This is My **Article**:

- The 13

*It is **About**:*

13 states

In USA:

***Definition** starts*

With:

13 states

These:

13 states

*Were **called**:*

Original

13 states

Definition

This is:

- **Definition**

13 states

Again:

*This is **for***

Country USA

I **grew** up:

- Here

USA

Definition:

USA

Was ***taught***

In school:

Mandatory school

Definition:

USA

Was ***taught***

School taught:

- **Definition**

USA

Definition:

- 13 states

Is with:

Constitution

So:

- **Definition**

USA is:

13 states

And a

Constitution

Pg 2

Contents

If:

- **USA Definition**

13 states:

And a

Constitution

Then:

Constitution

Contents

Basically:

- Constitution **says**

Federal Government

USA is:

Federal *Government*

This was **put:**

- With

13 states

Definition:

- **Original**

USA

13 states:

And

Federal *Government*

Pg 3

Government

This gets:

- **Poor**

What I *mean* is:

Definition

Federal Government

This is:

- **Actually**

Quite *simple*

Federal Government:

- **Is**

We *know*:

3 branches

These *are*:

Scotus

Potus

Congress

3 branches:

Federal Government

These 3:

- Scotus
- Potus
- Congress

Are:

Supreme Court

Executive Branch

Congress

Pg 4

3 **branches:**

Federal Government

Put:

- Constitution

Joke

We see:

- **Already**

*This **looks** like:*

Joke

What I **mean** is:

- Wtf

What is *there*

Omg

I am **from:**

- USA

Point is:

We never **knew**

13 states

I am:

- **West** Coast

So:

New York

Was **said**

Pg 5

But not really:

- **Known**

Maybe:

Broadway

But really:

Not ***known***

The **others:**

- 12 **other** states

Not ***known***

So:

- In **USA**

We ***know:***

Nothing

About:

13 states

Jeez:

A rook

Maybe:

A cheat

Bad for sure

Author

Continue:

- To **here**

About:

Constitution

USA:

- **Constitution**

Author is:

*George
Washington*

*This **man**:*

*George
Washington*

Was:

First *president*

Point is:

- **Federal** Government

*3 **branches**:*

*Scotus
Potus
Congress*

*Supreme Court
Executive Branch
Congress*

Federal Government:

- Was **made**

By:

*George
Washington*

*3 **sentences**:*

*By **him***

George
Washington

Made:

Federal Government

Btw:

- We have **seen**

Federal Government

USA

Omg **big:**

- **Yep**

We have **seen**

Federal Government:

USA

Big

So:

- **Point** is

How can:

George
Washington

Make:

Federal Government

3 sentences:

Federal Government

3 branches:

Scotus
Potus

Congress

Supreme Court
Executive Branch
Congress

- **Federal** Government

Made by:

George
Washington

- Seems **abstract**

Hey:

There's **more**

More

Continue to:

- **More**

Whoa:

- **Here** is a
- **Point**

I grew up:

Here

Point is:

- For 300 **years**

13 states:

Have **put**

George
Washington

In our **face**

Pg 9

Damn:

- This **hurts**

Closer is:

*A piece of **shit***

*George
Washington:*

Only

*A piece of **shit***

From:

- 13 states

And:

*In our **face***

*For 300 **years***

Length

Whoa:

- 300 **years**

*A long **time:***

Eh

*300 **years***

Well:

- My **plan** is

*To **exit***

Look here:

*A **definition***

Pg 10

Then, of course:

Said exit

Definition:

- We can **get**

How long:

*Can we **make***

*A straight **line***

Damn:

- This is **easy**

So maybe:

*You **got** it*

Already

Point is:

- **Can**

***Federal** Government*

Proceed:

300 years

In a:

***Straight** line*

***Federal** Government*

3 sentences:

- **Federal** Government

3 branches:

Scotus

Potus

Congress

Supreme Court
Executive Branch
Congress

Federal Government

For 300 **years**:

- A **straight** line

Not **possible**:

A **straight** line

300 years **long**

No

ENDING

So:

- Facts **put**

To **exit**:

Is USA

There

Definition:

- 13 states

And a:

Constitution

3 **branches**:

Federal Government

Court
Congress
President
Pg 12

Straight line:

- 300 **years**

How *can it* **be**

I **think** *no*

So **does**:

- USA **exist**

Is it **put**

Did it **start**

Are there:

- 13 **states**

I **think** *no*

Article *is*:
