About:

- Christian Lunge

A Method:

Used by Christian

This:

Christian Lunge

- A Method

Of Approach

A Method:

- Used by

Apparent Christians

So this:

Method
Christian Lunge

To present it

Ok

Method

- Christian Lunge

To present it

Method =

Christian Lunge

Think:

When we

Go on the street

Us:

- These days

Go on the street

We see:

- Many people

Use this method

Method =

Christian Lunge

Seeing it:

Like

On the street

We see:

- People

Like

People we might

Encounter

Even total strangers

Sometimes

We see them:

Just lunge at us

Pg 2

Lunge and:

- Shout

Rude things

Often:

The things they
Shout

Like:

- Rude things

Are unseemly

Unfit

Or even:

Maybe totally
Unrelated

Maybe not even:

To us

- Just shouted

So it seems:

This approach

Approach that
People use

Is:

- Christian Lunge

Article =

On Christian Lunge

Definition

So what:

- Is

Christian Lunge

Let's see:

- Definition

Definition that:

I offer

- For

Christian Lunge

Is:

To lunge

For conclusion

Too soon

Before the end

Definition:

- Christian Lunge

Best to:

Show it in

Common example

Here

Us:

- We might be

Standing

Like on

A street

Us:

Maybe in a

Conversation with
Someone

Us:

- And then

Suddenly

Like out of
Nowhere

Somebody
Jumps in

Unrelated to:

What's going on

And they seem:

- Rude

They like:

- Try to

Sum up
The whole thing

Like make a
Conclusion

A summation

As if it is:

- Like

Totally over

Ended or
Finished
Pg 5

Whoa

Seems rude

When this:

Does happen

It doesn't fit in

It seems:

- Unrelated

Yes

Yet them:

They expect to

Declare a Victory

Like winner

- Them

I think:

Most people can

Understand this

And it might seem
Familiar too

The Common:

Christian Lunge

And we do
See it on the
Street

Yes

Christian Lunge

The Soon

Christian Lunge:

- Is

To lunge
For conclusion
Too soon
Before the end

So what is:

- Too soon

We wonder why
People do this

By:

- Too soon

And:

Before the end

We might
Wonder about

What is:

- The part

Before the end

before the end

Or:

before correct

before connect

before a queue

These are
Some ideas

What about:

before correct time

or right time

What is:

- The part

Before the end

We do wonder:

Why people

Do this

- Christian Lunge

To lunge

For conclusion

Too soon

Before the end

- Why

Thinking

This:

- Christian Lunge

We wonder about it

And why:

Why people do it

- Why

One thing we:

Always notice

About them is

It does seem

Hasty

And this:

A Hasty Lunge

- Like aggressive

Would tend to
Seem aggressive

Also:

- Hey

We do
See it
Around

People and:

Method =

Christian Lunge

The Why

Christian Lunge

We wonder about it

Why people do it

- Why

Why do they
Do

Christian Lunge

One thing:

- To

Wonder about

What about

- The odds

Oh

When we see it

- Christian Lunge

They never seem
To hit

- Think miss

I mean:

Whoa

Have you seen it

Them:

Since lunge is

Too soon
Before the end

Then they:

- Never connect

Think miss

Nobody wants:

To be assaulted

And also lose

No

Everybody cherishes:

Their integrity

Their substance

Their wholesomeness

Yes

And we do see:

Christian Lunge
Usually misses

So we:

- Return to

The idea of why

Why do
The Christians
Lunge

- Why

Idea

We have Seen:

- Method

Christian Lunge

Is used by
Christians

So us:

- Having

Why do they
Do it

Well:

Maybe there is

- A Reason

If Christians:

Miss so often

Like:

Not connect
Or hit

Then maybe
Reason is

- Desperate

Two ideas:

I can think of

If desperate:

- Then maybe

Thinking

Let's get out of
Here

Like:

Exit asap
(as soon as possible)

Or maybe let's:

Get this thing
Over

If guy:

Lunges from
Desperate

- Like

Let's get out of
Here

Or:

Exit asap
(as soon as possible)

Or let's:

Get this thing
Over

Then maybe he:

Knows

Knows that it:

- Doesn't work

Maybe Christian
Lunge

Doesn't work

We have seen:

It usually misses

So maybe guy:

Knows this

We have seen:

It usually misses

More

So this:

- Christian Lunge

We see it

Like:

The guy on
The street

Commonly using

Method
Christian Lunge

And nobody:

Wants to see it

Method

Christian Lunge

- It's irritating

Hey:

We might have

Something better

To do

- Us

I mean:

- Hey

Like is he

Really

Looking for something

Dunno

Why do they

Do it

And why for

Conclusion

Jeez

If we:

Find out why

Then maybe we

Could tell him

Why method

Christian Lunge

- Why

Part Three

This part:

- Three

Looking for
Conclusion

Part three:

- Christian Lunge

Looking for
Conclusion

We have seen:

Christian Lunge

- And

Looking for
Conclusion

Conclusion:

- Why

Maybe burnt out

Like:

Tried too much

Hey:

With the lunge

To be frank:

If they
Are Christian

And they lunge

Then not
Based on anything

Get the point

There is no Jesus

So:

- wtf

Is Christian

Huh

Lunge misses:

- So

Nothing there

Still

You know:

With so much
Variety

- Then

What is
A Christian

What A Christian
Is

Is anybody's guess

Wtf

We have seen:

- Lunge

There is such:

- Wide variety

Wide variety on
Christian

- Like styles

And also
Variety on lunge

Like styles

So many too

Appears:

- Terribly rude

Inaccurate

And the miss

- Often

What is
A Christian

What A Christian
Is

Is anybody's guess

Quick Note

We see a lot:

- Viewing lunge

What about:

- Cost

Look:

Since the
Christian Lunge

Usually misses
Pg 17

And also:

They do it
A lot

Then:

At whose expense

Would this be:

- Covered

I mean:

We can't just

Waste our time
Forever

We can't just

Miss a lot too

Oh

Somebody has to

- Pay

For everything

Nobody would:

- Pay a man

To miss
All of the time

No

Go figure

I think no

Small Joke

A Christian:

- Math Joke

How many
Guess notes
Does it take to
Make a Christian

I don't know
But I bet you
He doesn't get
There

Math Joke

To Find

The idea of:

- To Find

If Christian lunges:

- Then

What about
To Find

So:

What is
To Find

Well:

Where and when
Do we look

To look:

And idea
To Find

These are:

- Known things

We know this

So if:

- Christian lunges

Then what about

- To Find

If He:

- Lunges

Christian

Like:

- Abstractly

Which seems

Hasty

Or unseemly

Then what

Chance

Would he have

- To Find

How could he:

Find something

In such abstraction

Oh

When we:

- Look and Find

Pg 20

It usually
Makes sense

Makes sense to
Us

But Christian

If he lunges

Then what
Can he
Find there

As we see:

It looks like
Guess work

Very much like
Guess work

And remember:

He usually
Misses

Oh

More Find

Well:

- We wonder

Christian

If he lunges

Then there must
Be a reason

It cannot:

- Feel good

To miss often

No

So:

Again
To Find

Just to lunge:

- For no reason

Would be mad

Or malarchy

Just to lunge:

For no reason

I mean:

- Hey

What if
There is
Nothing there

We have seen:

- Also

The lunge man

Might
Interrupt people

Like people
Together

Not good

This is not
Good

With just
Lunge
We know also
Death is possible

Be careful

Review

If Christian:

- Lunges

Like to find

Well:

Does he
Ask himself

To find or not

Lunge:

- We see

The chances on
This

Are not good

He usually misses

So:

- To find or not

And him:

- To ask

To find or not

What are the
Chances

To find or not

- Can he weigh

The chances on
This

Lunge and:

To find or not

ENDING

Christian Lunge:

- We see it

Speak about it
Here

Christian Lunge

People do it
Yet

- Why

Reason not clear

Definition Christian

- Not clear

Life goes on

Let's hope:

Christian gets over
Lunge

He misses a lot
