A **China** Shop*

Even if it is:

- **Bad**
- The **Phrase**
- **Continues**

*An **Old** Phrase*

*A **Bull** in  
The **China** Shop*

So:

- Since
- The **Phrase** is
- Still **Around**

*Sometimes it **Happens***

*A **Bull** in  
The **China** Shop*

## Inside China Shop

The **Main** Part:

- Of **China** Shop
- Is The **Inside**

*Inside **China** Shop:*

*Many **Hand** Made  
**Things***

*Plates*  
*Saucers*  
*Cups*  
*Bowls*

Often many:

Pg 6

So in **China** Shop:

- No **Bull**
- **Wanted**

## If Inside

If A **Bull**:

- **Does** Get **into**
- **China** Shop
- Whoa

*What **Happens**:*

*If A **Bull***

***Does** Get into  
**China** Shop*

A **Bull** is:

- An **Animal**

*It **has**:*

*A big **head***

*With*

*Two **Horns** on it*

*A **strong** thing*

*A **Bull***

If A **Bull**:

- **Does** Get **into**
- **China** Shop
- What **Happens**

*This is **Famous***

## Bull Mood

If A **Bull**:

- **Does** Get **into**
- **China** Shop
- He Goes **Wild**

According to:

The **Phrase**

If A **Bull**  
**Does** Get into  
**China** Shop  
He Goes **Wild**

**Breaking** breaking:

- A **Bull** in
- The **China** Shop

*Plates*  
*Saucers*  
*Cups*  
*Bowls*  
**Breaking**

A **Mess**:

A **Bull** in  
The **China** Shop

Maybe He Gets:

- **Angry**

Maybe **Wild**

**Also:**

- How Doe it
- **Proceed**

Quick **Timeline**

**Bulls Time**

If A **Bull**:

- Does Get **into**
- **China** Shop
- How **Long**
- A **Time**

*And:*

*What Does  
Bull **Think***

Many **things**:

- **Breaking**

*A Growing:*

**Mess**

*Broken **China**  
**Pieces***

If:

- He Goes **Wild**
- How **Long**
- A **Time**

*And:*

*Do People  
**See** it*

*A **Bull** in  
The **China** Shop*

**Terrible**

**After Time**

It is **Hard**:

- To **know**
- About **Bull**
- In **China** Shop

*Probably **things**:*

**Break**  
*And A **Mess**  
**Gathers***

So:

- How **Long**
- A **Time**
- In **China** Shop

*Another Way to:*

***Phrase** This is  
How **Long**  
A **Time**  
Until **Exit**  
**China** Shop*

After **Time**:

- With
- **Breakage**
- And A **Mess**
- He **Wants To**
- **Leave**

***How** is:*

***Exit** China Shop*

## **Linear Explain**

**Two** Methods:

- I **Describe** Now

***Point of Article:***

*China Shop **Bull**  
Is These  
**Two** Methods*

*Quickly **Said:***

***Enter**  
And **Exit** of  
China Shop **Bull***

Method **One**:

- **Enter** China Shop

**China Shop:**

*Is A **Shop***

**Ground Level**  
*With Front **Door***

A **Shop** Inside:

- **China Shop**

*On The **Shelves**:*

*Plates*  
*Saucers*  
*Cups*  
*Bowls*

**Inside** China Shop:

*Many **Hand** Made*  
**Things**

*Often many:*

**Nice Things**  
*In A **China** Shop*

So To **Enter**:

- **China Shop**
- Is **Linear**

**Plain and Flat:**

**China Shop**

**Ground Level:**

**Enter** through  
**A Door**

To **Enter**:

- **China Shop**
- Is **Linear**
- **Plain and Flat**

*Surface Level*

To **Stay** in:

- **China** Shop
- Also **Linear**
- **Plain** and **Flat**

*Time* in:

*China Shop*  
*Surface Level*  
*Also*

## Method Two

**This** is The:

- **Twist**
- In The **Story**
- China Shop **Bull**

To *Exit*:

*China Shop*  
*It Seems*  
*Different*

*I Learned This:*

From **People**

For example:

- Maybe we **heard**
- **Stories** of **this**

*Like A **Bad** Man*

A **Man** could:

- Get **Angry**
- Or **Wild**

*And if he:*

*Rages*

*Like **Physical**:*

*Could **Cause**  
**Damage***

So **sometimes**:

- For **People**
- We **Hear**
- The **Phrase**

*A **Bull** in  
The **China** Shop*

## About Exit

If A **Man**:

- Is **Related** to
- **Phrase**

*A **Bull** in  
The **China** Shop*

*Then **How To**  
**Exit***

Even **if**:

- **Entrance** Varies
- **From** Bull
- The **Phrase** is
- **There**

*So **sometimes**:*

*For **People**  
We **Hear**  
The **Phrase***

*A **Bull** in  
The **China** Shop*

So if A **Man**:

- Is **Related** to
- **Phrase**

*A **Bull** in  
The **China** Shop*

*Then **How To**  
**Exit***

I Can **Share**:

- My **Experience**
- Here

## **Seeing Things**

This is The **End**:

- My **Experience**
- Here

*Remember **Topic**:*

*The **Phrase***

*A **Bull** in  
The **China** Shop*

Well:

- I Have
- **Seen** This

*What I **Mean** is:*

*China Shop **Exit**  
By **Man***

*Several **Times**:*

*I Have **Seen** it*

A **Man**:

- **Known** For
- The **Phrase**
- In **China** Shop

*And:*

*As He **Exits**  
Or **Attempts** Such  
**Different***

*Yes indeed:*

***Different***

Then in A:

- **Nutshell**
- The **Method**

***Called:***

*Method **Two***

When A **Man:**

- Or **Group**
- **Attempts**
- China Shop **Exit**
- It is Not
- **Linear**

*Not **Surface** Level*

*Not **Horizontal***

When A **Man:**

- Or **Group**
- **Attempts**
- China Shop **Exit**
- It is **Vertical**

*Not **Surface** Level:*

*Like **Walking***

*Not **Across**  
Not **Horizontal**  
But **Vertical***

## Up and Down:

- Method **Two**
- China Shop **Exit**

*They Have:*

***Tried** it  
And **No***

***Not** Made it*

Yet:

- Not **Surface** Level
- Like **Walking**

*Not **Across**  
Not **Horizontal**  
But **Vertical***

*So **Why***

## ENDING

Story of:

- China Shop **Bull**

*The **Phrase:***

*A **Bull** in  
The **China** Shop*

*Why **Exit** Must:*

*Be **Vertical**  
Let's **Guess***

I think to:

- **Suggest**

*If:*

*A **Bull** in  
The **China** Shop*

*If it is **Bad**:*

*Then **Bad***

And:

- **Entrance** and
- Time **Spent**
- Also **Horizontal**
- **Ground** Level

*So **probably**:*

*No **Exit***

*The **Same***

To **Enter**:

- Leave A **Mess**
- And **Exit**
- Not **Possible**

*It would be*

*Too **easy***

*People would*

***Try** it*

***No** no no*

**Too** Much:

- **Linear**
- Not **Possible**

*Let's Stay **Good***

***Article** is:*

*China Shop **Bull***
