The **Idea** of:

- **Feeding** The **Masses**
- With
- Just **One Idea**
- Best **Example** Is
- A **Hungry Beast**

So:

With A **Question**
Like
To **Ponder***

Who is:

- That **Poses**
- This **idea**

Or:

*What **kind** of **person**
Would or Could
Offer this **idea**
Feeding The **Masses***

The **Hungry Beast**
That **Poses**
This **idea***

An Example

I have **seen**:

- This **Idea** of
- **Feeding** The Masses
- With
- Just **One Idea**

A few examples:

A lunging madman

Like

On the street

*We Have **Seen** These*

Is He **Just**:

- Someone **trying** to **get**
- 2 out of 1

If We:

***See** Him*

Like

*The **Hungry Beast***

Does He Use

*This **Idea***

*The **Idea** of*

***Feeding** The Masses*

With

Point To Ponder

Value of An Idea

If:

- Someone **Has**
- A **good idea**
- Then
- **Value of An Idea**

How **much** can we:

Get from it

This is **like:**

- How **long** does it **last**
- How **big** is it
- A **good idea**

Also:

Does it **have**
Intention
Like
A **design**

Does The **Good idea:**

Have an
Already **made use**
Or **Application**
A Design

Some **ideas, like:**

Good ideas
Are **specific**
Like
For a **particular purpose**

So:

- If we **see**
- A **Good idea**
- Then
- Maybe it is
- Already **took**

Maybe it is:

- Already **planned**
- For a **use**

*This might **seem** ok*

*We Must **Consider**:*

Value of An Idea

Dealing With An Idea

If There is:

- A **good Idea**

If someone:

***Sees** it*

Like

Stranger on the street

A hungry ghost

*Or **madman***

Then:

*How **much** can we*

***Get** from it*

Dealing With An Idea

What **About**:

- **Possession of Idea**

***Whose** idea is it:*

*What is its **purpose***

What is its use:

*Do we **have**
Any **preference**
Direction*

About Preference

What **About:**

- If someone **Lunges**
- For a **good idea**
- Like
- From **someone else**

Hey:

*There might be
Preference about it*

*Some **guys:***

Like** their **good idea

So:

- What are the **chances**
- A **good idea**
- And
- **Feeding** The Masses

*If a **stranger:***

***Lunges** for
The **good idea**
Is it **just**
Someone **trying to get**
2 out of 1*

*It is probably **hard:***
