Weekdays:

***All** Day*
*In **School***

It was **Pain**

*It was **like:***

***No** Youth*

- School **Pain**

The Description

Why **Complain:**

- About **School**

This is **Why**

In School:

- **All** Day
- **New** Things
- **Forever**

School:

Weekdays
All *Day*
School

We were **taught:**

- So much **stuff**

Whoa:

*Like **too** much*

All **Topics:**

- Were **Covered**

And:

*To Keep it **Short***
*Why **Complain***
*About **School***

To **Complain:**

- **Because**
- How it is
- **Now**

Whoa

Seeing it Now

USA School:

- It **was**

*Age **Four:***

Until
*Age **Eighteen***
School

Now:

- Looking **Around**

*What **Value:***

*So much **School***

In School:

- Our **Youth**
- **Extinguished**
- Like A
- Cigarette **Butt**

No **time** for **us**

Just **School**

Seeing it **Now:**

- USA
- What we were
- **Taught**

*The **Term** is:*

Abandon

We were **taught:**

- **Abandon**

Live in:

Abandon

Seeing it **Now:**

- **Abandon**

*Everybody **lives:***

*In **Abandon***

Probably **From:**

- **School**

Maybe **Me** Too

Our **Youth:**

- **Extinguished**
- Like A
- Cigarette **Butt**

*Seeing it **Now:***

Abandon

***Everybody** lives:*

*In **Abandon***

Apparently:

- We were **taught**
- **Live** in Abandon

*Seeing it **Now:***

Abandon

*Everybody **lives:***

*In **Abandon***

Abandon is like:

- **Vacant**
- Left Out

This is **Point**

Article is:

- School **Pain**

*Our **Youth:***

Extinguished
School

It was **Pain**

Apparently:

- **Taught** this

*Live in **Abandon***

Seeing it **Now:**

- **Abandon**

*Everybody **lives:***

*In **Abandon***

Value of This

Abandon is:

- Like **Empty**

*There Can **Be:***

*No **Value** in it*

Who Could **Collect:**

- LOL

Hey:

***Abandon** is like
Nobody **There***

This is like:

Empty

So:

- This **Abandon**
- **Everywhere**
- Is **Empty**

Then:

*No **Worth**
No **Value***

So:

- At Best **Dirt**

*Just **Dirt:***

Abandon

So:

- **Value** of This
- Is
- **No** Value

***Empty** is:*

Abandon
*No **Worth***

No:

***Value** of This*

ENDING

School Was **Pain**

Still Pain **Now**

***Abandon** is like:*

*Nobody **There***

This is like:

Empty

Empty is:

- No **Worth**

No:

***Value** of This*
Abandon

Taught in School:

- **Abandon**
- Live in **Abandon**

Pg 11

*Our **Youth:***

Extinguished
Like A
*Cigarette **Butt***
School

*So Much **School:***

*And **Now***
Abandon

So:

- School Was **Bad**
