There must be
Some

- Value

Value in it

Carrot
On the donkey

I would
Discuss

- Here

Enter

The:

- Old saying

Carrot
On the donkey

In it is

- Term Carrot

Word carrot

In old saying

And used for:

- A purpose

Motivate donkey
Pg 4

To get the
Donkey

- To work

How

Type

Ok work:

- Donkey

Heck

Everybody must
Work

So here
I guess

- Donkey too

Donkey must
Work

- Too

Like also

Ok

And type

Think:

- Work type

Like

What type of
Work

- Donkey

Not my job

No

Quickly:

- Type =

Cart

Think pull

Yep

The purpose of
Donkey working

Remember carrot

Is to get
The donkey to
Pull

- The cart

Example:

Pull the cart
To the market

So carrot is
Used

- Motivate

Carrot

Is used to
Motivate donkey

To get the
Donkey

- To work

Work type =

Example

Pull the cart
To the market

Setup

So:

- Donkey

By chasing
The carrot

The donkey

Could be
Working

Think:

Like
Going forward

Often times

- The donkey

Does not want
To work

Donkey is known

Often times:

- The donkey

Does not want
To work

Yet

With an
Incentive

Or reason

Donkey may be
Willing

- To work

Think carrot

Gain or earn

- Carrot

The donkey

If the carrot
Is used

Purpose of
Motivate

Like incentive
Or reason

Think
Gain or earn

- Carrot

Then donkey

By chasing the
Carrot

Donkey could be
Working

Donkey
Going forward

- For carrot

Yes

Seeing

So carrot:

On the
Donkey

- Seeing it

So the Farmer

- Owner

Would hang
Carrot

On donkey

Carrot
In front of

The donkey

- Hang

So the donkey
Would be

Chasing
The carrot

Old saying:

Carrot
On the donkey

This way

The donkey
Walks forward

Carrot
On the donkey

Donkey chasing
The carrot

And donkey
Doing this

Donkey chasing
The carrot

Pulls the cart
To the market

- Going forward

Carrot
On the donkey

Donkey chasing
The carrot

- This =

Old saying

Carrot
On the donkey

Versions

This method:

Carrot
On the donkey

- Old method

Has been used
For

Thousands of
Years

The Farmer:

- Owner

Would hang
The carrot

In front of
Donkey

So donkey
Would be

Chasing the
Carrot

- Donkey

Walks forward

Chasing the
Carrot

And pulls
The cart

To the market

- For farmer

Owner

And since:

Old saying is
Famous

Many versions

Carrot
On the donkey

Silly

Some people:

- Think

Old method

Carrot
On the donkey

Sounds silly

Donkey:

Walks forward

Chasing the
Carrot

And pulls
The cart

To the market

Pulls cart
For farmer

- Owner

Yet this
Old method

Carrot
On the donkey

Has been used
For

Thousands of
Years

So it must
Work

It seems that
It works

Carrot
On the donkey

Also:

- Then

Donkey must
Like

- The carrot

And they do

Donkey does
Like

The carrot

We can see
This

Point

Old method:

Carrot
On the donkey

Has been used
For

Thousands of
Years

Donkey does
Like

- The carrot

Old saying is
Famous

Many versions
Exist

Carrot
On the donkey

So it seems
Somehow

Old method
Works

- For

Thousands of
Years

Donkey does
Like

- The carrot

Farmer is
Owner

- Donkey

And the
Method

- Old method

The Farmer
Would

Hang the carrot

In front of
The Donkey

So the donkey

Would be
Chasing the
Carrot

- This way

The donkey
Pulls the cart

To the market

- For farmer

Owner

Carrot motivates

The donkey
Pulls the cart

To get the
Carrot

Carrot hanging
In front of
Him

- Donkey

Dumb

- Farmer

Farmer is not
Dumb

No

Remember:

- Old method

Carrot
On the donkey

Has been used
For

Thousands of
Years

- Also

Farmer
Is not dumb

So since

Farmer knows
Old method

Famous
Old method

Carrot
On the donkey

And

Farmer
Is not dumb

Then maybe he
Farmer

Might use
Old method
For

- Other things

Also

Think:

- Too

Also

Additional

Like

Many versions
Old method

- Remember

Pulling the cart
To the market

Is not the
Only thing

- We do

No

Think also

Besides pulling
The cart

To the market

- Also

We still do
Other things

Like

House chores

Or:

General
Maintenance

Maybe just
Carrying

Our load

Our stuff

We do things

So Farmer
And

The method

Pulling the cart

- Use of

Famous
Old method

Carrot
On the donkey

This is not
The only

Thing we do

Since Farmer
Is not dumb

Then maybe use
Old method
For

Other things
Too

- Maybe also

Others

Consider:

- Substitute

The method
And

- Other things

Other uses

Oooh

Famous
Old method

Carrot
On the donkey

Here is where
It

Gets interesting

Yay

Think

Farmer and the
Method

Old method

Carrot
On the donkey

One use
We know

Donkey pulls
Cart

To the market

Farmer might
Use method

- For other things

Other things too

Then what if
Farmer

- Tries substitute

Substituting
The method

Method use
For other

Example:

- What if

Farmer
Tries

Substituting
The carrot

Maybe use a
Different carrot

Or another
Vegetable

- Substitute

Substitute
The carrot
For

Grapes

Ear of Corn

Stick of Candy

Oooh

Substitute

Maybe a
Red ball

Red ball
Pg 19

Instead of
Carrot

Oh

Interesting

Difference

Still thinking:

- Of

Old method

Carrot
On the donkey

The Farmer

Is not dumb

He might try
Substitute

Substituting the
Carrot

If so
Use substitute

Then can the
Donkey

Tell the
Difference

If substitute
Is used

Then can the
Donkey

Tell the
Difference

Since method

Carrot
On the donkey

Is used to
Get donkey to

Pull the cart
To the market

If Farmer
Substitutes

- The carrot

Then can
The Donkey
Tell

- The difference

Maybe

Review

Variety:

In the
Method

- Interesting

If

Other things

Like substitute

Substitute
The carrot
For

Grapes

Ear of Corn
Pg 21

Stick of Candy

Oooh

- Substitute

Maybe a
Red ball

The Farmer
Could

- Substitute

The Carrot
Like for
Another thing

Interesting

Also too

Can the donkey
Tell

- The difference

If substitute
Used

Oooh

Would donkey
Work

- Like

Pull the cart
To the market

If substitute
Used

Can the donkey
Tell

The difference

Old method
Is old

Carrot
On the donkey

Thousands of
Years

So it must
Work

- Remember

Pulling the cart
To the market

Not the only
Thing we do

If Farmer
Uses

- The method

For
Other things

And he tries
Substitutes

Something other
Than the carrot

Can the donkey
Tell

- The difference

If substitute
Used

Oooh

Would donkey
Work

Would donkey

Pull the cart
To the market

If so then

There might be
Other things

Method can be
Used for

ENDING

Here is:

- Old saying

Carrot
On the donkey

We see method

Carrot
On the donkey

It has been
Used for

Thousands of
Years

- Donkey

Chasing the carrot
Working

Donkey
Going forward

Often times
