This is My **Article**:

- Confession Story

*It is **About**:*

An experience

*I **met** a guy:*

A person

And so it

***Makes** A Story*

An experience:

- We **had**
- Is The Story

I call it:

***Confession** Story*

Intro

Once:

- I had a **friend**

I never really:

***Met** him*

But still

*I will **use**:*

*The term **friend***

*A **guy** I*

***Met** or*

Encountered

A guy I:

- Had an
- **Experience** with

*I will **use**:*

*The term **friend***

About Me

I am:

- An ok guy

*I **mean**:*

*Whoa
I'm not
A **bum***

Like:

*I **do** things*

Often I would:

- Be **doing**
- Something

*Like **usually***

For example:

***Life** on earth*

*Or **related** to:*

*Such
Life on earth*

Well:

- One day it
- **Happened**

*I **met** a guy*

The Encounter

On that:

- One **day**
- I was **there**

I was just:

There

*Minding my own
Business*

Then:

He was there

*I **met** a guy
A person*

*The **other** guy*

*The **guy** I:*

Encountered

*I will **use**:*

*The term **friend***

Actually:

- It was **him**

*Who came up
To **me***

*An **encounter**:*

An experience

Speaking

Well:

- **He** was there

I was just:

*Minding my own
Business*

Then:

- **He** was there

*Who came up
To **me***

He **spoke**:

- The **other** guy

*The **guy** I
Encountered*

And:

*He **stayed**
A minute*

*He **said**:*

*Not really **much**
But*

*I was **polite***

Then:

- Like **suddenly**
- He **assaulted** me

This is what:

*It **seemed** like*

*He was **hasty***

Grabbing Stuff

Well:

- So **quick**

*He **grabbed:***

*Some of my
Stuff*

And he:

***Ran** off*

Yep

He **grabbed:**

- Some of my
- **Stuff**

*And **ran** off*

Stunned:

I was

Like:

Whoa

*It was
Sort of **quick***

*Like **suddenly***

Stunned:

- I was

I'm not:

***Used** to that*

*To be **frank:***

*I was
Stunned*

*I'm not really
Used to that*

Point

So:

- Is this
- **Interesting**

Like:

Point of Story

Like:

***Why to
Tell this***

This is:

- About **Dirt**

And:

***Over time
It showed***

The Dirt

Over Time

Well:

- It **continued**

What it is:

Is

Over **time:**

- He kept
- Getting **mad**
- At me

I mean it

Like he:

Said

I was a

Rat

Remember:

- About **Me**

Like:

I am

*An ok **guy***

I mean:

Whoa

I'm not

A bum

Like:

*I **do** things*

And **him:**

- Over **time**
- He kept

*Getting **mad***

At me

*So each **time:***

When he got

Mad

*I **told** him*

I didn't

*Do **nothing***

But **him:**

- He **continued**

*I **mean** it*

Like he:

Said

I was a

Rat

*Over **time:***

He kept

*Getting **mad***

At me

*So **finally:***

*I **told** him*

Saying it

Finally:

- After **time**

*Him **continuing***

*I **told** him*

I said:

- **Remember**

If you didn't

Grab my stuff

Then it would

Be cleaner

*I don't **know***

About him

ENDING

I don't **like** it:

- If somebody

Grabs my

Stuff

I don't
Like it

This only:

- **Happened** once

For me

Yet I remember

Especially:

After time

I remember:

- The **Encounter**

He grabbed
My stuff

Him continuing:

Complaining
Over time

So I:

- **Told** him

If you didn't
Grab my stuff

Then it would
Be cleaner

I don't know:

What he
Made of it

But still:

This is
