

## Bad Topic Change

Author: Thomas Lloyd  
TheEvenMind

This is My **Article**:

- **Bad Topic Change**

It is **About**:

- **Topic Change**

*When We Are:*

*Having A **Conversation**  
**With** Someone  
We **Stay** with  
The **Current Topic***

*This Could Be Like:*

***Anything**  
The News  
The Weather  
Current Events  
Or Even  
How We **Feel***

When We Are:

- Having A **Conversation**
- **With** Someone
- We Usually **Continue Ok**

*That's How **Conversation** Goes:*

*We **Stay** with  
The **Current Topic***

**So:**

- When We Are
- Having A **Conversation**

- **With** Someone
- The **Last Thing** We **Want** is
- Someone To
- Suddenly **Change The Topic**

This **Article** is **About**:

- Suddenly **Change The Topic**

*This Article is Called:*

***Bad Topic Change***

## **Regular Conversation**

In **Conversation**:

- Like
- When We Are
- Having A **Conversation**
- **With** Someone
- Things Usually **Go Smoothly**

*We May:*

***Talk** About*

*This or That*

*And Things Usually **Go Smoothly***

**However:**

- I have **Seen** Too Much
- Someone To
- Suddenly **Change The Topic**

*For example:*

*I Can Be **Talking** with Someone*

*And People*

***Outside** The Conversation*

*Just **Shout Things***

What I **Mean** is:

- People **Shout Things**
- **Other** Than The **Current Topic**
- Of The **Conversation**

**Whoa:**

*Sometimes it is Like  
They Are **Hurling Objects***

**So:**

- When **In A Conversation**
- Nobody **Likes**
- Someone **Else**
- To **Intrude** in The **Conversation**

**Whoa:**

*It is Like  
They Are **Trying**  
To **Take Over**  
The **Conversation***

**And:**

- We **Agree**
- In A **Conversation**
- Nobody **Wants**
- Somebody **Else**
- To **Take Over**
- The **Conversation**

*We Usually Like  
To **Continue**  
The **Current Topic**  
In A **Conversation***

*A **Sudden Intrusion**  
In A **Conversation**  
Is Usually **Not Pleasant***

## **Unfortunate Incidents**

I Have **Said** that:

- A **Sudden Intrusion**
- In A **Conversation**
- Is Usually **Not Pleasant**

*In A **Conversation**  
Nobody **Wants**  
Somebody **Else**  
To **Take Over***

## The Conversation

- We Usually **Like**
- To **Continue**
- The **Current Topic**
- In The **Conversation**

### And:

- The **Article**
- Is **About**
- **Topic Change**

### So:

*Sometimes We See  
A Sudden Intrusion  
In A Conversation*

### And:

*Some of These  
A Sudden Intrusion  
Are  
Unfortunate Incidents*

### This is The Article:

- **Bad Topic Change**

*When:*

*Someone Tries  
Changing The Topic  
In A Conversation  
By Intruding  
Even Suddenly  
This is  
Bad Topic Change*

We Have **Seen** These

The **example** is:

- **Forceful Intrusion**

*Whoa:*

*When In A Conversation*

*And Someone **Intrudes**  
Like **Sudden**  
It is Sometimes **Viewed As**  
**Forceful Intrusion***

We Have **Seen:**

- When **In A Conversation**
- And Someone **Intrudes**
- Like **Sudden**
- With
- A **New Topic**

*People:*

*Sometimes **Intrude**  
In A **Conversation**  
With **Something Else***

We Have **Seen:**

- When **In A Conversation**
- And Someone **Intrudes**
- They Are **Trying To Put**
- A **New Topic**
- **Other** Than The **Current Topic**

*This is  
**Bad Topic Change***

We Have **Seen:**

- **Intrusions in Conversation**
- As
- **Unfortunate Incidents**
- Like
- **Forceful Intrusion**

*In **Conversation:***

*The **Current Topic**  
Is **Considered**  
**Continuing***

**So:**

- Sudden **Intrusion**
- Like

- **Forceful Intrusion**
- **With Intent**
- **To Change The Topic**
- **Is Bad**

*This is  
Bad Topic Change*

**I Think That it is Wrong**

## **The Gatekeeper**

**By Definition:**

- **The Gatekeeper**
- **Has Responsibility**

*The Gatekeeper Guards The Gate*

**Often Times:**

- **We Have Responsibility**
- **As Gatekeeper**

**The Main Duty:**

- **For Gatekeeper**
- **Is**
- **Don't Let The Bull**
- **Into The China Shop**

*This is:*

*A Responsibility  
That We Often Have  
As Gatekeeper*

*Gatekeeper Responsibility  
Is  
Don't Let The Bull  
Into The China Shop*

**And, Also:**

- **Even Worse is**
- **Don't Side with Someone**
- **Who Lets The Bull**
- **Into The China Shop**

*This is:*

*Don't Support*

*A Person*

*Who Lets The Bull*

*Into The China Shop*

- The **Bull** In The **China Shop**
- Upon **Entering**
- Is A **Change of Topic**

*A Sudden Intrusion*

*In A Conversation*

*Is Usually Not Pleasant*

*Gatekeeper Responsibility*

*Is*

*Don't Let The Bull*

*Into The China Shop*

*Don't Support*

*A Person*

*Who Lets The Bull*

*Into The China Shop*

- The **Bull** In The **China Shop**
- Upon **Entering**
- Is A **Change of Topic**

*This is*

*Bad Topic Change*

*Don't Let The Bull*

*Into The China Shop*

## **Changing The Topic**

**If:**

- A **Conversation** is
- **Going On**
- And
- We Want To Say
- Or **Input**
- **Something Else**
- Then
- Don't **Change The Topic**

*A Sudden **Intrusion**  
In A **Conversation**  
Is Usually **Not Pleasant***

If:

- We Want To **Say**
- Or **Input**
- **Something Else**
- Then
- **Introduce The Idea**
- Like
- A **New Topic**

*A **Change of Topic:***

*Not **sudden**  
Not **violent**  
Not **other***

For example:

- If
- **New Topic**
- Would Be **Interesting**
- Then
- **Introduce it**

*In **Conversation:***

*The **Current Topic**  
Is **Considered**  
**Continuing***

*We **Need This:***

***Continuing**  
In **Conversation***

So:

- Don't **Bomb The Conversation**

***Gatekeeper Responsibility**  
Is  
Don't **Let The Bull**  
**Into The China Shop***

*That is For All of Us:*

*Don't Let The Bull  
Into The China Shop*

**Gatekeeper:**

- Don't **Introduce**
- **Fear**
- Into The **Flock**

*Sudden Change  
Like **Intrusion**  
Could Change The Topic*

*That Can **Result** in:*

***Shocking***

*This is  
**Bad Topic Change***

**Topic Management**

**We See:**

- **Topic Management Around**

*People **Manage** Their **Topic**  
**All of The Time***

**In Writings:**

- Like
- In The **News**
- They Have **Topic**

*Each **Story**:*

*Usually Has A **Topic**  
Like  
In **Writings***

**When:**

- We **Read A Story**
- The **Story**
- Never Suddenly **Change The Topic**

*Afterall:*

*The **Interest** of The **Reader**  
Is **Considered***

**So:**

*In **Writings**  
We **See**  
**Topic Management***

## **Ideas Of Change The Topic**

### **Change The Topic:**

- Is **Not**
- The **Main Thing** That We **Do**
- No

*When We Are:*

*Having A **Conversation**  
**With** Someone  
We **Stay** with  
The **Current Topic***

### **However:**

- Sometimes
- We **See Around**
- **Errors**
- In **Topic Management**

*For example:*

***Forgetting and Neglect***

**Whoa:**

*Have We **Seen These** Around*

Sometimes:

- It is **Hard**
- When We **See These**
- **Forgetting** and **Neglect**

***Forgetting The Topic:***

*Like*  
**Saying** Something  
That We **Don't Think Of**

***Forgetting The Topic:***

*Like*  
To **Change The Topic**  
By  
Not **Sustaining it**

**We Have Seen:**

- In **Conversation**
- The **Decay of Topic**

*The Decay of Topic*  
*The Decay of Company*  
*Can Cause*  
*Change The Topic*

**A Topic:**

- Has **Topic Stuff** in it

**Other** stuff  
*Is*  
**Other** stuff

**It is:**

- Not **Fun**
- When
- **Speaking** with **People**
- That Someone
- **Forgets The Topic**

*In:*

**A Topic**  
We Cannot **Say**  
Just **Anything** That We **Want**  
No

## **Neglect Of Topic**

Sometimes:

- We See **This**
- **Neglect Of Topic**

This is:

- **Like**
- Not **Treating A Topic**
- **Good Enough**

*If:*

*Someone is  
Not **Treating A Topic**  
**Good Enough**  
Then  
This Could **Imply**  
**Signs of Neglect**  
On The **Topic***

**Examples:**

- **Signs of Neglect**
- On The **Topic**
- Like
- Not **Treating A Topic**
- **Good Enough:**

*Pet maintenance  
Proper housekeeping  
Or General health*

It is:

- Not **Fun**
- To **See**
- **Neglect of Topic**

**ENDING**

So:

- We Have **Discussed**
- **Change The Topic**

The **Article** is:

**Bad Topic Change**

The **Topic**:

- In **Conversation**
- Is **Important**

We **Cannot**:

**Talk of Nothing**

The **Topic**:

**In Conversation**  
**Is Important**

In **Conversation**:

- The **Current Topic**
- Is **Considered**
- **Continuing**

We **Need This**  
**In Conversation**

When We Are  
Having A **Conversation**  
**With** Someone  
The **Last Thing** We Want is  
Someone To  
Suddenly **Change The Topic**

Suddenly **Change The Topic**:

Usually **Seems**  
**Shocking**  
Or Even **Violent**

Suddenly **Change The Topic**:

- Is like
- Trying To **Put in Stuff**
- That is
- **Other** Than The **Topic**

Usually  
We Don't **Like This**

**In Conversation:**

**The Current Topic**  
**Is Considered**  
**Continuing**

**We Need This**  
**In Conversation**

**Suddenly Change The Topic**  
**Is Usually**  
**Bad Topic Change**
