*A **dated** Story*

Over **time:**

- This **dates** back

*Quite some **years:***

*This **dates** back*

*I was **born:***

In the military

USA Military

At Young

Starting life:

- In the military
- Was **simple**

I usually:

*Stayed **home***

And just

***Be** there*

*As I **say:***

Things were

Simple

*Stay **home***

And just

***Be** there*

It really was:

- **Simple**

***Starting** life:*

In the military

On That Day

Well:

- It didn't **last**
- Forever

*People **grow** up:*

*And life
Continues*

My **dad**:

- Was an **officer**

*A high **rank**:*

In the military

I never:

- **Knew** him

*I **guess** that
He was at **work***

This was up:

*Until age **four**
4*

That was **until**:

- On That **Day**

*On That **Day**:*

*Me age **four**
My dad **died***

In the military:

*My dad **died***

Then that **left**:

Only **Ma**

It was on:

I **think** it was:

*She **drove** the

*3 **kids** and **ma***

Quiet One

Mom was:

- **Quiet One**

She never:

***Spoke** much*

After so:

- Long a **time**
- This **matters**

So she:

Quiet One

She never:

***Spoke** much*

*After **time**:*

*This **matters***

Article Lady:

- **Mom** in A **Box**

She never:

Spoke much

Quiet One

The 1950's

Over The Years

Same mom:

- Over The **Years**

She never:

Spoke much

Quiet One

Since:

The 1950's

Quiet One

She did:

- **Present** herself

But never:

Spoke much

She **posed** as:

- **Officers** Wife

*Sort of **elegant***

Since:

The 1950's

Post WW2:

The 1950's

She posed as:

Officers Wife

But never:

Spoke much

Quiet One

Since:

The 1950's

About Mom

Why so much:

- **History**

My Mom

Mother

Why An:

Article about

My Mom

Mother

Quiet One

About Mom:

- I **think** she was

Mom in A **Box**

I should say:

Then

I never really

Knew her

Apparently:

*A **Quiet** One*

She never:

***Spoke** much*

So **why**:

- In A **Box**

Mom** in A **Box

*She **wasn't** so:*

Great

*My Mom
Mother*

*I would **say**:*

Why

*My **guess***

In A Box

Mom:

- In A **Box**

*A **box** is:*

Square

*Like a **cube**
A **box***

*Not much **room***

*Not much **space***

Also, then:

*Not **exciting***

Mom **presented:**

- **Herself**

WW2 Girl:

*1940's **Based***

*The **style***

Methods

Ways

*1940's **Based***

*Probably **Christian:***

She didn't really

Say

She did:

***Present** herself*

But never:

- **Spoke** much

*She **posed** as:*

***Officers** Wife*

*Sort of **elegant***

*A **Quiet** One:*

WW2 Girl

*1940's **Based:***

*The **style***

Methods

Ways

*1940's **Based***

Also:

- A **Widow**

Officers Wife:

*A Widow
Dad died*

And times:

Were changing

Moving forward:

The times

Staying The Same

When the:

- **Times** are
- **Changing**

We can't just:

Stay the same

No:

*Staying The Same
Is like
Stuck*

After 1950's:

- The **times**
- Were **changing**

Moving forward:

The times

We can't just:

Stay the same

Mom **did:**

- **Stay the same**
- Pg 11

Jeez:

*Mom **stayed**
The **same***

All of those:

Years

*The **same***

Like one big:

- **Year**

Single:

*The **same***

So I never:

- **Knew** her

*And many **years:***

***Said** here*

About This

Did Mom:

- Have **fun**

*Enjoyment
Pastimes
Hobbies*

*Did **Mom:***

*Have **fun***

*Mom **stayed**
The **same***

All of those:

- **Years**

The same

I **think** she:

- Couldn't **figure**
- It **out**

To **nail** life:

Command

Dominate

Prevail

I **think** she:

Couldn't **figure**

It **out**

And many **years**:

- **Passed**

Since 1950's

Then why:

About this

Moms Method

I can **summarize**:

- **Encapsule**

*Moms **Method**:*

Old School

Posing

Presented One

*Probably **Christian***

*Moms **Method***

I **think** of it:

- **Dud**

*Moms **Method:***

Dud

Old School:

***Posing**
Presented One
Probably Christian*

She did:

- **Present** herself

But never:

***Spoke** much*

*She **posed** as:*

Officers Wife

*Sort of **elegant***

*A **Quiet One:***

WW2 Girl

*1940's **Based:***

*The **style**
Methods
Ways*

And **widow** too:

- **Whoa**

*Moms **Method:***

*I **think** of it
Dud*

*Moms **Method:***

Dud

Sort of:

- **WTF**

*Moms **Method***

The Math

So I **guess**:

- **Math** presents it

*Moms **Method**:*

*By **math***

Mom **fronted**:

- Like a **person**

*But not **exciting***

*Always the **same**:*

*Sort of **dud***

***Old** school:*

*Yet **dud***

*Not **exciting**:*

*Moms **Method***

I **think** of it:

- Like
- **Superficial**

*A **Painting**
On A **Wall***

*Like
Superficial*

Only **appearance**:

Like
Superficial

What it Means

Well:

- In A **Nutshell**

*What it **Means***

Simply put:

- Our **Law** says
- **Creator** made us

***Each one**:*

***Creator** made us*

*In The **Creation**:*

***Here**
Creator made us*

***Put** us too:*

Us

*So we **here***

Then:

- **What to do**

Like:

Life on earth

What to do

Remember:

- **Mom**

Article Lady:

My Mom
Mother

Mom in A Box

She **might** have:

- **Did** her **duty**
- But still
- **Dud**

Officers wife
Posing elegant
Widow too

Whoa:

So much stuff

Like **credential:**

- **Ticket** for ok

Yet still:

Dud

Not exciting:

Moms Method

I think of it:

Like
Superficial

A Painting
On A Wall

Like
Superficial

Only appearance:

Like
Superficial

So I **guess**:

- It didn't **work**

*Moms **Method***

Math Speaks

Mom probably:

- **Tried**

But maybe not:

Hard

In a **nutshell**:

- I **think** she
- Tried **popular**

*Things people **like***

Something that:

***Might** work*

***Guessing**:*

***Try** this*

***Try** that*

*Not **exciting**:*

*Moms **Method***

So I **guess**:

- It didn't **work**

*Moms **Method***

***Hit** and miss*

Abstract

Guessing

This would:

- **Amount** to
- **Duty** only

*Like to **staff***

So:

- In a **nutshell**

***Mortal** burden*

Not **from**:

- The **Creator**
- But

***Man** made*

Burden** from **man

*Like **only**:*

Duty** to **staff

***Man** made*

So **that**:

- **Says** it

***Creator** is:*

Immortal

***Man** made:*

Mortal

***Man** **dies**:*

Creator** is **big

So **moms**:

- **Method**
- **Dud**

*I **think** that:*

*It didn't **work***

*Moms **Method***

ENDING

Like:

- **Apples** and
- **Oranges**

*Not the **same***

***Black** and **white**:*

*Another **example***

Not all:

- **Things** the **same**

*Moms **Method**:*

Dud

*I **think** that:*

*It didn't **work***

*Moms **Method***

Like:

***Apples** and
Oranges*

Duty:

- Via
- **Mortal** burden
- Not **much**

Mom** was **dud

*Only **mortal** stuff*

My Mom

Mom in A Box

- **Did** her **duty**

- **Dud**

So much stuff

Moms Method

Hit and miss
Abstract
Guessing

Level **One:**

- **Appearance** only

Life's duty:

Up to us

Mom **missed:**

- Using **mortal**
- To please
- **Immortal**
