

Two Way View

Author: Thomas Lloyd
TheEvenMind

This is My **Article**:

- Two Way View

*It is **About**:*

*These **Days**
Like
When We **Encounter***

*To **Meet** Someone:*

*Encounter
Sometimes **Yes***

*We **Do**:*

***Encounter**
Sometimes*

What We **Think**:

- In Encounter
- **Depends**

Depends on:

***Hey**
The Other
Person*

Common Example

Sometimes:

- We **Meet**

Either by:

***Choice**
Or Not*

Sometimes
*We **Meet***

To **Meet** Someone:

- Encounter
- Sometimes **Yes**

*We **Do**:*

Encounter
Sometimes

Well:

- What is it
- **Like**

*To **Meet** Someone:*

When We
Encounter

These **Days**:

- If Encounter
- It is **Slim**

*Not Much **Choice**:*

I Think

For example:

*Common **Example***

All too often:

- People are
- **Hasty**

Quick quick:

*Is **Hasty***

Sometimes:

*Not **only** hasty*

Not only **hasty**
But **nasty**

Yep

If Encounter
It is **Slim**

These **Days:**

If Encounter
Can Be **Slim**

We might
Want more

Two Choices

I have **seen:**

- Too **often**

If Encounter
Can Be **Slim**

Like:

Only
Two Choices

Remember:

At any **time**
We could **meet**
Anyone

So:

- Hard to **get**
- By

Only
Two Choices

Only:

Two Choices

This is **like**:

- Good or bad
- Right or wrong
- Like or not

*I have **seen**:*

*Too **often***

***If** Encounter*

*Like **only***

Two Choices

This can be:

Slim

Remember:

*At any **time***

*We could **meet***

Anyone

So:

*Hard to **get***

By

Only

Two Choices

The Meeting

Remember:

- Common **Example**

I am:

***With** someone*

Maybe:

***Passing** time*

Then someone:

- **Else** comes

Maybe they:

***Hear** something
You **say***

*Or they
Ask a question*

*In **either** case:*

*They **hear**
Something*

They **hear**:

- Something from
- **You**

It could be:

*A **statement**
A fact*

*They **hear**
Something*

Something:

***Put**
Like by **us***

*They **hear**
Something*

Interpreting

So:

- **Stranger**
- Comes

*They **hear**
Something*

They **hear**:

- Something from
- **You**

It could be:

*A **statement***

*A **fact***

*They **hear***

Something

And they:

- **Interpret**

Somehow:

With just

***One** line*

Put

*A **statement***

*A **fact***

They

Interpret

And what they:

- **Do**
- Is The
- **Two** Way View

***Article** is:*

*Two Way **View***

*When **Stranger**:*

***Hears** us*

They

Interpret

And it:

*Can Be **Slim***

Slim like:

- Only
- **Two** Choices

They **sum** us:

Up
So **quick**

Hasty:

Only
Two Choices

Remember:

At any **time**
We could **meet**
Anyone

So:

Hard to **get**
By

Only
Two Choices

So **Encounter:**

- Can Be **Slim**

Only
Two Choices

Only:

Two Choices
Is like

Good or bad
Right or wrong
Like or not

Not so **kind**

The Method

Method used:

- **Only**
- Two Choices

*I have **seen** it*

*The **Method**:*

*By **them***

Only

***Two** Choices*

When they:

- **Hear** us
- Like **one** line

*They **either**:*

Like it

*Or **not***

*They **like** it*

Or

*They **don't***

Like it

*Like **one** line*

***Just** one line*

They either:

***Like** it*

*Or **not***

*They **like** it*

Or

*They **don't***

Like it

This:

- Can Be **Slim**

Only
Two Choices

They either:

Like it
Or **not**

They **like** it
Or
They **don't**
Like it

Not so **kind**

Manifests

We **see** this:

- Stranger's
- **Behavior**

He **hears** it:

Interprets as

Like it
Or **not**

They **like** it
Or
They **don't**
Like it

Slim

So we **wonder**:

- Well
- **How** does it
- **Manifest**

How **does** it:

Appear

Stranger's
Behavior

Tell me
Tell me

What does it:

Look like

We **wonder**:

How does it
Manifest

How does it:

Appear

Look like

Crime Scene

Well:

- You **know**

So **often**:

For **starters**
It is **slim**

What I **mean**:

Is
They **approach** it
Like A
Crime Scene

This is:

- **Main** Point

It **seems** that
They **approach** it
Like A
Crime Scene

They **hear**:

- A **statement**
- A fact
- From **us**

They **Interpret**:

Like A
Crime Scene

What I **mean**:

Is
The **Form** of it

When they:

- **Hear** us
- Like **one** line

They *either*:

Like it
Or **not**

They **like** it
Or
They **don't**
Like it

Like **one** line
Just one line

Only
Two Choices

Like it
Or **not**

They **like** it
Or
They **don't**
Like it

Seeing it

Remember:

- We **put**
- Or **offer**

*A **statement***

*A **fact***

*From **us***

*They **hear**:*

*A **statement***

*A **fact***

*From **us***

*They **Interpret**:*

Like A

***Crime** Scene*

Only

Two Choices

The Choices

So:

- **Tell** me
- Tell me

What does it:

***Look** like*

*We **wonder**:*

***How** does it*

Manifest

*The **Two** Choices:*

Like A

***Crime** Scene*

*The **Choices***

They **either**:

- **Take** what you
- **Say**

As **Confession**
From **Crime** Scene

Or they:

Think you want
To **discuss** it

Like
Open an
Investigation

The **Two** Choices:

- Like A
- **Crime** Scene

Interpret:

As **Confession**
From **Crime** Scene

Or
Think you want
To **discuss** it

Like
Open an
Investigation

The **Two** Choices:

Like A
Crime Scene

Whoa **slim**

ENDING

Only:

- Two Choices

Remember:

*At any **time**
We could **meet**
Anyone*

So:

*Hard to **get**
By*

***Only**
Two Choices*

Yet:

- These **Days**
- Like
- When We **Encounter**

*People **like**
Two Way **View***

*Either **one** way
Or the **other***

Like** it or **not:

***Only**
Two Choices*

*People **like**
Two Way **View***

*All I Can **Think:***

- Is
- Maybe
- **Military** View

*Military **Training:***

Perhaps

***Article** is:*

*Two Way **View***
