This is My **Article**:

- Rave Not

*It is **About**:*

Here
Now

*Current **Scene**:*

Here
Now

*USA **Now***
Today

In:

- Current **Scene**
- Now

*Much **Dirt** Around*

*So Much **Dirt**:*

Whoa

*I have **written**:*

About this
Dirt

Well, one **thing**:

- To say

*It's not **clean***
*The **dirt***

And:

So much **dirt**
That it's a
Concern

And **also:**

- One **thing**
- To **say**

It is not
Worth
Raving about

No **praise:**

The **dirt**

So:

Article is called
Rave Not

Not a
Pretty scene

Look **on**

About Dirt

I **said** that:

- In
- Current **Scene**
- Now

Much **Dirt** Around

So Much **Dirt:**

Whoa

So:

An **example**
Pg 2

First:

- The **immigrants**

Whoa:

*Have you
Seen them*

*They **abound***

- Too **many** immigrants

And:

***Worst** kind*

This is like:

*Type **zero***

*Type **zero**:*

Immigrants

Yep:

*That's **them***

Hey:

- Of the
- **Poorest** quality

This is like:

***Lowly**
And **dumb***

Yep:

*That's **them***

- That's no **help**

That's:

***Rave** Not*

These immigrants:

- **Lowly**
- And **dumb**

*They could **never**:*

Know USA

No

So **boo**

More Dirt

Reason for:

- **Rave** Not

More Dirt

So Much **Dirt**:

Whoa

*I have **written**:*

About this

Dirt

*It's not **clean**:*

The **dirt**

And:

So much **dirt**

That it's a

Concern

- Dirt **abounds**

Hey:

It is **around**

Pg 4

Behavior:

- A big **player**
- In current **bad**

*Like **dirt**:*

Boo

General Dirt

This:

- **Dirt** around

*Like **behavior***

***General Dirt**:*

Around

A **player**:

- **Abandon**

Whoa:

***This is**
Connected to
Behavior
Yep*

Main **factor**:

- **Abandon** dirt

***Lack of**
Responsibility*

Indulgence:

- A **related** word

Abandon:

***Yielding**
Dirt around*

Poor **choice**:

- If **choice**
- At all

People:

Lunging
Shrieking
Hurling

Mostly misses

*Not **accurate**:*

Wrongs

So:

- **Missing**

And:

Missing a lot

Whoa:

*Then **sloppy***

So:

*Result **dirt***

In:

- **General** abandon

*Not **responsible***

*A **poor** choice*

More of it

Example for:

- Indulgent **bad**

Bull in:

China Shop

This idea:

***Bull in
China Shop***

***Seems to be
Popular***

Too many **people:**

- **Attracted** by
- Or **partner** with

***Bull in
China Shop***

And that's wrong

Not responsible:

This

- Poor **behavior**

And such has:

Repercussions

It hurts people

Repercussions

Poor **behavior:**

- **Generally**

Like:

***Bull in
China Shop
Attraction***

***Poor** behavior:*

***Hurts** people*

It has:

Repercussions

Even **this**:

- Poor **behavior**
- By **people**

*Can **constitute**:*

***Bull** in
China Shop*

*That's not **good***

Why:

- It **spells**

***Invasion** of
Privacy*

*Bothering **others**:*

*Is **wrong***

*It **hurts**:*

*General life
Function*

Poor behavior:

- By **people**

*Can **scare** others*

*That's not **good***

So:

***Rave** Not
On **this***

The Setting

Current **Scene**:

- The **Setting**

Here

Now

*USA **Now**:*

Today

In:

*Current **Scene***

Now

*Much **Dirt** Around*

So Much **Dirt**:

- Whoa

*I **see** it:*

*For a **long** time*

***Years** of dirt:*

Bad

Description:

- We **see**
- Around

*Much **Dirt***

*By **appearance**:*

*No one **seems**
To **manage** it*

*I **see** it:*

*For a **long** time*

- **Years** of dirt

And **also**:

Since **years**
It **continues**

Omg:

That's **bad**

Who would:

- **Choose** dirt

Life is:

Hard enough

Dirt won't **help**:

No

We can't
Eat dirt

So:

- If it
- **Lasts** so long
- Then **decline**

Sad

Sad Decline

A **word** to show:

- **Decline**

What it **spells**:

Another **word**

Unravel

This is:

- Coming **apart**

Maybe even:

***Falling** apart*

*Could **this** be:*

*By **design***

Remember:

- People **choose**
- The **bad** behavior

Then:

***Not** pretty*

***Rave** Not:*

*The **not** pretty*

Unravel:

- Is **slim**

*A **poor** choice*

Summation

Much **dirt** around:

- Seems **deliberate**

***Chosen** mess*

*A **bad** choice:*

Dirt

And:

***Much** dirt around*

Pg 11

Indulgent
Abandon

This yields dirt

So it **seems:**

- A **choice**

*Not a **good***
Choice

Dirt

Unravel:

*Spells **danger***

ENDING

The **idea:**

- **Dirt**

*Is **shared***

Too much
Dirt around

And:

*For a **long** time*

Hard to:

- Keep **fresh**
- **Dirt**

*We could **get:***

Loss of interest

Sad:

This

For **people**:

- **Dirt** is a **mess**

***Deliberate** dirt:*

Shows

*By **abandon**:*

*This **shows***

Nothing to:

***Rave** about*

*Only **subtraction***

***Article** is:*

Then

***Rave** Not*
