About Jesus

A:

- Tale of Jesus

About:

All of The Myth

Floating Around

Maybe Jesus:

- Was

Just a myth

Hmm

About

Article Style =

- Humor Piece

For a reason

Reason =

All of The Myth
Floating Around

Myth around
Jesus
Pg 1

Still:

- Article has

Some link to
Real

Some link to
Truth

- About

So:

About myth

If Jesus did:

- Not exist

Then all of
This

Is A Lie

About myth

Fact

About Lord:

- One thing

Fact:

- One thing

The Lord:

- The Father

Does not put

His Hands on
People

Pg 2

Doesn't put
His hands
On anyone

He doesn't
Need to

Remember:

- The Lord

He

Made All of this

All of it

So:

Since it is

Perfectly fine
Already

Like:

From the Creation

Then He:

- Lord

Doesn't put
His Hands
On anyone

- A fact

Since He:

- Father

Built it good

Designed it good

Then no need
For Repair

Ok

The Father:

Doesn't put
His hands
On anyone

About Him

Since he:

- The Father

Doesn't put
His hands
On anyone

Then we:

See this in
Life

Example:

we see
plants grow

we see
sun shine

we see
waters run

air runs too

All of these:

- They

Do their thing

They all:

Do their
Function
Pg 4

Life on earth

The Father

Doesn't put
His hands
On anyone

The Creation

All of:

- These things

Are made ok

we see
plants grow

we see
sun shine

we see
waters run

air runs too

These things:

- Are

Already good

Already ok

From start:

- Ok

Since design:

- Ok

And that's it

These things
Pg 5

Life on earth

Ok

The Father:

Doesn't put
His hands
On anyone

Jesus and Father

Article is:

- In the Shorts

Jesus:

Took it
In the Shorts

If he:

- Jesus

Had a relationship

With The Father

Then it:

- Relationship

Could not have
Been much

So probably:

- Jesus

Took it
In the Shorts

I think Jesus:

Took it
In the Shorts

I don't see

Much of a
Relationship

With The Father

So probably:

- Jesus

Took it
In the Shorts

Factors

Slim:

- Jesus

Example:

We don't

- See

Holy

Nor Love

No Fullness

No Lasting Quality

Slim:

- Or nothing

Wtf

Omg

Jesus:

- I don't see

Pg 7

Much of a
Relationship

With The Father

So probably:

- Jesus

Took it
In the Shorts

Seeing Him

Jesus:

- Whoa

The picture

Look at
The Picture

Jesus:

Was A Failure

We see:

- He

Didn't Continue

Yes

Since:

- Then

He didn't
Make it

He didn't
Continue

Then Jesus
Pg 8

Took it
In the Shorts

He was a Failure

He didn't Continue

Not much
Relationship

With the Father

No

Life Story

Him:

- Jesus

Lived:

- meh

Omg:

I mean

He was here
Then

Went down

- Huh

Like he was:

up one day
then down
the next

- So rapid

And his exit:

Was abrupt
Pg 9

Like sudden

Whoa

One day:

He was there

And the
Next day

- Gone

Just gone

His Exit

He left:

- Suddenly

Exit Jesus

It was:

- His exit

like a dog

mild or worse

He left like:

a wet noodle

It was nothing

He was down
Like that

- Quick

Almost silent

up one day
then down
Pg 10

He didn't:

- Make it

He didn't
Continue

Then Jesus:

Took it
In the Shorts

Article =

In the Shorts

His Leaving

He left:

- almost silent

He left:

down like a
dog

He was:

pinned up

Then:

laughed at

Probably discouraged

So:

- a failure

him

Not much:

to speak of

Hey:

He didn't
Continue

Why

Then why:

- Why did he

Not work

If Jesus was:

a failure

he didn't
continue

- then why

Why a failure

Must be
Some reason

Why did he
Not work

His Mother

In history:

- Jesus's mother

Name = Mary

She was his:

- ma

A:

common girl

simple

She had joseph:

her husband

Then:

- suddenly

she became
pregnant

And not by:

joseph

her husband

- no

So did:

- Mary

jesus's mother

Become pregnant?

Huh

Not by joseph

No

Method

How Mary:

- Got pregnant

It is said:

- She

Mary

Was impregnated
By

Holy spirit

I doubt it

If this is:

- So

Then:

Let's look at
Him

Holy spirit

About Him

Him:

- Holy Spirit

probably an
ok guy

Probably related:

- To Father

Perhaps:

a messenger

Maybe a
servant

Remember:

- If

Holy Spirit

Probably related
To Father

And:

- The Father

Doesn't put
His hands
On anyone

Then was:

Mary impregnated

Dunno

To Impregnate

A Woman:

- impregnate

Female egg =

the ova
the egg

We learned it
in school

We learned it
in life

Female egg =

the ova
the egg

So what's it's
Constitution

What's it
Made of

- What design

Well:

Created by
The Father

- The Creator

Pg 15

Then what is:

- it's Scope

Female egg

Are there limits

What are:

- The Ways of

Impregnate a
woman

Look

By Definition

Impregnate:

- Meaning

By definition:

probably only

- human

can impregnate
woman

We see this:

- in life

And in
our history

Probably only:

- human

can impregnate
woman

If this is True:

- Then

how could
holy spirit

a non human

impregnate Mary?

- Probably no

I think only:

- human

can impregnate
woman

It is not possible:

for An Other
to

impregnate woman

Rare

Look:

- a wolf

cannot impregnate
woman

no

a goat no

not a spider
no

nor a fly

nor dinosoar

Animal:

cannot impregnate
woman

not elephant
no

I think only:

- human

can impregnate
woman

Only a man:

with man egg

can impregnate
woman

So, holy spirit:

- no

cannot impregnate
woman

Question

So did:

- Jesus Live?

if only human
can impregnate
woman

Then:

Did Jesus Live?

If jesus:

- did not live

Then it was a:

- joke

ENDING

So we see:

- Jesus doubt

How is he:

- related to

Creation

Too duh

So probably:

- Jesus

Took it

In the Shorts

he could not
have existed

his mom
not pregnant

not possible
by holy spirit

- no

Mary:

she was
not pregnant

And:

by no one

Her:

If not pregnant

Then it was:

- a lie

Jesus bs

As a lie:

- then

no start
for jesus

nor the bible

nor the myth

There would
have been

no jesus

How is he:

- related to

Creation

Too duh

So probably:

- Jesus

Took it
