then We **Earn Liberty***

*The **Highest Liberty***
is
*The **Pursuit of Happiness***

This **Covers The Three Rights:**

- **Life**
- **Liberty**
- **The Pursuit of Happiness**

*I **Think That It Is Possible***
*To **Live A Life That Is OK***
