This is Article:

- Dirt Dumpers

About:

- Dirt

Dirt and:

- Dumping it

Dumping dirt

This:

Dumping dirt

- We see it

People around:

Dumping dirt

So these guys:

These people

Dumping dirt

Called

- Dirt Dumpers

Title =

Dirt Dumpers

Dirt

I have:

- Article before

Gone to Dirt

On website:

temsfs.com

Article has:

- Dirt definition

Like:

Commonly

- We could see

A man offers

An idea

Like in conversation

Then:

As it continues

Or as

He continues

- It goes awry

His idea:

It does not

Really continue

Like not the

Same

- This is dirt

Pg 2

In such an
Example

His idea turns

- Fishy

Fishy like:

- Different

It does not:

Really continue
Not the same

It goes fishy

Think:

- vague

uncertain

fishy

We have seen:

Here USA

Vague things

- Not clear

Maybe misleading

Lies or

Misinformation

Said is:

We could see

A man offers
An idea

Like in conversation

Then:

As it continues

Or as

He continues

- It goes awry

Or fishy

His idea:

It does not

Really continue

Like only vague

- So dirt

Not more

Title

Title =

- Dirt Dumpers

This idea:

- Dirt

Would be

- An Abstract

Abstract:

Like

Not so clear

Or not definite

Vague:

Could be an
Example

So, like this:

If such thing
Was around

- Then dirt

Not more

I think that:

We see this
Today

More on it

Dirt Dumpers

If we:

- See this

Like today

Like around

Then I think:

- It is around

Dirt is around

I think so

I have said:

- This idea

Dirt

Would be
An Abstract

So if:

- Around

And abstract

Then:

- Small value

Not worth much

An abstract:

- Like vague

Is hard to
Understand

- Abstract

Yet:

If around

It is being
Put there

And I think:

Dirt is around

It probably
Pertains

To mind

Dirt

Term Abstract

Term:

- Abstract

Has definition
Pg 6

Simply put:

- Abstract is

Existing in thought
Or as an idea

But not having a
Physical
Or concrete
Existence

- Like not solid

Vague has been
Mentioned

Not so clear
Or not definite

Then abstract:

- By definition

Vague

The Dirt

So if this:

- Dirt

Is around

Then:

What's the point

Why mention
Dirt

This dirt:

- As

Mind based
Pg 7

Is not clear

We have seen:

- Here USA

Vague things

Not clear

Misleading

Lies

Misinformation

- Vague

Sometimes as:

Pop culture

If abstract:

- Like not clear

Dirt

Then sometimes

Could be devious

Veering from path

And a lot of:

- This dirt

Can get noticed

It can push:

- Vague

Which is no help

Life on Earth

- Life is hard

We all must
Do it

- Life

It is:

Hard enough

To try for
Normal

I don't think:

There's a lot
Of extra

Most things:

- Are earned

One way or:

Another

I think
Most things
Are earned

And to proceed:

To continue

Hey

Not too much
Dirt

We can't be:

Full of dirt
No

It is:

- Hard enough

To try for
Normal

We know:

Life on Earth

Dirt Dumpers

Then dirt:

- Must be put

If people:

- Try

Really try

Then dirt:

Does not result

I think
Most things
Are earned

Real trying:

Does not result
In dirt

No

Remember dirt:

Is an abstract

Vague
Iffy
Not clear

And if:

- Devious

Then
Poor intent

This would be:

- The dirt

Dirt around

I think that:

- People

Put it there

Around

History

USA History:

- I think that

George Washington

- Dirt

I have written:

About him

Foreign rogue

Selfish agent

Opportunist

So:

- Bad Guy

George Washington

He was not:

- From USA

So no good

Could not

Interpret USA

No

Foreigner

So Bad Guy

And since him:

- Whoa

More of
The same

History USA:

Starting
George Washington

Dirt Dumpers

So Bad Guy

Review

Probably for:

- Most

This is clear

Total USA:

- History =

WTF

We don't really:

Know nothing

And now:

It's all gone

Pretty much ruined

Clear to see

Probably for:

- Most

This is clear

So:

If
George Washington

Dirt Dumper

Then no good

This in review

Not Clear

Ever since:

- Beginning

USA

- Not Clear

So:

The Not Clear

Government:

Main player

Never made sense

Described as:

WTF

The Not Clear:

- Like

Non Communication
Pg 13

They don't really:

Say anything

Tell anything

Not really:

- Relationship

Caring would:

Appear

If relationship

Too busy:

With war

No handshake

Agreement

Where is caring

No real result:

No product

Or fruit

Wtf

Wasteful is:

- Subtraction

Like

Eating at the

Common

Sometimes even:

- Division

Goll

So:

The Not Clear

And like this:

- Only abstract

Then dirt

And:

Lacking definition
Too

Omg

Summation

Probably for:

- Most

This is clear

Since:

- Beginning

USA not clear

Described as:

WTF

Dwindle comes
To mind

So only bs:

No value
No product

Then dirt:

- Only dirt

Pg 15

And since:

George Washington

- Dirt Dumpers

Only dirt dumpers:

No value

No product

Shifting the ball

Blaming others

Lying

Deception too

Probably for:

- Most

This is clear

ENDING

To conclude:

- Omg

What to do

If so much:

- Dirt

From

Dirt dumpers

Then

What to do

Well:

The Famous Line

It is:

What's in it
For me

The Famous Line:

What's in it
For me

The Term:

Dirt Dumpers

- Is True

True because:

It never made
Sense

USA:

It never made
Sense

Go figure
