Something

Best to tell

See the story

Recall it

folly
bash

Story

Today:

- Me

While riding
On the bus

- An idea

Idea I had

On the bus

Going along:

The bus passed
Through

Military section

Of town

Main route:

- The bus

Passes through

Military section
Of town

- Common thing

My bus today

Then:

When bus
Passed through

Military section
Of town

I had a thought

- An idea

My idea today

There:

- Occurred

My idea

My thought

Me:

- There

Seeing

Military section
Of town

I thought about
Things

Things that the
Military does

It was interesting

- My thought

So I share it
Now

Folly Bash

An idea
I had

I thought about
Things

Things that the
Military does

There

Me:

- There

On the bus

Thinking about

Things that the
Military does

As I say:

This is a
Sharing piece

So I will just
Tell the story

- Straight

Tell the story

There:

On the bus

- Today

Usually things
Are quiet

There
On the bus

Quiet because:

The bus doesn’t
really

Pass through
Busy downtown
Area

Well me:

- There

On the bus

The bus
Passed through

Military section
Of town

And as
We passed through

Military section
Of town

I saw the
Military buildings

And me:

- As

I saw the
Military buildings

I thought about

What military does

This thought:

What military does

Started me thinking

And I make
This

Things

Me:

- Thinking of

Things

On the bus

As

I saw the
Military buildings

I thought about
What military does

Look:

- Like whoa

Sometimes they

- Military

Just:

Wipe out a
Country

Or wipe
Someone

Off the map

Me:

- There

I wondered

As I thought
About

Their actions

Military actions

I wondered:

Why they do it

Why do they
Wipe things

Off the map

I thought:

It would be
Good

To know about

- Why

Why they do it

Why do they
Wipe things

Off the map

Then

Well me:

- Then

As I wondered

Wondered about
Why

Why do they
Do it

Why do they
Wipe things

Off the map

- Military

Me:

On the bus

As

I saw the
Military buildings

I thought about
What military does

- I thought of

A thing that
I know

A thing that
I believe

I thought:

- Or actually

I made it

Made it from
Description

Look

Politics

America:

- USA

Has GOP

Name means
Republican Party

- Politics

Well:

America

Having GOP
Political Party

Whoa:

- Like

They have
Been around

Since
The Civil War

- GOP Party

GOP is:

One of the
Political Parties

USA politics

When they:

- GOP

Are on the
News

Like when they

Make political
Statements

They have
A style

A style that
They use

Like when they

Make political
Statements

This style:

- GOP style

For me

Never seemed
Very definite

So here:

With this fact

- GOP style

Never seems
Very definite

I make a
Description

Description of
Their style

- GOP style

This is:

- Actually

An M O
Modus Operandi

This means:

Method of operating

Modus Operandi

About GOP style

Reminder

Remember:

- Me

I had a thought

- Idea

Me

On the bus

As

I saw the
Military buildings

I thought about
What military does

I thought of:

A thing that
I know

So reminder =

- Title

Folly Bash

- Two words

Folly Bash

Them

Said =

- GOP style

They have
A style

A style that
They use

Like when they

Make political
Statements

This style:

- GOP style

Name =

- GOP M O

M O =

Modus Operandi

Method of operating

Modus Operandi

About GOP style

This M O:

Modus Operandi

That I fashion
From them

- Is

If you see
something bright
pretty or good

then beat it down

Beat it down
to a dumb level

And then
tell it that you
dominate

This seems
To me

- As

GOP M O

Modus Operandi

I have thought
This

For a long time

- GOP M O

If you see
something bright
pretty or good
then beat it down

Beat it down
to a dumb level

And then
tell it that you
dominate

Continue

About:

- GOP M O

Modus Operandi

I always thought
This was

- Destructive

GOP M O as
Destructive

- Similar like

The deeds like
Military does

What military
Does is

- Just

Wipe out a
Country

Or wipe
Someone

Off the map

They wipe things
Off the map

And me:

I always saw

GOP style like

If you see
something bright
pretty or good
then beat it down

Beat it down
to a dumb level

And then
tell it that you
dominate

So similar:

- These two

GOP style
Military action

- Similar

Reflect

Well me:

- Today

My new idea
Today

Even though I:

- Thought that

These two
Would seem similar

GOP M O
Military deeds

I always thought
Reason is

To be destructive

I thought that

These two did
This

To be destructive

- But wait

My new idea
Today

Before:

I thought them

To be destructive

Destructive like:

A kid
Who likes to
Break things

But wait
Me today

Oooh

I thought of
A new thing

I might have
Gotten

A new outlook
On this one

It

It =

- New thing

Quickly:

- New thing =

What if GOP
Or others

try to beat
something down

or
try to beat
someone down

in order to
make them ugly

- Others ugly

And also:

What if intention
Was

Not just to
Be destructive

If they:

try to beat
something down

What if there was

- Other reason

Reason for to
Do this

Whoa

Then this:

- If true

Would be the
New thing

What other reason
Would they have
To do this

Please say

Seeing

Seeing:

- New thing

About this
New thing

- Well why

We would ask

Well why

Why would they
Do this

Answer:

- I think

I thought it
Was simple

- Maybe they

Like GOP

Just beat things
Down

To make them
Ugly

- Others ugly

The reason could
Be simple

Try outlook:

Make them ugly
Because

If the others
are ugly

then that might
make us
look good

GOP or
Military

Might look good

If the other guys
were ugly

Could be possible

If true:

GOP or
Military

Might look good

If the other guys
were ugly

- Then this

Might be better
Than

Solely destructive

Like just for
Destructive

Maybe they
Might think

They
Might look good

If the other guys
were ugly

So make them
Ugly

Others

Whoa

Compare

Me:

- Before

Before I thought
That

Maybe they just
Do it

- To be mean

But hey:

With my new
Outlook

Maybe a
Better outlook

Then whoa

This would seem
Like

A wayout view

Like to
Make them ugly

- Others ugly

But it does
Seem like possible

So this is why
I write it here

Maybe:

GOP and
Military

Beat things down
To be pretty

- Or prettier

Omg maybe

Jeez

Summation

Then:

- After this

I thought about
USA Country

Look:

What if USA

- Does this

Bash other
Countries down

in order to
make USA
look good

or look better

If this is
So

Then probably
Good to know

Spelling

This stuff:

It could be
Possible

That these guys
try to make
others look ugly

- If it is so

Like that they
Do this

then probably this
would spell

- envy

This is
New idea

I got it today

Me:

While riding
On the bus

- Only envy

Gosh

I don’t know

ENDING

New idea:

- Seen

If we
Think about this

- Like

The reason that
People do things

Then good to
Know

Me:

I would never
Do this

To anyone

It’s a shame
to hurt others

And it’s hard
to get any

Good out of it

This means:

If the other guy
was bashed down

then there would be
less competition
around

Boy

What a world
