This is My **Article**:

- **Contents Probe OneD**

*It is **About**:*

*OneD  
Or One Dimension*

By One D:

- **I mean**
- One Dimension (One D)

*One D is like:*

*Flat  
Only appearance  
Surface level only*

***Single Dimension:***

***One Dimensional***

Some people **say**:

- The World
- Is **just** OneD

*This would **mean**:*

*The World  
As just OneD  
Flat  
Only appearance  
Surface level only*

*One **thing** is:*

*OneD is **limited**  
Pg 1*

***Only OneD:***

***Is limited***

So:

- If this is
- **Valid**
- The World
- As just OneD
- Then
- What are **Contents**

***I Mean:***

*The World  
Does **have**  
Something in it*

*Then **Article** is:*

***Content Probe OneD***

*Let's have a **look** at it*

## **Technical Thought**

I have said:

- Some people say
- The World
- Is **just** OneD

*This would **mean:***

*The World  
As **just** OneD  
Flat  
Only appearance  
Surface level only*

There are people:

- Who **say** that
- The World
- Is **Only** OneD

As:

**Only** OneD  
The World would be  
**Limited**

As:

**Only** OneD  
The World would  
Appear **Superficial**

Still:

- Even if
- People **think** that
- The World
- Is **just** OneD
- Then
- What are **Contents**

**I Mean:**

We **know**  
The World

So:

What are **Contents**

The World:

Does **have**  
Something in it

## Contents Definition

The World:

- As OneD
- What is **in** it

What are *Contents*

The World:

- Is it s **construct**

*Is it:*

*Made of **parts***

*Made of **parts**:*

*Is like*

*A **big** part*

*with*

***smaller** parts inside*

*Or:*

*Big **parts***

*with*

*smaller **parts** inside*

*Smaller **parts**:*

***Within** it*

What is **in** it:

- The World
- Contents

*Is it s **construct**:*

*A **made** thing*

## Interesting Point

Us:

- We do not **know**
- Everything

*We **know** that:*

*No one can **know***

*Everything*

I mean:

- Whoa
- There are
- Many **things** out there

*In the world:*

*Out **there***

*Many many **things***

*We **know** this already*

*For example:*

*We **know***

*A **Noun***

*Person, place, thing*

*We **know**:*

*People*

*Animals*

*Plants*

*We **know**:*

*Terrain*

*Like*

*Mountains and rivers*

There are:

- Many **things** out there
- The **world**

*So:*

*We **see***

*Many **things** out there*

*And*

*No one can **know***

*Everything*

Interesting **Point** is:

- Since
- **All** is not **known**
- Then
- What is the **contents**
- OneD

*The **world** as:*

*OneD*

*What is the **contents***

There are:

- **Things** out there

***Article** is:*

*Contents Probe OneD*

*Let's **see***

*What it **looks** like*

*The OneD*

## **Looking In**

**Contents** is:

- What does it
- **Contain**

*What is:*

***In** it*

The **world**:

- The OneD
- Is it **contained**

*The **stuff** in it:*

*The OneD*

*What does it*

***Contain***

*Again:*

*Out **there** we **see***

*A **noun***

*Person place thing*

*We **see**:*

*People  
Animals  
Plants*

*We **see**:*

*Terrain  
Like  
Mountains and rivers*

*There are:*

*Many **things** out there  
The **world***

So, then:

- What does it **contain**

*What is **in** it*

*Is it **contained**:*

*The **stuff** in it  
The OneD*

*This is:*

*Interesting **Point***

## **Main Line**

Well:

- Here it is
- **Main Line**

*The **world**:*

*As OneD*

*We **see** that:*

*We don't  
**Know** it all*

*And:*

*There are  
Many **things** out there*

So if:

- Not all **known**
- Then
- How can we **say**
- **Only** OneD

*Omg*

*I mean:*

*At any **time**  
There could **be**  
One thousand  
**Possibilities***

*Whoa:*

*Then  
How can we **say**  
**Only** OneD*

## Point to Ponder

If someone:

- **Knows** more than **us**

*It can be **possible***

If someone:

- **Knows** more than **us**
- Then
- How can we **say**
- **Only** OneD

*Afterall  
At any **time**  
There could **be**  
One thousand  
**Possibilities***

# ENDING

Remembering:

- **Definition** OneD:

*One **Dimension** (One D)*

*One D is like:*

*Flat*

*Only appearance*

*Surface level only*

So:

- Is it **only**
- OneD

***Point to ponder** is:*

*If someone*

***Knows** more than **us***

*Then*

*How can we **say***

***Only** OneD*

*Omg*

*Remember we **know**:*

*A **noun***

*Person place thing*

*We **know**:*

*People*

*Animals*

*Plants*

***Terrain***

*Like*

*Mountains and rivers*

*There are*

*Many **things** out there*

Pg 9

*Also:*

***Ending*** is  
We have ***seen*** before  
Some ***things*** have  
***Roots***

Some ***roots*** are ***old***

Over ***time***:

Some ***roots*** are ***old***  
***Rooted*** over ***time***

***Article*** is:
