Several words:

Used

*To **describe** it*

Yet:

Simple

- Bum

Why Bum

If **Story** is:

- **About** Bum

Then:

Why Bum

Well, again:

- **Simple**

I see it:

Around

So **here** is:

- **Bum** Story

Article about:

Bum

I see it:

Around

Bum

Then Bum

Straight to it:

- **Bum**

Like:

Huh

What is it:

Bum

Well look:

- **A Bum**

Standard

Definition

Is enough

Bum Description

Pg 2

*I **see** him:*

Around

He Is

As I say:

- I **see** him
- Around

Bum

And I don't:

Think it is
Good

Some **description:**

- Bum is

A vagrant

This is like:

Traditional

Homeless person

This is like:

- **Hobo**

We **saw** hobo:

After
Civil War

People **wandered:**

Like **homeless**
Across the **nation**

Wanderers:

- No **home**

This was like:

Tramp

Vagabond

Or even

Derelict

Not of the:

- **Common**

Bum

Drifter

Also could be:

- **Drifter**

Wandering

From

Place to place

Some are:

Travelers

International

Travelers

- **Bum**

Down-and-out

Drifter

Outcast

Ne'er do well

*Good for **nothing***

Pariah

Derelict:

- **A lazy**
- **Worthless** person

Could be a:

Beggar

Oooh

Shiftless

This guy:

- **Bum**

Shiftless:

Any means
Possible

For:

Selfish pursuit

Like:

Bad man

No **scruples:**

- Not **moral**

No

Any means:

Possible

Scrounge

Mooch

Or **beggar**

Not paying:

His own **way**

- **Bum**

Of **poor** quality:

Bad or wrong

No Good

We **see**:

- People **ask**

Like:

Why would
Someone

Call me a **bum**?

Probably it:

Feels bad

- **Called** a bum

Bum is like:

Worthless
Irresponsible

Maybe:

He is **lazy**

Doesn't **contribute**:

Like

To a **cause**

Selfish
Rogue
Individual

Leads to:

- **Main** Part

Bum:

*I **see** him*

Around

Here

The guy:

- I **see** around

Bum

Based on:

*Not **knowing***

Btw:

This is what

Ignorance is

Not knowing

USA:

- **Many** people
- **Many** ways

*So much **stuff***

*And I **see:***

Bum around

Based on:

- **Not** knowing

And:

Boasting from
That

Pg 7

Jeez:

- **How** can
- **This** be

Based on:

Not knowing

And:

Boasting on:

Not knowing

Hey:

There's

Nothing there

So:

- **What** a bum

Boasting on:

Not knowing

Jeez

Going Far

Well:

- **Here**
- USA

I think:

Bum goes

Way **back**

I can:

Jump to point

Pg 8

- **Here**

I think:

*George
Washington*

*A **bum***

Of course:

*I can
Say **why***

*George
Washington*

*A **bum***

About:

- **Going Far**

Here:

USA

I think:

***Bum** goes*

*Way **back***

I think:

*George
Washington*

*A **bum***

Probably

He was:

- Not **from** here

George
Washington

No:

Founding Fathers

Born here

Not **native**

And:

- At **first**

Only 13 **states**

Small:

USA

George
Washington:

- **Had**

Bad
Track record

In **Europe**

Bad guy:

A **bum**

So *probably*:

Unproductive

Probably:

- **Low** ambition

Probably:

No **ideals**

Low values:

Like

Degenerate

Maybe even:

- **Rotten**

George

Washington

Idleness:

- Or
- Lack of **purpose**
- Is **lazy**

Bum

Probably so:

Bum

George

Washington

Convenience

Well:

- **Why** is he

In our face

God damned:

George

Washington

Jeez:

Tell me why

To **make:**

- A **long** story

Short

13 states:

- **Construct**

I think:

*George
Washington*

A bum

Maybe:

*Non **existent***

So:

- **13 states**

Pushed

*George
Washington*

*In our **face:***

For 300 years

They suck:

- **Yep**

That's what:

I think

13 states:

Construct

*George
Washington*

Bum

Maybe:

- Non **existent**

*They **made** him:*

*In our **face***

*For 300 **years***

*I **think** yes*

ENDING

All of:

- These **guys**

*13 **states***

Do we:

- **Know** them

Do we:

***See** them*

Do they:

- **Coast**

*For 300 **years***

Jeez:

***Looks** like it*

And as:

- **Bum**

What about

***Children** of:*

*The **bum***

- **Empire** of bum

Omg:

***Seems** like it*

*What a **mess***

This is like:

*Not **more** than*

Bum

*USA **Bum***

***Article** is:*

***Bum** Story*
