Pg 3

Many miles of

Title

Article:

- Title =

Plain Spirit

So that is:

- Two words

Pg 4

Title:

Plain Spirit =

- Two words

This is:

- Plain

And spirit

Two words

One

Word one =

- Plain

Definition:

- Plain

Title has:

- Two words

Plain and
Spirit

Word one =

- Plain

Definition:

Plain

Mainly used:

- For

Central USA

- The plains

Pg 5

Term:

- Plain =

Not usually

A grand term

No

Not grand:

- Term plain

Not usually

Said =

Central USA

The Plains

Is main reference

Term plain

Title =

- Plain Spirit

Central USA:

The Plains

Many miles

Of space

Rather Flat

So term:

- Plain

As

Central USA

And flat

Plain is

Usually

Not a grand
Term

- Plain

More

So:

- Plain

As a term

Usually not grand

Still:

- More

Definition plain:

- Term plain

Has more

Plain:

- Can mean

Not decorated

Or:

Not elaborate

- Plain

Like just plain

Can be:

Simple
Or ordinary

Like in character

Plain

Like just plain

We have seen:

- Term plain

Like

- A large area

Flat land

Plain

Like with

Few trees

- Plain

So usually:

Term plain

Not a
Grand term

Plain

Ok

People

Ok:

- Plain

Term plain

Seen as:

- Like

Flat

Or:

Not decorated

Not elaborate

- Plain

Could be:

Like just plain

Maybe just

Simple

Or ordinary

Like in character

Plain

Ok:

- But

What about

People

Well:

- For people

Plain is

With no

Pretensions

Could be:

Not remarkable

Or not special

Like just plain

Pg 9

So usually:

- Term plain

Not a
Grand term

Plain

Plain for people

Not usually grand

Title

Article =

- Plain Spirit

Reason is:

- The Spirit

Plain we see

Definition plain

We see

- But title

Cares about:

- Spirit

Title =

Plain Spirit

I think:

Central USA

The Plains

- Has spirit

Pg 10

I think:

Central USA

Is representative

Look:

- USA is big

Plains is big

- Both big

And Plains:

Central USA

- Has a Spirit

I think:

- Plains spirit

Is positive

Positive Spirit:

In The Plains

Yes

So plains:

Central USA

The Plains

As representative

- Is a Symbol

USA Symbol

The Plains

Yes

Pg 11

And so:

- Plains

With a Spirit

- Makes

Article Title

- Plain Spirit

Spirit of:

The Plains

I call it:

- Here

Plain Spirit

Title =

Plain Spirit

And:

It is Positive

Spirit of
The Plain

- Positive

Type

I think:

Spirit of
The Plain

- Is female

Female Spirit

- Plains spirit

Said =

Spirit of
The Plain

Central USA

- Is Positive

So Spirit of
The Plain

- Female

And positive

Both yes

Female
And positive

Dance

Well:

Spirit of
The Plain

- Central USA

If she is:

Female
And positive

Does she dance

Oooh:

- Good question

Does she dance

Think:

- In USA

Pg 13

Here

When things
Are good

Spirit of
The Plain

Female
And positive

- May pass by

I think she:

- Is female

When good things
Happen

- Here USA

Spirit of
The Plain

Dances around

Think:

- Example

Like

State Fair

Think:

A Pretty Summer

Maybe for a
Proper Harvest

I think:

When good things
Happen

- Here USA

Spirit of
The Plain

Dances Around

Female Spirit:

- Her Dance

In USA:

When things are
Good

Spirit of
The Plain

- May pass by

Other

Here is:

- Part two

Sad

Well:

- In

Spirit of
The Plain

I have shown
Spirit

Spirit of
The Plain

- Central USA

And:

She = female

But She:

- Maybe not

The Only Spirit

- Maybe other

Then part two

Sad

Another Spirit:

May be around

I will say

Two

Well:

Spirit of
The Plain

- Central USA

Has spirit

But maybe not:

The only spirit

I see something:

- Around

Another Spirit

May be around

If other spirit:

- Around

Then part two

Pg 16

Sad

Look

Dirt

Whoa:

- Seen around

Dirt

Dirt is dirt

But maybe:

Not always
Good

- Dirt

In USA:

- Here

Much dirt
Around

Probably caused:

- By people

Much dirt
Around

And:

- With

Much dirt

- Dirt energy

The general:

- Vibration

Around the dirt

- Dirt vibration

Dirt:

- Seen around

Dirt vibration:

- Like

How it seems

How it feels

The general:

- Vibration

Around the dirt

- Dirt vibration

Here

Much dirt

Around

Probably caused:

- By people

So:

In it

- Dirt

Dirt vibration

Spirit

Maybe other:

- Spirit

Pg 18

Another Spirit

May be around

If other spirit:

- Around

Then part two

Sad

Identity =

Dirt vibration

- Has spirit

Dirt:

And it's vibration

From people

- Has

Dirt Spirit

I don't think:

It is positive

No

Then sad

I think:

- Dirt Spirit

Another spirit

From dirt

Vibration

Not Positive

No

Point

Simply put:

- Much dirt

Around

USA:

- Much dirt

Caused by:

- People

Dirt from:

People

Caused by:

- Abandon

General abandon

Think:

Discarded things

Or:

Spilled things

Maybe from errors

USA:

- Much dirt

Caused by
People

Dirt from
People

Pg 20

By:

General abandon

And:

Poor vibration

Dirt vibration

Dirt around:

- Yes

So:

With much dirt

People caused

Left by people

- Abandon

Dirt:

- Lying around

That's not good

Then sad

I think:

Dirt Spirit

Not Positive

Then what:

- Result

Dance Two

I think:

- Simply put

Death is around

Caused death:

- Yes

Like a construct

Death Dances
Around

- In the dirt

Much dirt:

- People caused

People left

Dirt:

Lying around

I think:

Death Dances
Around

- In the dirt

I think:

Dirt Spirit
Not Positive

And also:

Death Dances
Around

In the dirt

Too many:

- Errors

Dirt around
Pg 22

Dirt:

- People caused

People left

Left lying around

- Dirt

ENDING

Article is:

- Plain Spirit

We see:

- Two words

Plain Spirit

Two words

I think:

- It is Positive

But neglect:

Whoa

Duty of people

Is forgotten

Much:

- Dirt around

Could be:

Dumb

Could be:

Indulgent

Maybe forgetful

Somehow:

Much dirt around

Dirt Spirit:

- Not Positive

And:

- I think

Death Dances
Around

In the dirt

Dirt as:

- Active

Not good

Maybe:

Dirt rising

Or dirt desire

Dirt as:

- Active

Not good

So:

Death Dances
Around

In the dirt

- Caused dirt

Abandon
Pg 24

Sad

Good is better
