When:

- USA

First started

Early settlers:

Original settlers

Probably used:

English language

Background

I am:

- Not sure

How many:

Original settlers

Were literate

I am:

- Not sure

How many:

Original settlers

Could:

Read and write

But for sure:

Original settlers
USA

Probably:

- Spoke

English language

So:

- From

USA start

I think:

- There was

Use of:

English language

I think:

Original settlers

USA

Probably:

- Spoke

English language

Timeline

Since:

Original settlers

USA

Probably:

Spoke english

Then:

- I think

It did

Continue

English language:

- Use

By the people

From:

- Early settlers

Up to:

Post
Civil War Era

- Year 1840

English language
USA

Discuss

We start:

- Thinking

About:

Original settlers
USA

From:

- Year 1750

English language
USA

At that time:

- Year 1750

Original settlers:

- USA

Probably did:

Speak
English language

Then:

- Later

Like:

After then

Like:

- From

Year 1750

Up to:

- Year 1840

Post

Civil War Era

About:

- 100 Years

USA did:

Still speak
English

USA:

Probably

Spoke:

English language

From:

Original settlers

Up to:

Year 1840

Post

Civil War Era

Starting

After:

- Start

Original settlers

USA country

USA:

Made progress

This is:

- After

Year 1750

USA:

Grew and
Developed

We see this:

- Like

In:

Documented
History USA

There are:

- Many stories

About:

USA development

Development:

- After

Year 1750

Then after :

Year 1750

USA english:

- Grew and
- Developed

USA:

- From

Year 1750

To:

Year 1840

Post

Civil War Era

Adapted for here

- USA here

And it:

- Adapted

To here

USA:

Yes

Up to 1840

USA started:

Original settlers

USA

They:

Started country

Also began:

Ways of

People here

USA people

Yes

Pg 9

Remember:

- There are

Many stories

About:

USA development

Development:

- After

Year 1750

After that time:

Year 1750

USA

English language:

- Grew and
- Developed

So here:

- Discuss

Mention

Important facts:

- History of

English language

USA

We know:

- USA

Did not

Originate

English language

No

English language:

Came from
England

Original settlers:

- USA

Started country
USA

But:

English language

Used here:

Came from
England

So here:

- Discuss

Mention

Important facts

History of:

English language
USA

In:

Year 1840

English language:

Went through

A major change

- Look

Pg 11

A Change

From:

Year 1750

To:

Year 1840

USA:

- Spoke english

Yes

Then:

- Also

England

Still was:

Using english

Too

Older english:

- There

England

Like:

Previously

It was:

Shakespearean
English

Or:

- Early Modern
- English

Pg 12

This:

Early Modern
English

Known as:

Elizabethan
English

Or:

Shakespearean
English

Started in:

- Times of

Queen
Elizabeth 1

This:

- Early Modern
- English

Was from:

Late
15th century

To:

Late
17th century

Roughly:

1500 to 1700

Then:

- Year = 1840

English language:

- Changed

It went through:

A major change

In Year 1840:

English language

- Upgraded

It went to:

A Better English

Called:

- Modern English

Compared to:

Previous english

Called:

- Early Modern
- English

The new:

- Modern English

Was:

A better
English language

Story

So:

English language

- Was improved

Upgraded

The new:

- Modern English

Occurred during:

- Times of

Queen Victoria

Then it was:

- Called

Victorian English

From the:

Times of
Queen Victoria

This:

- Modern English

Became current

In Year 1840

- In england

Prior

So:

- Year 1840

Modern English:

Became current

Called:

Victorian English

In Year 1840:

- Upgraded

Upgraded to:

A Better English

- Modern English

Or:

Victorian English

- Year 1840

Prior:

Original settlers
USA

Started country:

- USA

Helped to:

Start country

Also:

- They

Spoke

English language

But:

Original settlers
USA

Spoke:

English language

Not from:

- England

Not directly:

From England

No

Remember:

- We know

USA people:

In USA

Are not:

British

Not like:

People in
England

No

USA people:

Are USA people

British people:

Are

British people

But:

English language
USA

From:

Original settlers
USA

Did continue:

- Years =

1750 to 1840

We see this:

- Like

Written in

History books
USA

Known Fact

In USA:

- One fact

About:

English language
USA

At time:

- Post
- Civil War Era

Year = 1840

English language:

- Changed

At time:

Year = 1840

English language

- Upgraded

In england

Then:

Year = 1840

Pg 18

England declared:

Victorian english

Times of:

Queen Victoria

Previous:

Early

Modern english

- Upgraded

Upgraded to:

Modern english

A new name

Called:

Modern english

Or:

Victorian english

Modern english:

- Year 1840

But USA:

- Somehow

Did not know

It is:

- Recorded

At time:

Year 1840

Pg 19

Victorian english:

Of england

Starting:

- Year 1840

Called:

Modern english

It was not:

Brought directly

- To USA

No

So USA:

- At time

Year 1840

Did not:

Know about it

It is:

- Recorded

Victorian english

From britain

Was brought to:

- USA

In Year 1880

Whoa:

Yes

Pg 20

Picture

So:

- When we

Hear this fact

It is:

- Recorded

Victorian english

From britain

Was brought to:

- USA

In Year 1880

Then:

- There are

Many things

That

Come to mind

For example:

- Here

In USA

One example is:

- Many things
- Did happen

In USA:

- From Year

1840 to 1880

Pg 21

Yes

But:

- New

Victorian english

Was not brought:

- To USA

Until Year 1880

Ok

Events

USA english:

- After

Year 1840

Whoa:

What an idea

Well:

- Even though

England

Dd get:

A newer
English language

- Year 1840

USA:

Still had to

- Do

Job USA

Yes

And we:

- Know this

Like:

From school

Yes

We know:

And think

There were:

- Many things
- That

Happened here

Years:

1840 to 1880

Let's just:

Think about that

For a moment:

Think about that

Here we see:

English language
USA

After:

- Year 1840

Is an:

Interesting topic
Pg 23

Topic:

- To consider

Like:

- Since

Up to:

Year 1840

We know:

- USA

Continued:

English language

From:

Original settlers

To:

- Year 1840

Then:

- What was

English language

USA

After:

- Year 1840

Omg:

- Tell me

We want to:

Know

Pg 24

We remember:

- After

Original settlers

USA still did:

- Grow and
- Develop

Years =

1750 to 1840

We know this

But after:

- Year 1840

Like to:

- Year 1880

When:

Modern english

Came to USA

If england:

- Got

Newer english

Modern english

Or:

Victorian english

- Year 1840

Then they:

Told USA

About it:

- Year 1880

Well:

- Then

USA probably

Continued

Continued:

- To use

USA english
Language

From:

Year
1840 to 1880

Sure

USA english
Language

From the:

- Settlers

Would have
Continued

And in:

- These years

1840 to 1880

There were:

- Things

Like:

- Civil war

And:

Homestead act

- In USA

Yes

Think year:

- 1862

Ok

So probably:

- USA

Did continue

It's own form

English language

Here in USA

Yes

Remember:

- USA

Did not know

About:

Victorian English

Modern English

Until Year 1880

So Original:

English language
USA

From the:

- Settlers

Continued:

Years
1750 to 1880

Yes

English language
USA

Many things:

- Happened

In USA

Year =

1840 to 1880

Ok

During Then

Much happened:

- In USA

Year =

1840 to 1880

Look at:

- These facts

Like:

USA history

Abraham Lincoln
The Civil War

The Homestead Act
The Reconstruction
Amendments

Also:

- Yes

New states:

Were added

To the union

I think:

- Many things
- Happened

In USA:

- From Year

1840 to 1880

Many things:

- From

That time

Remember:

USA history

Abraham Lincoln
The Civil War

The Homestead Act
The Reconstruction
Amendments

Also:

- Yes

New states:

- Were added

To the union

Review

Well:

- We got to

Here

Thinking about:

- USA

Discussion

From Year:

1840 to 1880

What was this

USA english?

What:

English language

- Was used

In USA:

- From Year

1840 to 1880

Whoa

Certainly it was:

- Not

Victorian english

Pg 30

Modern english

No

Victorian english:

- Called

Modern English

Did not come:

- To USA

Before 1880

It was made:

- Year 1840

But not in:

USA

So USA:

- Continued

English language
USA

From the:

- Settlers

All stuff:

Written in USA

Year:

1840 to 1880

Was in:

English language
USA

Pg 31

English language
USA

- Had developed

From the:

- Settlers

English language
USA

And there were:

- Many things
- Happened

Year =

1840 to 1880

USA did:

- Grow and
- Develop

Year =

1840 to 1880

This includes:

Post
Civil War Era

USA

Post Civil War

USA:

- Post
- Civil War Era

After:

Civil War USA
Pg 32

Post 1862

USA continued

Civil War =

About 1865

See here:

- Some facts

Post

Civil War Era

Fun facts:

- To see

Like:

Names from

History USA

Look:

Settlers

Rebels

Drifters

Carpet baggers

Omg

Also:

New states

Were added

Much happened:

Post

Civil War Era

USA

States were:

- Added

USA english:

Was used for

- All of this

Yep

Not from:

British english

Not:

Victorian english

No

Victorian english:

- Modern english

Arrived in USA:

Year 1880

USA continued:

- Year =

1750 to 1880

English language
USA

All on it's:

Own merit

There was no:

Stated upgrade

In:

English language
USA

After Year 1750

No

Victorian english:

Arrived in USA

Year 1880

ENDING

So we:

- Discuss

English language
USA

Victorian english:

Arrived in USA

- Year 1880

There was no:

Stated upgrade

In:

English language
USA

After Year 1750

So I think:

- USA

Does not owe
Britain
Pg 35

How much:

- Gained

Victorian english

Modern english

This:

Victorian english

Modern english

If USA:

Doesn't have it

Years =

1840 to 1880

Well:

We are still

Here

Here:

- In USA

Legal System

Did Function

News was shared

People:

- Circulated and
- Developed

Information:

- Circulated

Was Shared

Between:

- Year =

1840 to 1880

Probably:

Court Developed

All of this:

- Like

With what

English language

I think:

English language
USA

Yes

Laws were Made

Years =

1840 to 1880

And USA:

- Continued

Continued like:

- Before

It did not:

- See

Victorian english

Modern english

Pg 37

Until:

- Year = 1880

So USA:

Should Not Owe

What USA:

Did Not Have

Article is:

English language
USA
