This is Article:

- Guy Hitman

He is a:

Guy

Name is built:

- Two words

HIT MAN

A Guy:

We Might

- See

Like:

On The Street

Called:

Hitman

Him

Hitman:

- A Person

A person:

Or

Like a person
Pg 1

We see him:

Around

A Bit like:

- A Rogue

We could:

See him

On the street

Or like:

When we
Go places

When we:

- See him

He seems

To want to
Do something

Though he:

Seems to

Want to
Do something

- It's not much

He doesn't seem:

- To know

What it is

What to do

But he does:

- Seem

Willing

Almost posing:

- Hitman

Him ready:

- To

Take a hit

This could:

Explain

Hitman

Name hitman

Him ready:

- To

Take a hit

Reason

So we:

- See him

Hitman

See him:

- Around

And him:

- Name

Hitman

Reason is:

- He is

ready
willing

Maybe:

volunteering

- To take
- A hit

Take a hit:

For someone

Him:

- Fronting

To take
A hit

So this:

- Is why

Called Hitman

Reason for:

- Name

Hitman

As Hitman:

He seems

ready
willing
volunteering

To take
A hit

For someone

Hitman

Pg 4

About

So him:

- Hitman

Can be:

Willing

To take

A hit

For someone

And we:

- Might

See him

Like:

On the street

Since this:

Seems true

Probably he:

- Believes

In a Cause

Him:

- Hitman

And a cause

To believe in:

A cause

More

We see:

- These Guys

Hitman

We see them:

- Around

Like:

On the street

And they:

- Seem

Like willing

Willing to:

Take a hit

A hit:

For someone

Example:

- Cause

Willing to:

Take a hit

A hit:

For someone

When we:

- See him

Like on
The street

He might:

- Have

Some idea

Idea like:

- Maybe

honor

Or tradition

He might:

- Cherish

Some:

Way of Things

When we
See him

Like on
The street

He seems:

- To have

Some idea

Idea like:

Willing to

Take a hit

A hit:

For someone

Hitman

What

Him:

- Hitman

And a:

Cause

He carries:

- Idea

Like a cause

Some idea

Idea:

- He may

Believe in

Idea like:

- Correct

Maybe believe:

In correct

But:

Most Times

When we
See him

Like on
The street

He doesn't:

- Seem

To know

What to do:

Him no

Yet:

- Him

As Hitman:

He seems

Willing

To take

A hit

For someone

And:

- Also

We see:

He may

Believe

In a cause

Liking

So him:

- Hitman

It makes:

Sense

He may

Believe

In a cause

As Hitman:

- He may

Like

Popular Way

This is:

- Like

Current:

Things now

Popular Way

Sometimes:

When we

- See him

He is:

pushing trending
believing in
trending

Example is:

- Advocate

Now Thing

Hitman may:

- Like

Popular Way

Current

Things now

We Do:

See him
Around

Hitman
Pg 10

This is:

For Sure

We Do:

- See him

Yet:

- Also

Like:

At the
Same time

Concurrently

He doesn't:

- Seem

To know

what to do

Or:

- if he has
- an idea

If he has
a cause

At the:

Same time
Concurrently

He doesn't
Seem

- To know

So is this:

- Dumb

Hmmm

Then when:

We see him

We only:

- See him

As Hitman

More is:

- Not sure

We Do:

See him
Around

Yet:

Not too
Definite

No

Action

Well:

- Since we

See him

Like around

Like:

- On the
- Street

Well:

Sometimes
Pg 12

He may:

- Do action

And this:

- Whoa

Like:

To see him

Well:

Sometimes

It is:

- Shocking

Him:

- There

Maybe:

Poorly taught

Maybe:

Not taught

Not taught

At all

Shocking:

- Like

Acting bad

Yep

We Never:

See Hitman

Pg 13

With:

- A
- Good Idea

No

Since true:

- Then

Though:

He may
Seems like

Want to
Do something

Still:

He doesn't

- Seem

To know
What it is

Baffling

Purpose

Still:

- It seems

Hitman

Tries to:

Serve

A cause

We know:

- He may

Believe in
A Cause

He might be:

- Fond

Fond of:

- Maybe

Honor

Or:

Tradition

Some cause

He might be:

- Fond of

Popular Way

Remember:

Him

pushing trending
fond of trending

We have
Seen him

So:

- Not sure

His cause
Purpose

Clear

Well:

- As hitman

What about:

Clear

He May:

- Advocate

Front for

Like:

Now Thing

Or:

Current Way

Still:

- It seems

Hitman:

Not Clear

Maybe:

Teaching is
Bad

Maybe:

He doesn't

- See

See Things:

Good

We Never:

- See him

Offer:

- Like

Good Thing

So him:

- Hitman

And:

Action

Not usually:

Clear

No

Vague

Well:

- If him

Seen

And:

- Also

Usually not
Clear

Then is he:

Vague

Only vague

Iffy:

Wishy washy

Only vague

This is:

- Hard

Pg 17

Hard to:

Depend on

Oooh

Hitman:

And Action

Not usually
Clear

So this:

Not Really

- Honor

No

Then what

We see:

- Hitman

He seems:

Not Clear

Yet:

May Believe

In A Cause

Could it be:

- Politics

Can this:

Might be

- A Cause

For Hitman

Or just:

- Hitman

doesn't Seem
To know much

Teaching is
Bad

Doesn't See
Things Good

Wtf:

- Hitman

We Never:

- See him

Offer:

Good Thing

No

If He:

- Is

Short:

Like on

Definition

And short:

Under Developed

Then his:

- Cause

Cannot be:

Clear

Not clear:

Or vague

No

Yet still:

- He

We see

And this:

- Would

Show again

He is only:

- Hitman

Willing to:

Take a hit

For someone

Like A Cause

But short:

Definition

Vague:

- So

He would:

Want to

Do something

Yet:

- He doesn't
- Seem

To Know:

What it is

Short on:

Definition

Like:

Under Developed

Or:

- Not Clear

And if he:

Believes

In A Cause

Then:

- His Cause

Cannot be:

So Clear

Either

Huh

Christian

A Funny:

- Thing

Comparison:

Hitman and

Christian

If he:

- Hitman

As Hitman:

- Would want

To Do
Something

Yet:

He doesn't
Seem

To know:

- What it is

Then:

Comparison

Hitman and:

Christian

Let's see:

Definition

Christian

Definition

This:

- Christian

Compared to:

Hitman

Christian:

- Definition

Would be:

he would go
out
into the world
and

stamp
his feet around
for a while

then
after time
he would
go home
and

wait for
Grace
to land upon
him

Definition:

- Christian

Compared to:

Hitman

Here:

- Christian

Going out
into the world

Could include:

Like

- Hitman

He:

Hitman

By Definition

Would:

Take a hit
For someone

So then:

- Him

Hitman:

Even as
Christian

Would still be:

Willing to

Take a hit
For someone

Sad

If he:

- Hitman

Just Christian:

Only Christian

Then it:

- Can

Make Sense

That Hitman:

- And his
- Cause

Do Not:

Seem Clear

ENDING

So:

- We

Can Never:

Be Sure

About result

Any Result:

- When we
- See

Christian
Definition

Compared to:

- Hitman

Zero

If he:

Hitman

Just:

Christian

Only Christian

Then:

Good luck

It can:

Make Sense

That:

- Hitman

And his
Cause

Do Not:

Seem Clear

And we do:

- See him

Hitman:

Around
