*Another **word***

*For **this***

**Here:**

- The people
- Act **bad**

## **The People**

Whoa:

- They **indulge**

*It **seems** like:*

***Do** whatever  
You **want***

***Sloppy** sloppy:*

***Describes** it*

I **think** that:

- **Frolicking**
- Is **description**

*And **quick**:*

*To **say**  
That's **them***

*It really **seems**:*

*Like  
**Do** whatever  
You **want***

***Here:***

*In our **setting***

## **Frolicking**

This **word**:

- **Frolicking**
- Describes it

*People **around**:*

***Modern** Times  
Seem to **indulge***

***Choose** what:*

*They **want***

***Do** what:*

*They **want***

*This is **indulge***

**Awake** to others:

- Seems like **no**

*People **seem** to:*

*Be **stale***

*It is **like**:*

*Running an **angle***

Maybe some:

- **Design**
- Or **plan**

*But **hard** to **see***

*A **description** is:*

*WTF*

***What** is that*

***Why** did he  
**Do** that*

**Frolicking:**

- **Describes** it

*People **around**:*

***Modern** Times  
Seem to **indulge***

***Choose** what:*

*They **want***

***Do** what:*

*They **want***

*This is **indulge***

*So just:*

***Frolicking***

*Indulgent*

## **Antics**

**Methods are odd**

*WTF:*

***Describes** it*

*You **cannot**:*

***Play** forever*

*We have to be:*

***Responsible***

**Antics:**

- You **see** them

*Perhaps:*

***Playing** around  
Like **cheerfully***

***Playful** action*

*These **Antics***

Maybe some:

- **Design**
- Or **plan**

*But **hard** to **see***

***What** Design:*

***Why** to **do** it*

Maybe:

- **Fun** and **games**
- Merriment

*But a **cause**:*

*Seems like **no***

*For sure*

*Not **amusing***

**Awake** to others:

- Seems like **no**

*People **seem** to:*

*Be **stale***

*On **this***

*We have to be:*

***Responsible***

***Sloppy** is:*

***No** way*

## **The Actions**

**Remember:**

- **Modern** Times

***Here:***

Our **setting**

Whoa:

- The **Actions**

*Often people:*

***Indulge***

***Throw*** stuff

***Slurs***

*Comments*

*Criticism*

Very ***indulge***

And the **stuff:**

- They **throw**

*Hasty*

*General*

Not ***polite***

Even ***accusations:***

They ***throw***

***Hurl*** too

And it **never:**

- Seems to **fit**

*Not just:*

*Bad aim*

***Worse***

## The Content

Whoa:

- Modern **Times**
- **Slurs**

*Rude* yep

*This stuff:*

*Is it Made*

*Oh, the content*

**Made** of like:

- **Female** stuff

*What I mean is:*

*Reaction*

*Not really fresh*

*So inconsiderate*

## Modern Gossip

Article is:

- Modern **Gossip**

*This is:*

*Modern Times*

*People too*

*Poor behavior*

*Sloppy sloppy:*

*Describes it*

*Indulgent yes*

*Shooting comments*

Well:

- This **stuff**
- Is like

**Slurs**

Comments

Criticism

*It seems:*

Very **indulgent**

The **stuff**

They **throw**

Hasty

General

Not **polite**

So I **think**:

- Only **Gossip**

Not **based** on:

But **gossip**

**Make** it up

**Modern** Times:

The **behavior**

**Bothers** me

Yep

More **close**:

**How** people **act**

In these

**Modern** Times

One **thing** for:

- **Sure**
- There is a
- Lot of **Gossip**
- Around

***Modern Times:***

***Slurs***

*I **think** it is:*

*Only **Gossip***

*Not **based** on:*

*But **gossip***

***Make** it up*

*Only **Gossip***

*Not **founded***

***Cheap** talk:*

*Another **word***

*For **this***

## **About it**

**Female:**

- **Describes** it

***Female** is:*

***Subordinate***

***Dependent** on*

Level **One:**

- Is **Primary**

***Facts** and **facts**:*

*Make **sense***

***Female:***

***After** this*

So **Female** is:

- Level **Two**

*This is like:*

**Preference** based

*Usually:*

*Not exact*

## **Level Two**

**Describing it:**

- Level **Two**

*Heresay*

*Iffy*

**Guessing**

\

*Imagined*

*Hopeful*

**Wishful**

Can be:

- **Lustful**
- **Desire** based

**Think of:**

**Hunger**

*Greed*

*Ambition*

*All of **these**:*

*Level **Two***

*Only:*

*Level **Two***

**Female**

*Not **primary***

*Not **exactly**:*

***Based**  
Or **solid***

## **Selfish**

If **this**:

- Level **Two**
- **Only**
- Then **selfish**

*The **individual**:*

***Selfish***

*How can we:*

*Get **along**  
Selfish*

Too **much**:

- **Selfish**
- Is **empty**

*It would:*

***Eat the fabric***

*So:*

***Modern Times**  
**Slurs**  
Not **good***

*Only **selfish**:*

*Level **Two**  
**Female***

*Not **primary**:*

*Only **gossip***

## Seeing it

We **see**:

- **Modern** Times
- **Slurs**

*Indulgent*  
*Rude*  
*Poor **taste***

*And we:*

***See it around***

*Whoa:*

*So many **places***  
*People **go***

So we **wonder**:

- Is it only
- **Gossip**

*Is that:*

***All we made***  
***Gossip***

*We **see**:*

*Social **media***  
*Cell phone*

*Maybe **politics** too*

Is it only:

- **Female**

*Only **gossip***

***Frolicking:***

***Describes it***

*People **around**:*

***Modern** Times  
Seem to **indulge***

*Like **Frolicking***

***Indulging**:*

*We **see** it*

*Cheap **talk**:*

*Another **word**  
For **this***

## **Fooling Around**

How people **act**:

- In these
- **Modern** Times

*One **thing**:*

*There is a  
Lot of **Gossip**  
Around*

Are they **just**:

- **Fooling** Around

*Many **things**:*

*Could **hurt**  
**Someone***

***Indulgent** yes:*

*Is it **Put***

***Based** on **what***

***Shooting** comments*

***Slurs***

*Comments*

*Criticism*

Very ***indulgent***

The ***stuff***

They ***throw***

*Hasty*

*General*

Not ***polite***

Is it **Put:**

- **Founded**

***Based*** on *anything*

***Fooling*** Around:

*Like*

***Playing*** a game

*This is only:*

***Foolish***

*So it would be:*

Only ***gossip***

***Modern*** Gossip

## **The Locals**

Is it:

- **Them** too

The ***Locals:***

***Born*** here

***From*** here

Our ***setting***

How do ***they*** act

I hope **not**:

- Just
- **Fooling** Around

***Playing** a game*

***Gossip** is only:*

***Gossip***

*Not Level **One**:*

*Not **primary***

*Sort of:*

***Lowly***

*The **Locals**:*

*Not just  
One D*

## **Character**

We are **made**:

- Yep

***Not** a kid:*

***Forever***

**Character:**

- What **is** a man

*The **gossip**:*

*Not **amounting**  
To **much***

*Idle **talk**:*

***Gossip***

*Is it **Put***

***Based on what***

***Shooting*** comments:

***Slurs***

Comments

Criticism

Very ***indulgent***

Hasty

General

Not ***polite***

***Rude***

What about:

- **Character**

*And:*

*How to*

***Determine***

## **Trending**

Oh:

- What's
- **Popular** now

*For example:*

*He's a **star***

*Good **hair***

***Made*** teeth

***Good*** lines

*He's **popular***

*His **smile***

*Blue **eyes***

*Yep*

What's a **man**:

- **Made** of

***Gossip** won't do:*

***Nope***

*Not **enough***

## ENDING

**Modern** Times:

- Like **Now**
- Has **us** in it

*We are **here**:*

*In The  
**Modern** Times*

*Modern **Times**:*
