

Focused Continuing

Author: Thomas Lloyd
TheEvenMind

This is My **Article**:

- **Focused Continuing**

It is A:

Simple Article
About
Getting Our Tasks Done

When We:

- **Do Our Tasks**
- We Want To
- **Get Them Done**

*We Usually **Don't**:*

Start A Task
That We Don't Want
To Finish

When We:

Do Our Tasks
We Want To
Get Them Done

So:

- **Focus Plays A Part**
- For Us
- In **Doing Our Tasks**

In This Article:

*We Can **Talk A Little***
About
*A **Helper** For Us*
*With Our **Tasks***
Pg 1

*This **Helper**:*

*For Us
Is **Based** On
A Single **Term***

*Let's Go **See***

Our Daily Tasks

Often For **Us**:

- During Our **Day**
- We **Find** Ourselves
- **Doing** Something

By:

***Doing** Something
I Mean
Like
Proceeding
Proceeding Along*

For example:

- In Our Everyday **Tasks**

*We Might **Think** Of:*

*Chores and Duties
That We **Do**
Proceeding
Proceeding Along*

*Our Daily **Tasks**:*

*Like
Everyday **Tasks***

When We:

- **Do** Our **Tasks**
- We Want To
- **Get** Them **Done**

So:

*Focus Plays A Part
For Us
In **Doing Our Tasks***

When We:

- **Do Our Daily Tasks**
- With
- **Proceeding**
- Proceeding Along
- We **Find**
- **Continuing**

In The:

*One **Step At A Time**
Process Of Our Tasks
We **Find**
Continuing*

This is:

***Proceeding**
Proceeding Along*

So We **Find:**

- **Focused Continuing**
- Along The **Way**
- In Our **Day**

This Article is Called:

Focused Continuing

A Related Article

I Have:

- Another **Article**
- A **Related** Article
- Called
- **The Idea Of Single-Tasking**

This Article is About:

Doing Our Tasks

In The **Article:**

- **The Idea Of Single-Tasking**
- We See

Doing A Task

Alone

Like

Doing One Task

Alone

Many **Tasks:**

- Are **big** enough
- To **do alone**

So We Might Want:

Help with Focus

For example:

Sometimes we really want

*To **get** it right*

*To **Do** it right*

Then:

- The **Idea Of Single-Tasking**
- Is An **Option**
- For this

Doing One Task At A Time

Sort of Like:

Uniquely

Single

Or

Alone

Doing One Task By Itself

So:

- The **Idea Of Single-Tasking**
- May Be **Helpful**

Avoiding Error

In Most **Tasks**:

- **Error** Could **Occur**

*In almost any **task**:*

*We must **pay attention***

The:

- **Order** and **process**
- Of the **task**
- **Requires** us
- To **pay attention**

*We **have to**:*

Do it right

For it to

Come out right

*We **Know This***

So:

- To Avoid **Error**
- **Focus Helps**

***Error** Could **Occur**:*

*In almost any **task***

*We must **pay attention***

The Helper Idea

I Said About:

- An **Idea To Help Us**

Pg 5

*A **Helper** For Us
With Our **Tasks***

*This **Helper**:*

*For Us
Is **Based** On
A **Single Term***

*I Want to **Share** This*

The **Helper Idea** is:

- The **Idea** of
- **Opportunity Costs**

*This **Term**:*

***Opportunity Costs**
Is A **Term**
From **Economics***

***Economics** is:*

*A **View** and **Science**
Of The **Market***

***Interpreting** The **Market**
And **Describing** it*

Sometimes:

***Economics** is
Participating in
Defining The **Market***

So:

- **Economics** Has
- The **Term**
- **Opportunity Costs**

Actually:

*This **Term** is **Simple***

*We Can **Tell**
By its **Simple Name**
Opportunity Costs*

Also:

- It is **Defined**
- In A Simple **Phrase**

When I:

***Share The Phrase**
For **Opportunity Costs**
Then This is
The **Helper Idea***

Stating The Phrase

The **Term:**

- **Opportunity Costs**
- Is **Stated** in
- The **Phrase**

*When You **Do**
One Thing
You Don't **Do**
Everything Else*

This **is:**

- **Opportunity Costs**

Every:

***Task that we do**
Includes
The **stuff** that goes **with** it*

*It Does **not include:***

***Stuff** that
Does **not go** with it*

This is, **then:**

- The **Term**
- **Opportunity Costs**

*When You **Do**
One Thing
You Don't **Do**
Everything Else*

The **Term** is:

- **Opportunity Costs**

ENDING

The **Term**:

- **Opportunity Costs**
- Can be **helpful**
- For **us**
- In **Doing** our **tasks**

This Article is:

Focused Continuing

With The **Term**:

- **Opportunity Costs**
- Then we can **see**
- And hopefully
- Better **manage**
- **Viewing** our **tasks**

This Can Help Also:

*With Staying **focused**
While **Doing** the **tasks***

Plus:

*This can **help** us with
Getting our **tasks done***

*The **Term**:*

***Opportunity Costs**
Is also **seen**
Related to
The **Idea Of Single-Tasking***

This is:

*Doing **One Thing At A Time***

This is:

*The **Helper Idea***
