Dirt Popup

*Let's **See***

The Start

If people:

- Associate
- With **dirt**

Then:

Who knows

When

*But it **occurs***

These people:

- **Act**

Dirt people:

Think of
Something

And:

They are
In dirt

They:

Think of
Something

Maybe they:

- Just
- **See** something

And so:

*They **decide to***
Pronounce it

*Like **speak***

Thought of:

- Or **seen** thing

*They **decide** to
Pronounce it*

*Like **speak***

*Probably **called:***

Announcing

*Their **good** thing*

Seeing it

Well:

- If they are
- In **dirt**

*It doesn't
Sound good*

They:

***Announce**
Pronounce*

*Their **good** thing*

*From **dirt:***

*But
It doesn't
Sound good*

Afterall:

- Dirt is **dirt**

*It doesn't
Sound good*

*We **see** them
Pg 7*

Today, they:

- Announce
- **Pronounce**

*Their **good** thing*
***From** dirt*

Even if:

It doesn't
***Sound** good*

They still:

Announce
Pronounce

*Their **good** thing*
*From **dirt***

It doesn't:

- **Sound** good

*Dirt is **dirt**:*

It doesn't
***Sound** good*

Their **good** thing:

- **From** dirt

*Their **statement**:*

Is

***Dirt** Popup*

*Their **statement**:*

***Dirt** Popup*

About Popup

Some people:

- Dirt **related**

Associated

*With **dirt***

Popup:

*A **statement***

Or comment

From dirt

*A **Dirt** Popup*

We **see** it:

- **Today**

From People:

Like

*Dirt **Related***

They:

- **Think** of
- Something

Announce
Pronounce

*Their **good** thing*
*From **dirt***

And

- Dirt is **dirt**

So:

It doesn't
Sound good

*As **popup**:*

Announced
Pronounced
*From **dirt***

It doesn't
Sound good

It doesn't:

- **Seem** right

Sort of like:

Awkward
Or crude

*As **popup**:*

Announced
Pronounced
*From **dirt***

It doesn't
Sound good

Point

Well:

- The **Point**

These people's:

Thought

*Like **statement:***

*Often **base***

When we:

- **See** it

It doesn't:

Seem right

Sort of like:

Awkward
Or crude

Base

Or dumb

Point is:

- Like **this**

*Only **popup***

Then:

That's
All it is
*Not **more***

Only a:

- **Thought**
- Out loud

It doesn't:

***Seem** right*

Sort of like:

Awkward

Or crude

*As **popup**:*

Announced

Pronounced

*From **dirt***

It doesn't

***Sound** good*

So:

- **Only** popup

That's

***All** it is*

*Not **more***

***Only** a:*

Thought

Out loud

Dirt Popup:

- **From** dirt

Awkward

Or crude

Base

*Not **more***

Normal Life

In:

- **Normal** Life

Like:

***With** people*

*Like a **group***

If we:

- Get an **idea**
- Thought

And we:

***Say** it*

*That's **normal***

Usually:

- **With** people

People

***Say** things*

And

Conversation

Continues

But **dirt**:

- Is **different**

*Dirt is **dirt**:*

It doesn't

***Sound** good*

Dirt **Popup**:

- From **dirt**
- Is **only** popup

It doesn't:

Sound

The same

So:

Dirt *Popup*

Is

Only *popup*

That's

All *it is*

Not ***more***

Only a:

- **Thought**
- Out loud

Dirt *Popup:*

From *dirt*

Awkward

Or crude

Base

Not ***more***

Only *popup*

Continuing

So in:

- **Conversation**

Continuing

Sometimes:

- People
- **Dirt** people

*Think of
Something*

And:

*They are
In **dirt***

They:

- **Think** of
- Something

*Maybe just
See something*

And they:

***Decide** to
Pronounce it*

*Like **speak***

Thought of:

- Or **seen** thing

*They **decide** to
Pronounce it*

*Like **speak***

*Announcing
Pronouncing
Their **good** thing*

Well:

- When this
- **Occurs**

And:

*Conversation
Exists*

***Dirt** Popup:*

*Doesn't **sound***
The same

Not as **good**:

- As

Conversation
Exists

***Already** thing*

*People **together***

Dirt Popup:

- Doesn't **sound**
- The same

*Not as **good***

So this:

- **Dirt** Popup

When
Announced
Pronounced

*Doesn't **sound***
The same

So not:

- **Contributing**

To Help

Participating:

- In
- **Conversation**
- Is **good**

*People **together***

*People **sharing***

Dirt Popup:

- From **weirdo**

*Doesn't **sound**
The same*

*Doesn't **fit***

So not:

- **Contributing**

It just:

Subtracts

*No **help:***

*Not
Participating*

ENDING

So we **see:**

- **Today**

***Dirt** people*

People like:

If they:

- **Approach**
