

Two Birds

Author: Thomas Lloyd
TheEvenMind

This is My **Article**:

- **Two Birds**

*It is **About**:*

*A **Story***

*The **Story**:*

*Would be
One Bird*

Later, I would:

- **Show The Story**
- **Related to**
- **Another** Story

*The **Second** Story:*

Second Bird

Hence the name:

Two Birds

Description

In The **Story**:

- There is a
- **Man**

*I will **keep** him:*

General

***Yet**
He may be
Familiar*

He **worked** for:

- **Government**

He had:

*A high **position***

So:

*Like **this***

*The **Story***

The Guy

The **guy**:

- He **worked** for
- **Government**

And:

*A **high** position*

*He **represented**:*

*A USA **State***

*He **worked** for
Government*

He became **famous**:

- Many have
- **Heard** of him

*A **high** position
He **worked** for
Government*

And:

*Many **years**
In **Government***

More About Guy

Many **years**:

- In **Government**

*He **posed** as:*

Conservative

This should be:

*Like **peaceful***

*But I don't
Think so*

Anyway:

- Many **years**
- In **Government**

*And **sometimes**:*

*He **seemed** Hawk*

This is like:

Aggressive

Also like:

- Out to **get**
- **Someone**

So maybe even:

A Hunter

*He **posed** as:*

Conservative

Campaigns

*Many **years**
In **Government***

During so many:

- **Years** in
- **Government**
- Many **Campaigns**

We saw it:

In the news

*Years in
Government
Many Campaigns*

And like this:

- Perhaps **Aggressive**

Maybe even:

A Hunter

So:

*Over the years
Many years
Many Campaigns*

Whoa:

- Often we could
- **See**
- Another **Campaign**
- By **Him**

*Over the years
Many years
Many Campaigns*

Maybe you have:

***Heard** of the guy
McConnell*

Point

- Now The **Point**

So this **stuff**:

Leads to
The Story

Main **note** is:

Over the **years**
Many **years**
Many **Campaigns**

So I will **say**:

- He did
- **400** Campaigns

Over the **years**
Many **years**
Many **Campaigns**
400 Campaigns

Whoa:

- Quite some **number**
- **400** Campaigns

Point is:

Let's **say**
He **won**
All Campaigns

400 Campaigns:

Over the **years**
And
Let's **say**
He **won**
All Campaigns

400 Campaigns

Well:

- Then The **Point**

This is:

*The **Story***

***400** Campaigns:*

*He went **out***

*Let's **say***

*He **won***

***All** Campaigns*

Then:

- **Afterwards**
- Finished

But:

*The **Point***

*Even **though***

*He **won***

***All** Campaigns*

***400** Campaigns*

He never **made:**

- A **Winner**

Omg, then:

***What** is it*

Well:

- **Alone** at the **end**
- **400** Campaigns
- **Finished**

*He never **made:***

*A **Winner***

So:

- **Who** was it **for**

Can we **trace** it:

Who was it **for**
Whoa

Many Campaigns

With so many:

- **Campaigns**
- It should be
- For **someone**

Yet:

*It **seems***
*He **stays** the **same***

Huh

Omg, then:

- **What** is it

Campaigns are **tough:**

Work work work

And:

*Probably **hard***
*To **finish** one*

Yet **him:**

- **400** Campaigns
- Under his **belt**

*Many **Campaigns***

Yet:

*For **whom***

***Who** did it*
***Who** **finished** it*

Is there:

- Any **memory**

*I think **no***

It doesn't:

***Look** like it*

Then:

*For **whom***

***Maybe** we don't
Know*

Story Two

Story **Two**:

- Is **Modern**

Whoa:

*Have you
Seen them*

*The **kids** today*

Yes:

- The **kids** today

*A brief **description**:*

*Then **exit***

The Kids

Bird **Two**:

- **Second** Bird
- In The **Story**

***Describing** them:*

*The **kids** today*

They **Form**:

- Vinegar **Cult**

They *hang* together:

A *group*

The **Point** is:

- Bird **Two**
- **Second** Bird
- In The **Story**

I think that:

They *gamble*

They *seem* to:

Share an idea

This **idea**:

- A Famous
- **Old**
- Folk **Saying**

The *Saying* is:

A *bird* in the
Hand
Is worth
Two
In the *bush*

I think that:

They *gamble*

Having **one**:

- And **continuing**
- Is not so **easy**

Then:

Trying for two

*Two is **Harder***

I **think** that:

- They **gamble**

*They seem **spent**
Like **exhausted***

***Same** same same:*

***Vinegar** lines*

Not **fresh**:

- So **spent**

***Redundant**:*

*Over and over
Spent*

So:

- Bird **Two**

***Story** is:*

***Two** Birds*

ENDING

It is **risky**:

- To **gamble**

*The **world** is **old**:*

***Folk** sayings
Exist
Old **Folk** Saying*

*A **bird** in the
Hand
Is worth
Two
In the **bush***

I think **kids**:

- **Gambled**

Gambled **away**:

- The **one**
- And went for
- **Two**

*Perhaps no **return***

*Let's **see** in **time***

Story is:

Two *Birds*
