

A Summer Prayer

Author: Thomas Lloyd

Here is A Little **Piece** About **Summer**:

- **A Summer Prayer**

It is **Summer**, Now

We Still Do **Have**:

- **Some** of it **Left To Enjoy**

*Actually, **Now**:*

*It is Getting **Towards**
The **End** of **Summer**
Yet, **Still**
Summer is Here!*

*I **Hope** that:*

*You Are **Having**
An **Ok Summer***

Some Thoughts About Summer

I Have **Had**:

- **A Good Summer** So Far

Just like:

***Most** of the **Summers**
Before this One
It's Been
A Good Summer So Far*

I **Watched**, Earlier This **Year**:

- As The **Summer**
- Came in
- When the **Spring Finished**
- And **Still**
- The **Good Weather Continued**

So I:

- **Pulled Out**
- Some of My
- **Summer Clothes**

I Have:

Clothes

That I Only Wear in Summer

Shorts

T-Shirts

*My Baseball **Hat***

And, **Also:**

- **I Reveled**

I Reveled At:

*The **Thought** of*

*Doing **All** of The **Things***

*That **Summer***

*Has To **Offer***

For example:

- In **Summer**
- There's So Much
- Less **Worry**

And:

*When The **Weather** is*
Warm

*Like in **Summer***

*Then I Can **Always***

Think** of Something To **Do

*And We Still Do **Have:***

Some** of it **Left To Enjoy

Giving Thanks for Summer

I Have **Enjoyed:**

- The **Summer So Far**

*And I Do **Hope** that:*

*It is
One **Good Summer**
With **Many More** like it To **Come!***

So Far:

- With **This Summer**
- We For Sure **Have**
- Some **Good Memories**

I Have Had **Fun** This **Year**

And We Always **Want** to:

- **Remember Summer**
- As A **Fun Time**

*We Do **Know** that:*

*This **Summer** Will **End***

*All of The **Seasons** Do **End***

Yet:

*Since **This Summer**
Will Eventually **End**
Then I **Think** that
It is A **Good idea** to
Take A Minute and
Give Thanks for The **Summer***

This Summer:

*It is **Warm***

So, Being **Warm:**

- **This Summer** is
- **Away** from
- The **Cold**
- The **Wind**
- And The **Snow**

Therefore, I **Think** that:

- **This Summer**
- It is **Good Enough**
- For
- **Giving Thanks** for **Summer**

This Summer:

*It is **Warm***

Summer's Pretty Things

There Are:

- A Lot of
- **Pretty Things**
- To **See** in **Summer**

For example:

I Like

*The **Beach** in **Summer***

*I Didn't **Get To:***

*Go **There This Year***

*As Much As I **Wanted To***

But

I Do Like

*The **Beach** in **Summer***

Even Though:

- I Didn't **See The Beach Much**
- This **Year**
- Well
- That Doesn't **Mean** that
- It Wasn't A **Good Summer**

Still:

- I Feel **Pretty Good**
- About The **Summer**
- And So
- I Like The **idea** of
- **Giving Thanks** for **Summer**

This Year
*I Have Found **Enough** of*
*Summer's **Pretty Things***

And So:

*I Like The **idea** of*
***Giving Thanks** for Summer*

Some Summer Wishes

This Summer Has Been:

- **A Good Summer** for Me

*I Feel **Pretty Good***
*About The **Summer***

So, then:

- I Have **No Problem** with
- Wanting To
- **Give Back**
- Or
- **Thanking Summer**

This is Like:

*A **Summer Prayer***

*I Would **Do This**:*

Thanking Summer
By
*Some **Summer Wishes***

So:

- **Here Are A Couple** of
- **Summer Wishes To Share**

*I **Hope that**:*

Everybody Has
A Good Summer

Three Summer Wishes

*I Hope That
In the **Rest** of This Year
That You Make No **Mistakes***

***Cheers, To This Summer**
And Another **Chance** for Us
To **Get It Right***

*Wishing You
Good **Health, Happiness, and Success**
In **This Season** and Always*

***Thanking Summer**
By
Some **Summer Wishes***

Looking Back On Summer

Since We **Know** that:

- **Summer** will **End**
- We Can **Still**
- **Think** About **Summer**

*We **Know**:*

*How **Good** it is
To **Enjoy Summer***

Afterall:

*At Least for Me
Summer is Not
As **Cold** as **Winter**
brrrr*

This Summer:

- The **idea** of
- **Thinking Free**
- And
- Feeling **Light Hearted**
- Are All
- **Common Things** that We **Feel**
- During The **Good Time**

And:

- Even Though
- The **Summer** will **End**
- We Still **Know** that
- Our **Feelings** About **Summer**
- Are **Real**

*We **Remember** Things Like:*

*A Good Summer
Time at The Beach
Summer's Pretty Things
Summer Wishes*

*We **Remember:***

Good Things

So:

- Before **This Summer Ends**
- We Want To
- **Pause**
- And **Take A Minute** for **Summer**

*This Can **Be:***

*A **Summer Prayer***

Wanting Summer

As The **Summer:**

- **Continues**
- Going On
- It is **Good** To
- **Reflect** On Our **Summer**

*It is **Good** To:*

*Be in **Touch** With
Our **Thoughts** and **Memories** from The **Summer***

*We Do **Want:***

*The **Summer** To Be
With Us*

*We Want To **Be**:*

*In **Touch** With
Us And **Summer***

In:

- Our **Thoughts** and **Memories** of **Summer**
- We Could **Remember**
- The **Good Things**

*We Could **Remember**:*

*A Good Summer
Time at The Beach
Summer's Pretty Things
Summer Wishes*

*And We Could **Remember**:*

*That We **All**
Love Summer
Probably **Since**
A Long Time*

*I **Think** that:*

***Summer** is Probably
The **Best Time** of The Year*

*And, **Yes**:*

***Summer** is, Also
Still **Here!***

Yay

Praising Summer

Summer:

- Hey
- We Are **in it**
- **Now**

***Summer** is:*

*Still All **around Us***

So:

- If We
- Have, **Now**
- A Little
- **Summer Moment**
- Or A **Minute** for **Summer**
- Then Let's **Say**
- **Thank You** To **Summer**

*Thanks, **Summer**, for **Summer**!*

Wondering About Summer

Is Summer Ok?

*Has Our **Summer** Been **Good**?*

As The **Summer**:

- **Winds Down**
- Then We Can
- **Think** and **Reflect** On
- Our **Memories** of **Summer**

Then:

As We
Remember Summer
We Can **Remember**

How We
Add Our Memories of Summer
To Our **Collection of Good Memories**

*We All **Have**:*

*So Many **Memories**
From **Things Good***

*We Can **Wonder**:*

*Did it **go** good enough?
Did I **like** The Summer?
Did I **do** enough?
Was it **fun** enough?
Was it **enough** To **Remember**?*

For Sure:

- It Was
- A **Good Summer** for Me

And It is **Great**:

- That
- We Are **All Still Here**
- **Together**
- After So Much
- **Talk On Summer**

ENDING

So:

- We Do Already **Know** that
- The **Summer Will End**

Still:

*We Can **Rejoice***

As The **Summer**:

- **Winds Down**
- Still, We Can
- **Think** and **Reflect** On
- Our **Memories** of **Summer**

And We Can:

Stay in Touch with Us

We Can:

- **Stay in Touch**
- And
- Take Good **Care** of Ourselves
- Until
- This Time **Next Year**
- **Next Summer**

Then:

*When We **All***

Meet Again Here

*Here At This **Place** (lol)*

And
We **Remember Summer Again**
Together One More Time
Then We Can
Rejoice Again Too

If We **Do Good**, then:

We Can
Do This Again
Many, Many **Times More!**

Yay

Until Next Summer!
