

Bird Food

Author: Thomas Lloyd
TheEvenMind

This is My **Article**:

- **Bird Food**

It is About:

Coming Up Short

What I **Mean** is:

- When We **Do** Things
- Like A **Task**
- We Want To
- **Finish** it

Most:

Tasks That We Do
We Intend To **Finish**
Complete

By **Tasks** I Mean:

Like
Make Coffee
Clean The Dishes
Or
Take Out The Garbage

Most:

Tasks That We Do
We Intend To **Finish**
Complete

Well:

- If We
- Don't **Finish**
- Then That is
- **Coming Up Short**

Short of Complete:

Is Called

Short

Or

Coming Up Short

So This Article:

Bird Food

It is About

Coming Up Short

I Will Explain More

Example Story

Let Us Use:

- An **Example** Story

This Can Serve:

As An Example

Coming Up Short

Look:

- There is A **Guy**

Let's Say that:

Guy Does A Task

Like

Be in Conversation

Guy is:

In A Conversation

While:

- **In** A Conversation
- **Guy** Doesn't
- **Do** Much

He is:

Around

Like **Present**

In Conversation

But Doesn't

Do Much

The **Others:**

In The Conversation

Are **Aware of Guy**

But **Continue** Along

In The Conversation

The Conversation:

- **Continues**
- **With** The People
- But **Guy**
- Doesn't **Do** Much

Not Super **Present:**

In The Conversation

Guy

Since:

- The Conversation
- **Continues** Along
- I Will **Show** Here
- About The
- **Coming Up Short**

When We **Do** Things:

Like A **Task**

We Want To

Finish it

Even In

A **Conversation**

Continuing This

Well:

- We **Speak** of **Guy**

As:

*The Conversation
Continues Along
Guy is
Not Super **Present**
In The Conversation*

Then:

- After **Time**
- **Some** Time
- Guy **Comes Up**

*Guy **Shows:***

*In The Conversation
Guy **Comes Up***

Well:

- Usually When
- We Do **Show**
- Like
- **In** A Conversation
- We **Participate**

For example:

*We **Say** Something*

*We **Might:***

***Contribute**
Agree with Someone
Or Just
Say Something*

Well:

- In Our **Story**
- **Example** Story
- About **Guy**
- Guy **Comes Up**
- But **Short**

This is:

*Where I Show
The **Topic** of
Coming Up Short*

Guy Comes Up:

- **But Short**

When:

*Guy Comes Up
He Doesn't **Really***

***Contribute**
Agree with Someone
Or Just
Say Something*

When:

*Guy Comes Up
He Comes Up
Short*

This Appears As:

- **Short**
- **Or Limited**

When:

*Guy Comes Up
It is Not **Much***

*Guy Appears As
Short
Or **Limited***

*So Now The **Point***

The Point

Remember:

- **We Speak of Guy**

This:

Coming Up Short
Like Guy
Is
*The **Topic** of*
*The **Article***

The **Topic** is:

- **Coming Up Short**

When:

*Guy **Comes Up***
***In** The Conversation*
*It is Not **Much***

*Guy **Appears As:***

Short
*Or **Limited***

So:

- The **Topic**
- **Coming Up Short**
- We **See** with **Guy**

For The:

Coming Up Short
*I Put **Definition***

Coming Up Short:

- Is **Short**
- Or **Limited**

When Someone:

*Like **Guy***
Appears
***In** A Conversation*
*A **Task***
*As **Short***
*Or **Limited***
*It **Bothers Us***

The **Definition** is:

- **Coming Up Short**
- With A
- **Limited** Skill Set

This Definition:

Coming Up Short

With A

Limited Skill Set

We **See** it **Around**

It **Appears** Limited

And:

It Can **Bother** Us

Review Summary

Remember:

- When We **Do** Things
- Like A **Task**
- We Want To
- **Finish** it

Most:

Tasks That We Do

We Intend To **Finish**

Complete

By **Tasks I Mean:**

Like

Make Coffee

Clean The Dishes

Or

Take Out The Garbage

Most:

Tasks That We Do

We Intend To **Finish**

Complete

Well:

- When Someone
- **Comes Up Short**
- Like **Guy**
- **In** The Conversation
- He **Appears**
- With The **Definition**

Coming Up Short

With A

Limited Skill Set

And This:

*We Have **Seen** it*

*It Can **Bother** Us*

Someone:

- **Coming Up Short**
- With A
- **Limited** Skill Set

*They **Try**:*

*To Be **Ok***

*One of The **Players***

***In** The Conversation*

But They

Come Up Short

They Don't:

- **Contribute**
- **Agree** with Someone
- Or Just
- **Say** Something

They:

Come Up Short

And This:

*We Have **Seen** it*

*It Can **Bother** Us*

Limited Skill Set

Well, To **Finish**:

- I **Discuss** The
- **Limited** Skill Set

*Remember **Topic**:*

Coming Up Short

Definition is:

- **Coming Up Short**
- With A
- **Limited** Skill Set

***Limited** Skill Set:*

*Is The **Tools**
That They **Use***

This Could Be:

*Method
Technique
A **Way To Navigate***

The Best example:

- Of This
- **Limited** Skill Set
- Is
- Trying To **Use**
- **One Thing**
- For **Everything**

*You Can't Get
Two Out of One*

*This is A **Rule**:*

*That We **Know***

So:

- **Limited** Skill Set

This Is Like:

*Their Method
Technique
Way To Navigate*

When Someone:

*Like in Conversation
Comes Up Short
Like After **Time**
And
With A
Limited Skill Set
Then **Boo***

*We Don't **Like** that*

Moral of The Story

When Someone:

- Like in Conversation
- **Comes Up Short**
- Like After **Time**
- And

- With A
- **Limited** Skill Set
- Then That is **Still**
- **Short**

*We Can't **Finish**:*

*By Being **Short***

*When We **Do** Things
Like A **Task**
We Want To
Finish it*

Most:

***Tasks** That We **Do**
We Intend To **Finish**
Complete*

Guy Comes Up:

- **Short**
- In The **Story**
- **Example** Story

Guy Comes Up:

*But Doesn't Really
Contribute
Agree with Someone
Or Just
Say Something*

So He Has:

- **Limited** Skill Set

*He Doesn't **Do** Enough*

*This is **Topic**:*

Coming Up Short

So:

- **Moral** of The **Story**

***Moral of The Story**:*

*Is The **Title***

*Article **Title** is:*

Bird Food

When **Guy** :

- **Comes Up Short**
- In The **Story**
- **Example** Story

Guy Comes Up:

*But Doesn't Really
Contribute
Agree with Someone
Or Just
Say Something*

So He:

- **Comes Up Short**
- And with
- **Limited** Skill Set

So **Guy**:

*Cannot **Finish**
Complete His Task*

Coming Up Short:

*Is **Short**
Not **Complete***

Then:

- **Moral** of The **Story**
- Is The **Title**
- **Bird Food**

*The **Best** that:*

***Guy Can Get**
When He
Comes Up Short
Wanting Stuff
Is **Bird Food***

By **Definition**:

- **Coming Up Short**
- With
- **Limited** Skill Set

*The **Best** that:*

***Guy Can Get**
When He
Comes Up Short
Wanting Stuff
Is **Bird Food***

You Can't:

- **Get** Much
- **Coming Up Short**

*You Can **Get**:*

*Only
Bird Food*

*At **Best**:*

Bird Food

END NOTE

Like in **Baseball**:

- **One** Hit
- Does Not
- **Win** The **Game**

*This **Appears**:*

*Only **Limited**
Partial*

So I **Think** that:

- The **Best** He Could
- **Get** like that
- Is **Bird Food**
- Hardly **More**

Often:

*We **Want More***

*Article **Title** is:*

Bird Food
