TheEvenMind

This is My **Article**:

- **Christian Share**

*It is **About**:*

*An **Encounter***

***Encounter** is:*

*A **Meeting***

*A **Meeting** with:*

*Some **People***

The Main **Topic**:

- Was **Christian**
- So this is
- **Christian Share**

The Meeting

I was:

- **Sitting** around
- With Some
- **People**

*I **think** that:*

***Most** of the
People
Were **Christian***

*It **lasted**:*

*For some **time**
So I call it
A **Meeting***

Content

Whoa then:

- **What** did you
- **Talk** about
- The **People**

Mostly:

*The **People**
Were **doing**
Their **thing***

This **amounts** to:

- **Common** thing
- Like these **days**

*The **People:***

*Much
Vinegar throwing
And general
BS*

Not too much:

- **Else**
- Like
- Nothing **substantial**

So the:

***Meeting**
Mostly **centered**
Around
Vinegar throwing
And general
BS*

I was:

***Witness** to this*

Point

These guys:

- These **people**
- Seemed **bent** on
- **Confession**

*By **Confession**:*

*I mean
Christian **Concept**
Confession*

So:

- For some **time**
- The **Encounter**
- **Centered** around
- **Confession**

*The **Form** was:*

*Mostly
Vinegar throwing
And general
BS*

Then:

- One person
- **Commented**

*He **said**:*

*Are they
Doing Confession*

It was:

- **Surprising**
- How he
- **Described** it
- **Doing** Confession

For me:

It was just
Vinegar throwing
And general
BS

*Yet he **wondered**:*

Are they
Doing Confession

Interesting

About Comment

Well:

- The **people** were
- **Acting** so **bad**

*We **see** this:*

Around

General:

- **Poor** behavior
- **Vinegar** throwing
- And **BS**

Not much:

Substance

And he:

Wondered
Are they
Doing Confession

If **True**:

- **Doing** Confession
- By acting **bad**
- **Poor** behavior
- Then **what**

What do they:

Think

Is this:

- **Constant** Confession

*Acting **bad***
***Poor** behavior*
*General **BS***

Is this:

Constant Confession
Whoa

*Let's **See***

Confession Concept

Christians **Use:**

- Confession **Concept**

It is for:

Cleansing

*This **Cleansing:***

Is like
Purification

The **Purification:**

- Would be
- **Relief**
- Like for the
- **Soul**

*But the **people:***

*Acting **bad***
***Poor** behavior*
*General **BS***

Is this:

- **Constant** Confession

*And **is** there:*

*Any **result***

Appearance

This **idea**:

- **Constant** Confession
- Maybe they
- **Do** it

*It **manifests** as:*

*Constant
Vinegar throwing*

*We **see** this:*

Around

So are they:

- **Getting** anywhere
- **Constant** Confession

Is there:

***Result**
Constant Confession*

*It **looks** like:*

No

Another Point

By:

- **Constant** Confession
- The people would
- Be **cleansing**
- Their **Soul**

*Cleansing their **sins***

*This would **address**:*

Errors

Wrongs

Misdeeds

Are they:

- **Getting** anywhere
- **Constant** Confession

*This **behavior**:*

*Acting **bad***

***Poor** behavior*

*General **BS***

*Is **Slim***

It won't **pay**:

- For a **crime**
- No

*A **crime** is:*

*A **bad** thing*

Look at history

USA History

In:

- **USA History**
- Many **wrongs** done

And all:

*Of the **people***

*At the **meeting***

Support this

They all:

- **Back** police
- And Government

And:

*Acting **bad***

***Poor** behavior*

*General **BS***

*Won't **help***

Constant Confession:

- Won't **pay**
- For a **crime**
- No

So are they:

***Getting** anywhere*

***Constant** Confession*

Then:

- **Constant** Confession
- Acting **bad**
- **Poor** behavior
- General **BS**
- Won't **amount**
- To **much**

Well it:

Sure is

Annoying

*To **witness***

Main Point

If the **people:**

- Are **Confessing**
- On & on
- So **much**
- Don't they **need**
- To **look** back

***Look** back:*

*And **think***

They might **want**:

- To **look** back
- And **think**

*How and what
To **present***

*Maybe **make**:*

*A **strategy***

*Don't they **need**
To **look** back*

So The **Point**:

- This certainly
- **Spells**
- Level **Two**

*So **much**:*

***Constant** Confession*

And as:

*Acting **bad**
Poor behavior
General **BS***

*This **Spells**:*

*Level **Two***

So it is:

- Not in
- Only **One D**
- **One** Dimension

*So **Constant**:*

*And **Developed**
Is Level **Two***

And:

*As Level **Two***

Not in

*Only **One D***

***One** Dimension*

Then the **people:**

- **Make** this
- **Constant** Confession

*They **choose:***

*To **present** it*

*So Level **Two***

Developed:

- Then
- Not in
- Only **One D**
- **One** Dimension

This is:

*By **Math***
