

# Playing Games

Author: Thomas Lloyd

This is My **Article**:

- **Playing Games**

*It is **About**:*

*Playing Games  
Which is  
An **Abstract***

The **idea**:

- Playing Games
- Is Like A
- **Pastime**

*Me Might **Do**:*

*Pastime **Occasionally**  
But Not **Every** Time*

Living Our **Lives**:

- Is **Primary** For Us

*So, then:*

*Playing Games  
Is Like A  
**Pastime***

## About Pastime

The **idea**:

- **Pastime**
- Is usually like
- An **Activity**

*For example:*

*We **Know**  
A **Movie**  
A **Walk** in The **Park***

*These Are like:*

***Pastime***

*Me Might **Do**:*

*Pastime **Occasionally**  
But Not **Every** Time*

And **Pastime** is:

- For **enjoyment**
- Rather than **work**

*So, then:*

*Playing Games  
Is Like A  
**Pastime***

A **Pastime**:

- Is Not
- **Primary** For Us

***Pastime** is:*

*For **enjoyment**  
Rather than **work***

## **Primary Definition**

**Primary** is:

- **First** Place

*Things We **Need**:*

*Are **Primary***

If **Pastime** is:

- For **enjoyment**
- Rather than **work**
- Then it is Not
- **Primary**

*Playing Games:*

*Is Like A*  
***Pastime***

*We Cannot*  
***Count*** on it

## **Level Two**

I Have **Said:**

- **Primary** is
- **First** Place

*Things We Need:*

*Are* ***Primary***

Then **Primary** is:

- Level **One**

***First*** Place is:

*Level One*

So A **Pastime:**

- Like
- Playing Games
- Is Not **Primary**
- Not Level **One**

*Playing Games:*

*Is Like A*  
***Pastime***

*Not **Primary***  
*Not Level **One***

Playing Games:

- Would Be
- Only Level **Two**

*Not **Primary***  
*Not Level **One***

## About Level **Two**

Description of:

- Level **Two**

***Liberty:***

*Like **Entertainment***

***Leisure:***

*Or **Free Time***  
*A **Pastime***

*Extra or Optional*

So Level **Two:**

- Is Not **Primary**
- Not Level **One**

Then:

- Playing Games
- Would Be
- Only Level **Two**

*Only **Free Time:***

*Like A **Pastime***

## Level **Two** Limits

Level **Two** Has **Limits**

*Since Level **Two**:*

*Is **Not** Level **One**  
Then **Limited***

*We Cannot **Count**:*

*On Level **Two**  
It is **Limited***

## **Why Limited**

Level **Two**:

- Comes **After**
- Level **One**

*We Cannot **Count**:*

*On Level **Two**  
It is **Limited***

Level **One** is:

- **Primary**
- **First** Place

*Things We **Need**:*

*Are **Primary***

We Cannot **Count**:

- On Level **Two**
- It is **Limited**

*Playing Games  
Would Be  
**Only** Level **Two**  
Not **Primary***

**Primary** We **Need**:

- So it **Must** Be **There**
- **First**

*Level **One**:*

*Comes **Before**  
Level **Two***

Then:

- Level **Two**
- Is **Dependent**
- On Level **One**

*So:*

*Playing Games  
As **Only**  
Level **Two**  
Is Not **Primary***

Then:

- Playing Games
- As **Only**
- Level **Two**
- Is **Dependent**

***Dependent On:***

*Level **One**  
**Primary***

*Playing Games:*

*Would **Find**  
Level Two **Limits***

*As **Dependent:***

*Playing Games  
Would Only **Find**  
Level **Two***

*Not **Primary**  
Not **First Place***

*This is:*

***Why Limited**  
Level **Two***

## Point

We **See**:

- Playing Games
- Is **Limited**

*As Level **Two**:*

*Playing Games  
Is Not **Primary***

*We Cannot **Count**:*

*On Level **Two**  
It is **Limited***

*Playing Games  
Is Not **Primary***

## About Today

Whoa:

- Have You
- **Seen** Them

*I **Mean**:*

*The Loco's*

Many **Types**:

- Of Loco's
- Around **Today**

***Comment** Shooters  
**Slur** Men  
Even **Liars***

*For **Me**, this is:*

***Only** Playing Games*

And Playing Games:

- Is Not **Primary**

***Primary We Need:***

*And So Many  
Loco's **Abound***

***Many Types:***

*Of Loco's  
Around **Today***

***It Seems:***

***Only*** *Playing Games  
So Not **Primary***

***Primary We Need***

## Examples

Whoa:

- Have You
- **Seen** Them

*The Loco's:*

***Many Types***  
*Of Loco's  
Around **Today***

Loco **example** is:

- cheat
- con
- perjurer
- phony
- storyteller

*These **Guys** Are:*

***Too Much***

By **Description:**

- Like **Bean Ballers**

*Bean Ballers **from:***

*Somewhere*

So **Rude**, like:

- **Comment** Shooters
- **Slur** Men
- Even **Liars**

*Some of Their:*

***Lines** Stink*

*For example:*

*Your **Shoes**  
Look So **Bad**  
Then You Are  
No **Good***

*Omg*

***Another** example:*

***You**  
Look So **Bad**  
Then You Are  
No **Good***

*Help*

When I **Hear** This:

- I Cannot **Believe** it

***Point** is:*

*At **Best**  
**Only** Playing Games*

*Nobody Could **Do** This:*

***Seriously**  
Omg*

So:

*At **Best**  
Only Playing Games*

## Main Point

If **Only**:

- Playing Games
- Then Level **Two**

*If:*

*Level **Two**  
Is **Dependent** on  
Level **One**  
Then Who **Loses***

*Whoa*

I Don't **Want**:

- To **Lose**
- To **Bean Baller**

***Loco** is Loco*

***Grounded** is Grounded*

As Level **Two**:

- It Cannot **Beat**
- Level **One**

*Level **One** is:*

***Primary***

*Level **Two** is:*

***Dependent** On  
Level **One**  
**Primary***

*Then Who **Loses***

## About This

Playing Games:

- Is **Only**
- Level **Two**

***Comment** Shooters  
**Slur** Men  
Even **Liars***

As Level **Two**:

- It Cannot **Beat**
- Level **One**

*Playing Games:*

*Is Level **Two***

The Loco's:

- **Comment** Shooters
- **Slur** Men
- Even **Liars**
- Only Level **Two**

*Playing Games:*

*Is Level **Two***

*As Level **Two**:*

*It Cannot **Beat**  
Level **One***

*If **Only**:*

*Playing Games  
Then Who **Loses***

## ENDING

Playing Games is:

- Like **Pastime**
- Not **Always**

As **Pastime:**

It Cannot **Beat**  
Level **One**

Playing Games:

- Is Level **Two**

So Playing Games:

Is **Only**  
Playing Games  
Just Level **Two**

This Level **Two:**

- Should Not
- **Change** Definition
- Level **One**

**Primary** is **Important**

**Optional:**

Like **Pastime**  
Only Level **Two**

Playing Games:

- As Level **Two**
- Should Not
- **Change** Definition
- Level **One**
- **Primary**
