

# Bad Host

Author: Thomas Lloyd

This is My **Article**:

- **Bad Host**

*It is **About**:*

*USA*

Since The Start:

- USA is **based** on
- Government

*Article is **About**:*

***Host***

*So:*

*Government*

*Would be*

***Host***

*USA*

*Discuss it*

# USA

Our **Host**:

- Here
- Is **called**
- Government

*They are **called**:*

***Master***

*And*

*Make All **Decisions***

*Staff*

*So, they would be:*

***Host***

## **Construct**

This **Term**:

- **Construct**
- Is known

*It is like:*

*To **make***

*To **make** something*

For example:

- We might **make**

*A Pie*

*A Cake*

*Or A **Collection***

*A **Collection** like:*

*Our Shirts*

*Or Socks*

*A **Collection***

As:

- A **Collection**
- We make it

*This **make**:*

*We have called*

***Construct***

Even Ourselves:

- We **Construct**

*Example is:*

*Good **Habits**  
And Behavior*

*We **Construct** This*

*We **Manage** it Too*

## **Continuing**

So, **Having:**

- **Construct**
- Like Us
- Then **Host**

*Even **Staff:***

*The **Host**  
Is A **Construct***

It is **supposed** to:

- Be **Laws**
- And Degrees

*This is like:*

*Things **Attained***

*Qualities  
Attributes  
Descriptors*

*Could even **have:***

*Good **Habits**  
And Behavior*

That would be:

- **Construct**
- Like Us
- As **Host**

*Staff*

## Point

Another **Term**:

- We **know**
- Is
- **Being** There

*For example:*

*We **have**  
A Place  
Friends  
Relationships*

With **this**:

- We Can **Say**
- **Being** There

*And:*

*If we **made** it  
A **Construct***

*Example is:*

*With  
Good **Habits**  
And Behavior*

*So **Us**:*

***Being** There  
We **know***

So, **Point**:

- What About
- **Staff**

*Jeez*

*Can They **Say** That*

*I think **No***

*I Can **Show** This:*

*In **Definition***

*Look*

## **USA History**

We went to **school**:

- Omg a lot

*And:*

*We were **taught**  
George Washington*

This was like:

- **Father** of Country
- George Washington

*Over and over:*

*Whoa  
**Taught** this*

Yet:

- He was a **joke**

*There never **was**  
George Washington*

*USA **History**:*

*We were **taught**  
George Washington*

***Father** of Country:*

*There never **was**  
George Washington*

*He was **not**  
**Born** here*

- You must be
- **Born** here
- To be **from** here

So:

**No**  
George Washington

## Result

If this is **true**:

- **No**
- George Washington
- Then USA
- **No**

Afterall:

Staff **flies**  
George Washington  
As The **Dynamic**

Power is **based**:

- On
- George Washington

For example:

**One** President  
After **Another**  
For 300 Years

Three Hundred **Years**:

BS

Then **USA**:

No

## Three Hundred Years

For 300 **Years**:

- There has been
- The 13 **States**

*Thirteen **States**:*

*BS*

*Whoa, how could you  
**Say** that*

Well:

- Three Hundred **Years**
- A long **time**

*And:*

***Based** on  
George Washington  
Only A **joke***

*So Thirteen **States**:*

*No*

They would have:

- **Spent** their **time**
- Questionably

*LOL*

*So I **think**:*

*No 13 States*

## Conclusion

We **see** here:

- USA **History**
- In **Question**

*How could it **fall***

*So **sad***

But:

- **Could** it fall

*If **empty**:*

*Like*

*All **along***

*Then*

***Could** it fall*

***How** could it fall*

*LOL*

So:

- **Staff** is only
- **Police**

*This is like:*

***Forced** school*

**Host:**

- **Staff**
- Would **not** be
- Host

*Then **what**:*

*Like*

*What **are** they*

As Government:

- A **Letter G**
- And **Host**
- This is
- **Ghost**

*LOL*

***Staff:***

*Government*  
*Is **not** Host*  
*But **Ghost***

*LOL*
