After

Five years

Still:

Disbelief

Description

Disbelief:

- Currently **present**

*We **see** it*

Since we:

***See** it*

*Then **description***

People are **mad**:

- **Loco** is
- Everywhere

*We **know** this:*

*Is **true***

For example:

*The **older***

The further from
Before
It is

Cool

What I **mean** is:

- Zero **core**

This is like:

Wtf

With some:

Examples

Then we can:

See

Same *page*

Then **facts**

Just a few:

- Examples

Like:

What *is a*
Country

Pg 6

Often is:

Blood line

USA **no**

Religion is:

Questionable

But we do:

- **Have**

Language

English speaking:

USA

Probably in:

All **parts**

That is **good**

English speaking:

- USA

But the:

Disbelief

Like:

- Language in
- **What**

Do states:

Know each other

Do people:

Know each other

Purpose for:

- Language

Not always:

Clear

Why we are:

Here

Dunno

Like:

***What is a
Country***

Picture is:

- Not clear

So into:

Disbelief

Name *them*

But I think:

You **see** *them*

Wtf:

- I don't **like**

Immigrants

Not **here**:

For sure

What about:

- **Education**

I think:

*For **long** time*

- **Non** schooling

That's what:

*It **looks** like*

***What** do:*

***Kids** think*

USA is **big**:

- **Build** a man

*Each **person**:*

***Build** a man*

Not just:

Abstract

It **looks** like:

- No **plan**

And in:

Abstract

*Like **lack***

Common is:

- A **mess**

And I think:

Deliberate

That is:

*Not **cool***

More

Examples:

- **Mentioned**

And now:

More

What about:

- **Example of**

Bs

Or ignorance

*So **stupid:***

***Many** things*

*Not **knowing:***

Is not

Cool

So much bs:

- **And**

Government too

It is like:

Trying

Trying to:

*Not **know***

*So **ignorance:***

*And **staff** too*

Yes

So Many

Examples:

- So **many**

Remember:

Topic

Disbelief

And **also:**

Number **three**

Example here:

- The **law**

*These **days:***

Currently

Practice is:

Common law

Definition is:

- **Unwritten** laws
- Agreed on
- By the **few**

Give me a:

Break

This is like:

Queer

*These **guys:***

Hmmm

Cross eyed:

At least

And also:

- **Celebrities**

Omg:

*Have you
Seen them*

This is like:

Wall to wall

It seems:

*Every
Tom dick and
Harry*

Is celebrity

And these guys:

- **Pushed**

By staff:

As **primary**

I think no:

Not **this**

Omg:

Gag

Design

Variety:

- **Shown**

Pg 13

Omg:

The **disbelief**

So:

- Hard to
- **Imagine**

Disbelief as:

Hard to imagine

Another **word** is:

Shocking

Disbelief is:

- **Shocking**

And it is:

Everywhere

We **see** it:

Everywhere

So:

- **Design**

Like:

How did it
Get this **way**

Good to **ask**:

Disbelief

I think:

- **Court**

I have:

Told them

Five years ago:

Same as this

Disbelief
Everywhere

I **hope** we:

- Don't **rot**

Disbelief
Everywhere

Omg

Court has:

- **Designed** this

Disbelief
Everywhere

Deliberate:

Volitional

Chosen cause:

- The court

*And I **told:***

Them

*For **five** years*

Still:

Disbelief
Everywhere

We **see** it
Pg 15

Look:

- Immigrants
- Non schooling
- Bs or ignorance

- Bad law
- Celebrities

Examples

*So much **bad**:*

Hey

*Too **much***

Disbelief

Everywhere:

*Too **much***

And we:

- **See** it

Design:

The court

*I **told** them:*

Now

*For **five** years*

Military

Wtf:

- Military

*What **good**:*

Is this

Are they:

Out *there*

Protecting *us*

Lol:

I think ***no***

Military is:

- **First** move
- **Defensive**

Like:

Where *can you*
Go from ***there***

Lol:

Again

Jeez:

What a ***mess***

Then ***point***

Point

Article is:

- **Three** Revisited

I ***told*** *court:*

Five *years now*

Triple *disbelief*

So much ***bad:***

Triple *disbelief*

Pg 17

So many:

- **Errors**

So *wrong*:

So *many things*

No *good*

And **design**:

- Court

Deliberate **design**:

Yep

Wtf are *they*:

Court

Disbelief is:

- **Triple**

Three parts:

Bad stuff

So much **bad**:

Hey

Too **much**

Formula

Let's **talk**:

- Like

Make your own

Triple disbelief:

Make your own

Look around:

- Then

Formula

Hey:

We can ***do*** this

For example:

- **Pick** three
- **Bads**

See them:

Pick three

Then:

- With **formula**

Make:

Triple disbelief

Not too ***hard:***

Oooh

Bads:

- **See** them
- **Pick** three

With ***formula:***

Make:

Triple disbelief

What a ***mess***

And **you:**

- I think you
- **See**

It is **there**:

Triple disbelief

Still **there**

And so much:

- **Variety**

Yet **bad**

So:

Too **much** bad

Point put:

Too much **bad**

Action

Well **this**:

- **Main** point

Quickly:

Then **leave**

So much:

- **Disbelief**

Omg

And **hey**:

We **see** it

Then:

- **Add**

I told them

Court

Pg 20

For **five** years:

Told them

So **word**:

- **Action**

Do you **get** it

Look

This **much**:

- **Disbelief**

Designed by:

Court

And **five** years

This **much**:

- **Makes**
- An **action**

Whoa:

An **action**

Leaving on:

That **note**

Man:

- I **think** you

Get it

Toodles

Too **much**:

- **Disbelief**
