This is My **Article**:

- **The Two E's**

*It is **About**:*

*The **Two E's***

*The **Two E's** Are:*

***Exploration***

*And*

***Experimentation***

*This is **Simple**:*

*To **Put***

*So*

*Let's Have A **Look***

## **E's Location**

Well:

- This is **About**
- **USA**

So:

*The **Two E's***

*Refers To **USA***

Then:

***USA** is*

***E's Location***

*There Are **Two E's***

## USA History

I Have **Shown** that:

- USA **History**
- Is **Questionable**

*The Main Reason for This:*

*The First **President**  
George Washington*

*I **Think** that:*

*It is A **Fraud Joke**  
The First **President***

*I Wrote An **Article**:*

***About** It Called  
**On George Washington***

**So:**

- On
- USA **History**
- I **Think** that
- USA **History**
- Is **Questionable**

*I **Think** that:*

*It is A **Fraud Joke**  
The First **President***

## Real USA History

If:

- The First **President**
- Is Not **Real**
- Then
- USA **History**
- Is **Questionable**

So:

*What **About**  
Real USA History*

Well:

- This Would Be
- Convenient **Time**
- To **Mention**
- My **Article**

*This **Article** is **Called:***

*The **Two E's***

*The **Two E's** Are:*

*Exploration  
And  
Experimentation*

**So:**

- If I Can
- Stay **Out** of The **Way**
- And Just **Offer This**
- Then Ok

*I **Think** that:*

***Real USA History**  
Is **Only**  
The **Two E's***

*The **Two E's** Are:*

*Exploration  
And  
Experimentation*

**About The Two E's**

If George Washington Was:

- No **Good**
- Not **Real**
- Then

- The **Two E's**
- Are **Real**

*The **Two E's** Are:*

*Exploration  
And  
Experimentation*

*People **Tried**  
People **Worked**  
They **Cared**  
And **Built** USA*

***Actual** Can Go **With This***

**But:**

- If **Only**
- Exploration
- And
- Experimentation
- Then
- **Real USA History**
- Is Only **This**

*Exploration  
And  
Experimentation*

*People **Explored**  
People **Experimented** with Things  
Yet  
Actual **Roots** Are Not **Solid***

*We **Wonder:***

***Real USA History***

## **The Longing**

What Do We **Have:**

- To **Hold**
- To **Cherish**
- To **Pass On**

*It is **Easy To See**:*

*Exploration  
And  
Experimentation  
Is **All** That We **Put** There*

## **Conclusion**

**Results** Matter

*USA **History**:*

*Is **Wars**  
Immigrants  
**Deception**  
Politics*

*This is All **BS***

***Neglect of The People**:*

*Is **Easy To See***

Nobody **Knows** Much:

- Whoa
- There's A **Lot** of **Variety**

*And, Since:*

***Nothing** is Really **Put**  
Then **Only**  
Exploration  
And  
Experimentation*

*The **Two E's***
