

Missed Plan

Author: Thomas Lloyd
TheEvenMind

This is My **Article**:

- Missed Plan

It is About:

USA

*By **Definition***

We got to:

- **Here**
- Current **Time**

Supposedly:

300 year

Period

Also we should:

- **Have** Conversation
- Among the **people**

So:

***Title** is*

Missed Plan

*If **Title** is:*

True

Then USA

*Not **perfect***

Let's see

Definition

I grew up **here**:

- USA

It was always:

Put
*As **Glorious***

Maybe it was:

Called
Glorious USA

*Could **be***

So I always **saw**:

- USA
- **Called** **Glorious**

Put as **Glorious**

That was:

Definition
USA

About This

When I:

- Grew up **here**

Promises promises

Let's **List** a Few:

- A chicken in every pot
- Two cars in every garage
- **Prosperity**

Also was **put**:

- **Job**

*Remember **Job***

About job:

- Get a good Education
- Then Career
- High paying **job**

With this **came:**

- **Job** into retirement
- Dependable one
- Wife and kids
- Plus a house of your own

So this:

*Definition
Included the
Prosperity*

Promised

So What

Well:

- The **Promises**
- Fell **Short**

Then this:

*Would show
Not Glorious*

USA was always:

- **Put**
- As **Glorious**

Yet:

*My **Guess***
***Not** Glorious*

I don't **think**:

- USA **turned** out
- As **Glorious**

No

*So **What**:*

*We might **wonder***

*Let's **see***

Conversation

Even if:

- **Not** Glorious
- USA

***Still**, there*
Should be
Conversation

***Conversation** is:*

*The **talk***
*Among the **people***

Conversation

If it **is** here:

- Conversation
- **Huh**

*I would **make***
*A **Point***

Point

We like **Conversation**

If there is:

- **Conversation**
- Then
- The **people**

WTF:

*The **people***

*For **Conversation:***

*The **people** would
Need **definition***

I think we **want:**

- **Conversation**

And whoa:

*What a **mess***

Now:

***Currently**
Among the **people**
How to **interpret***

For Conversation:

- The **people** would
- Need **definition**

*A **mixed crowd:***

*At **least***

And for:

***Conversation**
Some **Topics** too*

So I guess:

***People**
And **Topics** too*

These would be:

Conversation

The Glorious

Remembering:

- USA
- Probably **not**
- Glorious

So if this:

Not Glorious

Then

What is it

What is there

If USA:

Was called

Glorious

But not

Then what

I think we **want:**

- **Conversation**

Among the people:

Sorting it out

What I **mean** is:

- If Not **Glorious**
- What **happened**

Where is:

The Glorious

Sorting it Out

If Not **Glorious**:

- What **happened**

Sorting it Out:

*Who **blew** it
Who **understood***

And:

*Does **anyone**
Make it*

I think we **want**:

- **Conversation**

I guess:

***People**
And **Topics** too
Would be
Conversation*

Topics

For **Conversation**:

- **Topics**

Look:

*Stuff gets **said***

*Like **put**:*

*There's **Statements***

For example:

- **Policy** statements

Whoa:

*We **know** these*

*These **come** from:*

*Like **big** shots*

Ok

But still:

- Even if **these**
- Are **Topics**

*Like **offered** things:*

*We must **get** them*

The term:

- **Interpret**

*For **this**:*

Interpret

*We need **tools***

***Tools** for us:*

Interpret

Point is:

- For **Conversation**

***Tools** would be:*

*Like **abilities***

If:

***Offered** things*

Then

*We must **get** them*

We would **need**:

- **Tools**
- Like **abilities**

Tools

If there is:

- A **put** thing
- Like **statement**

Again:

Could be
Policy statement

Some statement:

Like for
Topic

Well:

- How to
- **Interpret** it

Our ears at least

We have ears:

Yep

Our **tools**:

- **Ears** are
- **One** of them

Again:

*To **Interpret***

*So with **this**:*

Us and tools

At least **with:**

- **Ears**
- We would be
- **Loaded**

Again:

*To **Interpret***

*Moving **on***

Main Point

Well look:

- Our **heroes**

*Omg **yes:***

*It would be
Celebrities*

Yep:

*That's **it**
Our **heroes***

*Mostly **Celebrities***

Well:

- These **guys**

***Look** at them:*

*I mean
Who's on first*

By **definition:**

- **Celebrity**
- **Designs a front**

*We **see** it:*

*It's **put***

Celebrity:

A front

Like image:

Put

Perhaps **theater:**

- Yet still
- **Deliberate**

So then:

*As **heroes***

*These **guys***

Then

Front is important

We can see this

Celebrities:

*As **heroes***

Main players

Even leaders

In our

Conversation

About This

These **guys:**

- **Celebrities**

Heroes

Leaders

Inspiration

Even masters

Let's **see:**

- USA
- **Not** glorious
- Celebrity **dominance**
- Conversation **concern**

WTF:

*How to **get** there*

*I only **have**:*

***One** idea*

ENDING

So:

- **WTF**

***Where** do we **go**:*

And

***How** to **get** there*

*Celebrities **known***

***Glorious** no*

*Conversation **concern***

*Is this **dwindle***

I **think** that:

- We might **need**
- **Level Three**

Yep:

Level Three

*So much **stuff**:*

Around

***Mixed** crowd:*

Yep

How to **interpret**:

- **Huh**

I think that:

*We might need
Level Three*

Pay attention:

- Remember the **tools**
- **Ears** at least

If Level Three:

*Is needed
I think that
It would assemble*

And:

- **Main** Point is
- Whoa

*Did Celebrities
Plan for this*

Wherever it leads:

*Did Celebrities
Plan for this*

Omg:

- **Pray** for us **now**

Article is:

Missed Plan
