*To The* ***Reason***

**Two** things:

- We **wonder**

*We* ***wonder:***

***Why*** *do they*

***Do*** *it*

- **Introduced**

**People** today:

**Trying** for

*Two out of One*

*They are*

**Out** there

**Main** Piece is:

- **Method**

*How to:*

**Get**  
*Two out of One*

*What is:*

**Method**

*Let's use:*

*An example*

## Story

There is a **guy**

*His name:*

**Simple** *guy*

*He could be:*

*Like me*

*For example:*

**Me**

*People **gather**:*

***Around** him*

***Doing** something*

*His **task** or **duty***

Guy **notices**:

- Whoa
- They are
- **On** me

*Guy **notices**:*

*Whoa*

*Have you*

***Seen** them*

*He is:*

***Doing** something*

*His **task** or **duty***

*Guy **sees**:*

***People** gather*

***Around** him*

## The People

**People** gather:

- **Around** him

*He is:*

***Doing** something*

*His **task** or **duty***

These **people**:

- Can be
- Even just **one**

*Sometimes just:*

**One** person

**Guy** is:

**Doing** something  
His **task** or **duty**

The **people**:

- **Notice** guy

*Or they **notice**:*

*Him*  
**Doing** something  
His **task** or **duty**

So they:

- **Witness** guy

**Guy** is:

**Doing** something  
His **task** or **duty**

Sometimes these:

- **People** are
- **Trying** for
- **Two** out of One

**Thinking** of it:

*Maybe*  
**Planning** for it

**Trying** for  
**Two** out of One

*As they:*

**Witness** guy  
**Notice** Him

**Doing** something  
His **task** or **duty**

*Sometimes these:*

**People** are  
**Trying** for  
**Two** out of One

**Thinking** of it:

*Maybe*  
**Planning** for it

**Trying** for  
**Two** out of One

## Using Method

**Method** was:

- **How** to **get**
- **Two** out of One

*These People:*

**Trying** for  
**Two** out of One

*Maybe*  
**Thinking** of it

*Maybe*  
**Planning** for it

**Trying** for  
**Two** out of One

**How** to **get:**

**Two** out of One

## Method

If they:

- **Decide**
- **Possible**
- Then
- **Using** Method

*Getting*

*Two out of One*

## Appearance

The:

- **Two** out of One

*If people:*

*Gather*

*And want*

*Two out of One*

*Then critical*

The **point** of:

- **Decide**

*Try for it*

*Or no*

*Two out of One*

The **witness**:

- **Decides**

*Try for it*

*Or no*

*Two out of One*

Well:

- **What** does
- He **think**

**Witness of guy:**

**Wanting**

**Two** out of One

Try for it

Or **no**

**Two** out of One

**Seeing** guy:

**Doing** something

His **task** or **duty**

**Witness:**

**Wanting**

**Two** out of One

Try for it

Or **no**

**Two** out of One

He must **decide:**

- **Try** for it
- Or **no**

**Two** out of One

Then **critical** is:

- **What** does it
- **Look** like

**The:**

**Two** out of One

**What** does it

**Look** like

**Before** to:

Try for

**Two** out of One

*What* does it  
*Look* like

*Two* out of *One*

*If* **witness**:

*Decides*  
*Possible*  
*Then*  
*Using* *Method*

*Try* *for*  
*Two* out of *One*

## **Witness Goes**

General **Method**:

- **Appearance**

*As* *guy* *is*:

*Doing* *something*  
*His* *task* or *duty*

*And* **witness**:

*Goes* *for* *it*

*Trying* *for*  
*Two* out of *One*

**What** does:

- It **look** like

*Witness* *in* *action*

**General** description:

- **Witness**
- **Exclaims** something

*Could* *be*:

*Comment*

*Or could be:*

**Statement**

**Witness:**

- Has **chosen**
- His **method**

**Witness in action**

**Exclaims** something

*Like:*

**Comment**

*Or statement*

**In this:**

- His **chosen** method

*He has:*

**Interpreted** Guy

**Seeing** guy:

**Doing** something

*His task or duty*

Witness **has:**

- **Interpreted** Guy

*So he:*

**Witness**

**Claims** it

Witness **claims:**

- **Knowing** it

*What* Guy is

**Doing**

*His task or duty*

*Witness **has:***

***Interpreted** Guy*

*Then He **Claims:***

***Knowing** it*

***What** Guy is  
**Doing***

*His **task** or **duty***

## **Comment Content**

**What** does he:

- **Say**

***Witness***

*He **says:***

***What** it is*

***What** **Guy** is  
**Doing***

He **says:**

- The **value** of it

***What** **Guy** is  
**Doing***

And **so:**

- **Concludes**

***Witness** **says:***

*To **Guy***

What **Guy** is:

- **Doing** is

*Not as **good** as  
Witness does*

*Witness **claims**:*

***Knowing** this*

*And so:*

***Concludes***

*Witness **says**:*

*To **Guy***

*What **Guy** is:*

***Doing** is*

*Not as **good** as  
Witness does*

## **Guy's Situation**

What would:

- **Guy do**

*Witness **says**:*

*To **Guy***

*What **Guy** is:*

***Doing** is*

*Not as **good** as  
Witness does*

What would:

- **Guy do**

If **Allowed**

*If **Bought:***

*By **Guy***

*Guy would **lose***

***Lose** to:*

***Witness***

Well:

- **In** this

*What about:*

*Guy's **task***

*His **project***

*If **Allowed***

*If **Bought:***

*By **Guy***

*Then:*

*Guy would **lose***

*To **Witness***

*Poor **Guy***

Would Guy's:

- **Duty** or **Task**
- **Project**
- **End**

*Like:*

*Up in **smoke***

*Does Guy **lose***

*Is there:*

*No **hope***

Also:

- **Important** is

*What about  
**Witness***

*If Guy:*

**Loses**

*Can **Witness**  
**Get**  
**Two** out of One*

Is it **possible**:

- Can **Witness**
- **Get**
- **Two** out of One

*If Guy **loses**:*

*Can **Witness**  
**Get**  
**Two** out of One*

*Oh*

## **The Outcome**

Poor **Guy**:

- Just a
- **Simple** Guy

***Doing** something  
His **task** or **duty***

What **happens**:

- For **Guy**

*It **seems**:*

*Guy must **choose***

To **finish**:

- His **task**

*Guy should not  
**Lose***

It is:

- **Up** to **Guy**
- The **Outcome**

*Could he:*

***Stand** firm*

## **Possible Lines**

To **End**:

- **Two**
- Possible **Lines**

*Guy could **try**:*

*To **stand** firm*

Possible **Lines**:

- Guy could **say**

*Don't **touch**  
My **stuff***

*Don't **eat** at  
My **stuff***

Also:

- Guy could **say**

*Get your **head**  
Out of My **plate***

*Poor **Guy***

*Guy's **Situation***

*What would:*

*Guy **do***

## **ENDING**

It is **hard**:

- To **Get**
- **Two** out of One

*And:*

*Is it **possible***

*Can **Witness***

***Get***

***Two** out of One*

If Guy **loses**:

- Can **Witness**
- **Get**
- **Two** out of One

*I **think** that:*

*It is **hard***

*To **take** over*

*Someone **else's***
